Darkness Is My Only Companion A Christian Response To Mental Illness:

Darkness Is My Only Companion Kathryn Greene-McCreight, 2006-04 A brave and compassionate look at mental illness that offers theological understanding and personal insights from author's experiences [Darkness Is My Only Companion](#) Kathryn Greene-McCreight, 2015-07-14 Where is God in the suffering of a mentally ill person What happens to the soul when the mind is ill How are Christians to respond to mental illness In this brave and compassionate book theologian and priest Kathryn Greene McCreight confronts these difficult questions raised by her own mental illness bipolar disorder With brutal honesty she tackles often avoided topics such as suicide mental hospitals and electroconvulsive therapy Greene McCreight offers the reader everything from poignant and raw glimpses into the mind of a mentally ill person to practical and forthright advice for their friends family and clergy The first edition has been recognized as one of the finest books on the subject This thoroughly revised edition incorporates updated research and adds anecdotal and pastoral commentary It also includes a new afterword by the author refreshed resources and questions for group discussion **Confessions of a Good Christian Girl** Tammy Maltby, 2008-01-01 You already know the women you'll meet in this book They may sit beside you in the pew or join you at small group or touch your heart from a speaker's podium They have all been saved They all love the Lord And yet One struggles with suicidal despair Another is involved with adultery pornography or a same sex attraction Another endures regular beatings or worse by someone who claims to love her Another is divorced or thinking about it This one drinks secretly or doctor shops for pain pills That one wrestles with depression or bipolar disorder And many others feel they can never be thin enough beautiful enough successful enough or Christian enough to be loved or accepted They're all good Christian girls who have been broken by sin their own and others They all needed the honest life giving truth at the heart of this book Do you Tammy Maltby addresses issues that aren't discussed much in church circles private sins that she and other women have battled **Jesus Wept: The Significance of Jesus' Laments in the New Testament** Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come [Books That Change lives](#) CLC Publications, 2014-08-19 Books That Change Lives is a compilation of essential books recommended by Christian retail book experts This guide is a useful tool for beginners just coming to the faith veteran Christians searching for growth and guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others [GraceQuest](#) Robert V. Rakestraw, 2015-04-13 In this fascinating spiritual theological autobiography Robert Rakestraw tells of his lifelong unceasing search for God After a

troubled and unconventional childhood he came to know the grace and freedom of God in a personal way during his college years. He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life. Without technical language, Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world. In striking and sometimes intimate detail, he relates compellingly his experiences as a student, pastor, professor, sufferer, heart transplant recipient, and above all, seeker of God. Dr. Rakestraw's gripping portrayal of his difficulties and sufferings, especially with regard to health issues, does not come across as depressing. Rather, it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely offered grace of God extolled by the author.

T&T Clark Handbook of Christian Theology and the Modern Sciences John P. Slattery, 2020-10-01. This handbook surveys the many relationships between scientific studies of the world around us and Christian concepts of the Divine from the ancient Greeks to modern ecotheology. From Augustine to Hildegard of Bingen, Genesis to Frederick Douglass, and physics to sociology, this volume opens the intersections of Christian theology and science to new concepts, voices, and futures. The central goal of the handbook is to bring new perspectives to the foreground of Christian theological engagement with science and to highlight the many engagements today that are not often identified as science-theology discussions. The handbook thus includes several aspects not found in previous handbooks on the same topic: significant representation from the three major branches of Christianity (Orthodox, Roman Catholic, and Protestant); multiple essays on areas of modern science not traditionally part of the theology and science dialogue, such as discussions of race, medicine, and sociology; a collection of essays on historical theologians' approaches to nature and science; Catholic, Protestant, and Orthodox surveys of theology/science scholarship in the 20th and 21st centuries; and ten explorations in Christian theology today, from Einsteinian physics to decolonial sociology. The 24 chapters that span the volume offer the reader, whether scholar, student, or layperson, an essential resource for any future conversations around science and Christian theology.

Finding Jesus in the Storm John Swinton, 2020-09-30. Drawing from theological reflection on the lives of 30 Christians with severe mental health challenges (depression, bipolar disorder, and schizophrenia) leading to disability, theologian John Swinton contends that mental health problems require theological understanding and not just medical intervention. In fact, he argues, it is not necessary to care effectively for Christians experiencing severe mental illness to grasp the theological dimensions of such experiences. Therapy and pharmacology may be helpful, but on their own, they are deeply inadequate. By listening carefully to the lived experiences of people with severe mental health problems, *Finding Jesus in the Storm* will open up new understandings and perspectives that challenge current assumptions and draw out fresh perspectives for care, healing, recovery, and community. It is a book about people instead of symptoms; description instead of diagnosis; and lifegiving hope for everyone in the midst of the storm.

Not Quite Fine Carlene Hill Byron, 2021-10-05. A practical guide for people who care. There is no time in history and no place in the world where so many people have understood themselves to be

suffering from mental health problems There is also virtually no time and no place in the world where people who are suffering have been so readily ostracized In *Not Quite Fine* author Carlene Hill Byron tackles the mounting dilemmas that pastors and churches face around mental health Medicines and therapies have their roles in supporting those who live with mental health problems or mental illness But God's own body as the church is intended to be our greatest support in this world How can the church step up for such a time as this How can the body of Christ become a healing community for its members in pain a place where the weary find strength for the journey a place where those who mourn are raised up as rebuilders of the cities left in ruins Drawing on her own history of mental health problems and her experience as a teacher and lay counselor Byron offers words of hope for those who struggle as well as practical insights to equip congregations to better support those who are suffering in their midst *The Human Face of Church* Sara Savage, Eolene Boyd-Macmillan, 2007-10-30

Until now *Fresh Expressions* has been about starting and sustaining mission initiatives among people with little or no church contact As these projects mature pastoral problems easily arise how do you integrate the old with the new How do you get an established congregation to change its views and practices How do you cope with conflict What if newcomers challenge set patterns of church behaviour rather than conform with them The publication is structured for use for training in local churches theological colleges and as a research tool in postgraduate study *Wayfaring* Warren Kinghorn, 2024-07-11 A theologically and scientifically engaged exploration of modern mental health care The current model of mental health care doesn't see people it sees sets of symptoms that need fixing While modern psychiatry has improved many patients' quality of life it falls short in addressing their relational and spiritual needs As a theologian and practicing psychiatrist Warren Kinghorn shares a Christian vision of accompanying those facing mental health challenges Kinghorn reviews the successes and limitations of modern mental health care before offering an alternative paradigm of healing Based in the theology of Thomas Aquinas this model of personhood affirms four truths We are known and loved by God We are creatures made of earth who are formed in community We are wayfarers on a journey We are called not to control but to wonder love praise and rest Drawing on theological wisdom and scientific evidence Kinghorn reframes our understanding of mental health care from fixing machines to attending fellow wayfarers on the way to the Lord's feast With gentle guidance and practical suggestions *Wayfaring* is an essential resource for pastors and practitioners as well as for Christians who seek mental health care *Descriptions and Prescriptions* Michael R. Emlet, 2017-09-04 As Christians we should neither blindly accept nor entirely dismiss psychiatric labels diagnoses and medicines that are prescribed to help those who are suffering *Descriptions and Prescriptions* provides a balanced biblically and scientifically informed approach that will help us understand and minister to those struggling with mental *Vast as the Sea* Samuel Hildebrandt, 2023 The poetry of the Old Testament articulates the painful experiences of being human *Vast as the Sea* shows how texts like Job Jeremiah and the Psalms provide honest and healing expressions for life's struggles This book is a rich resource for scholars and readers of the

Bible as well as for psychologists and pastoral counselors Hospitable Witnessing Priscilla Sun Kyung Oh, 2018-06-18 Drawing on her own experience of befriending a person suffering from a long term mental health challenge Priscilla Oh reflects on the meaning of care and friendship theologically Using autoethnography she goes beyond the personal experience and examines various issues surrounding mental health Hospitable Witnessing candidly takes readers into the everyday life of being with a mentally ill person There are emotional challenges and contingencies in sustaining friendship and caring for a person with a long term mental health problem Oh points out that those who care for a loved one during a long term illness inevitably experience burnout resulting from the constant care requirements Under such an enormous disruption we need to be compassionate toward another's suffering and be willing to be present and available for them This book suggests our need of one another and identifies three important Christian practices caring as we are being made in the image of God compassion as being present with the sufferer and lament as to revitalize our faith and hope *Our Only Hope* Margaret B. Adam, 2014-08-28 The most popular source of theological hope for modern Christians is that of Jurgen Moltmann Preachers teachers and lay people reflect Moltmann's influence with their hope in a this worldly eschatology and suffering God However an exclusive reliance on that hope deprives the church of crucial resources in the face of global economic environmental and military crises Our Only Hope explores Moltmannian hope and considers its costs before looking elsewhere for additional contributions from Thomas Aquinas theological virtue of hope to nihilism and beyond in order to encourage the church to sustain and practise hope in Jesus Christ our only hope **The God Who Rejoices** Christian D. Kettler, 2010-06-01 How does one deal with despair Are joy and despair irreconcilable How does the joy and despair of Jesus Christ relate to our joy and despair Continuing to explore the implications of the vicarious humanity of Christ as he did in The God Who Believes Christian Kettler investigates the christological implications of the all too human phenomenon of despair All people experience the pain of personal loss and lack of the meaningfulness of existence We also desire and covet joy as difficult as it is often to define or maintain Jesus was both the man of sorrows and one who for the joy set before him endured the cross Heb 12:2 Can we think of the despair of Christ and the joy of Christ as both being vicarious in our place and on our behalf and thus have a theological way to possess joy in the midst of despair as well as to have a more robust theology of the atonement Drawing on wide ranging resources from Augustine Calvin Karl Barth and T F Torrance to Bob Dylan the fantasy writer Ray Bradbury and Ed Wood the director of Plan Nine from Outer Space Kettler seeks to bring Trinitarian and incarnational theology deep into our flesh filled with real despair and joy and find that Jesus is there with his own despair there to lift us up with his own joy *Being Well When We're Ill* Marva J. Dawn, 2008-01-01 Offers advice to those coping with illness or a disability providing spiritual and practical suggestions for coping with such aspects of illness as physical pain regrets bitterness and loneliness **Saved by Faith and Hospitality** Joshua W. Jipp, 2017-08-21 Too few Christians today says Joshua Jipp understand hospitality to strangers and the marginalized as an essential part of the church's identity

In this book Jipp argues that God's relationship to his people is fundamentally an act of hospitality to strangers and that divine and human hospitality together are thus at the very heart of Christian faith Jipp first provides a thorough interpretation of the major biblical texts related to the practice of hospitality to strangers considering especially how these texts portray Christ as the divine host who extends God's welcome to all people Jipp then invites readers to consider how God's hospitality sets the pattern for human hospitality offering suggestions on how the practice of welcoming strangers can guide the church in its engagement with current social challenges immigration incarceration racism and more

Barriers and Belonging Michelle Jarman, Leila Monaghan, Alison Quaggin Harkin, 2017-02-11 What is the direct impact that disability studies has on the lives of disabled people today The editors and contributors to this essential anthology Barriers and Belonging provide thirty seven personal narratives that explore what it means to be disabled and why the field of disability studies matters The editors frame the volume by introducing foundational themes of disability studies They provide a context of how institutions including the family schools government and disability peer organizations shape and transform ideas about disability They explore how disability informs personal identity interpersonal and community relationships and political commitments In addition there are heartfelt reflections on living with mobility disabilities blindness deafness pain autism psychological disabilities and other issues Other essays articulate activist and pride orientations toward disability demonstrating the importance of reframing traditional narratives of sorrow and medicalization The critical self reflective essays in Barriers and Belonging provide unique insights into the range and complexity of disability experience

A Culture of Engagement Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection of Kaveny's articles from *Commonweal* magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational *A Culture of Engagement* is a welcome reminder of what can be gained when a diversity of

experiences and beliefs is brought to bear on American public life
