Lemon-Aid New and Used Cars and Trucks 2007-2017 Phil Edmonston,2017-03-11 Dr Phil Canada s best known automotive expert invites another driver to come aboard After forty six years and almost two million copies sold Phil Edmonston is joined by a co pilot for the Lemon Aid Guide George Iny along with the editors of the Automobile Protection Association The 2017 Lemon Aid has everything an encyclopedic lineup of the best and worst cars trucks and SUVs sold since 2007 secret warranties and tips on the art of complaining to help you get your money back and new car buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add ons Lemon Aid is an essential guide for careful buyers and long time gear heads who don t know as much as they think **Lemon-Aid New Cars and Trucks 2011** Phil Edmonston,2010-11-11 As U S and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality control problems Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market Phil Edmonston Canada s automotive Dr Phil for more than 40 years pulls no punches In this all new guide he says Chrysler s days are numbered with the dubious help of Fiat Electric cars and ethanol power are PR gimmicks Diesel and natural gas are the future Be wary of zombie vehicles Jaguar Land Rover Saab and Volvo Mercedes Benz rich cars poor quality There s only one Saturn you should buy Toyota enough apologies when you mess up fess up The Karmic Car Cycles Cliff Livingstone,2009-08 The universally themed book titled The Karmic Car Cycles is a hilarious romp of car related misadventures by the author protagonist Cliff R Livingstone The book hits the ground running and is still running at the end Having led one of the wackiest most unusual and so far unlikely lives on the planet the author romps through these awesome and oftentimes unbelievable Karmic Car adventures at the rate of about ten laughs a second The author proposes that his car misadventures occurred because he had a Karmic Car Cycle going on He then builds the case though a series of hilarious vignettes that work in their right own over and above the narrative In writing it is hard to find an approach that stands out from the crowd But this is what Livingstone has done with this distinctive work which lives up to its billing as a non stop romp morning noon and night The writing style is uproariously funny conversational wry even whimsical at times and is never less than totally entertaining The book is anything but your standard bowl of cornflakes Writing is about addressing other people Mr Livingstone has accurately identified the things about his life s experiences which could be of interest to others This gives the Karmic Car Cycles a more universal appeal than an average straight forward narrative novel might offer The book also has a universal appeal which everyone can enjoy in the sense that while

located mainly in Canada the misadventures could just as easily have happened to anybody anywhere in the world whether rich poor male female sane zany or just plain still in their boots Likewise the author s self imposed criterion that all included material be entertaining and or thought provoking for the benefit of others is a rule from which many writers could benefit

Lemon-Aid Used Cars and Trucks 2012-2013 Phil Edmonston,2012-05-19 Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market U S automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda Nissan and Toyota have curtailed production following the 2011 tsunami in Japan Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012 so what should a savvy buyer do The all new Lemon Aid Used Cars and Trucks 2012 2013 has the answers including More vehicles rated with some redesigned models that don t perform as well as previous iterations downrated More roof crash worthiness ratings along with an expanded cross border shopping guide A revised summary of safety and performance related defects that are likely to affect rated models More helpful websites listed in the appendix as well as an updated list of the best and worst beaters on the market More secret warranties taken from automaker internal service bulletins and memos than ever
