Falcon is icy danger wrapped up in sizzling temptation and absolute loyalty and he's coming for Bella Hart. The minute Falcon saunters uninvited into the fancy wedding that Bella Hart is catering, she knows he's going to be trouble. He's sexy, muscled, and carries all the secrets that Bella is fighting to leave behind. Falcon doesn't have a last name. He hasn't bothered with a home. For twenty years, he's been hunting a monster, and now it's finally over. What's next for him, Bella Hart? He's been waiting to make his move, and he's not leaving until he gets what he wants. But Bella has no time for love, for men, or for anything in her past. Especially not the man she had a mad crush on when she was sixteen, and they were both homeless teenagers living under a bridge. Falcon is her kryptonite, and she can't afford to let him anywhere near her. But when danger targets her, Falcon is the one she has to turn for protection. His heated looks are pure temptation. His reluctant laughter lights up any room. And his commitment to keeping her safe goes right to her heart. Her new bodyguard could destroy her soul. She can handle it. Everything will be fine as long as they can keep the flames under lockdown and their secrets forever hidden. But secrets have a way of coming to the light, and some fires can't be put out.
