Brushing Up English to Learn Greek Peter S. Perry,2014-12-17 English may be the biggest obstacle to learning Greek Greek textbooks use jargon such as noun verb morphology and syntax which sometimes sounds foreign Many of us may remember them from grade school but the memories may now be foggy from time and disuse This book is written for hazy memories of English that need a brush up before learning Greek Different than other aids to learning Greek Brushing Up English to Learn Greek introduces verbal aspect to beginning students English emphasizes the time of an action but Greek emphasizes the point of view or aspect of an action This book helps students build a bridge of understanding between the different thought worlds of English and Greek

Armchair Algebra Michael Willers,2018-02-13 The principles of algebra were founded by al Khwarizmi many centuries ago in a time when mankind had no calculators computers or electronic gadgets There were no telephones and the only means of communication was by messenger on horseback and boat Yet the usefulness of algebra in almost every walk of life involving numbers has ensured not only its survival but also its continued development right up to the present day Armchair Algebra is a collection of problems some with a very practical application others designed as purely theoretical puzzles that will offer something of

interest to everyone Each section is written in an easy to follow format and guides the reader progressively through this fascinating subject Understand algebra and all other branches of mathematics and arithmetic will suddenly open up in front of you Armchair Algebra starts with a section of Algebra Basics which provides topic specific introductions to all of the basic theories and skills you ll need for the exercises contained throughout the book Each subsequent section consists of a combination of exercises profiles and background information on a range of fascinating subjects *Objective English Easy to Hots - Part I* T.
