HERE IS WHAT READERS ARE SAYING ABOUT THIS FANTASY TALE The plot was very interesting and quite different to previous things I've read There were some surprises along the way but there was also some guessable turns however it was still a lot of fun I felt that there was a good story line underneath everything and it turned out really well in the end because everything else characters pace writing style etc worked well together creating a great story Eileen was able to deliver the perfect amount of tension and carry out the scenes very well This showed just how much of a great writer she was and created contrast within the story This book combined many different elements but Eileen combined them in a successful manner that really made it both easy and fun to read and understand DARK ESCAPE begins the story of innocence love deceit and wonder
