Civil Justice For Victims Of Crime Civil Justice For Victims Of:

Rights for Victims of Crime Irvin Waller, 2010-12-16 When the victims of injustice lose faith in their justice system the crime they've endured cuts only deeper adding insult to injury The time has come to face the truth that most victims of crime will not have their needs met and often won't experience our systems of justice as just This short book makes its readers experts in advocating rights for victims of crime It empowers taxpayers voters and potential victims of crime to make the case to rebalance justice and support victims Written for the millions of victims of crime and their friends and families it helps to transform an antiquated system of criminal and civil justice into a modern system that is just and fair shifting from neglect to respect and support While some laws in the USA and elsewhere do support victims by providing assistance compensation and protection from the accused this book also sheds a harsh light upon their inadequate implementation Police services must catch crooks but make victims their client Courts must balance rights for defendants and victims Services for women children and elderly victims must be adequately funded Restitution from offenders must be ordered and collected not overlooked Fair compensation from the state must change from a secret to a given The prevention of victimization must be the budget priority not mass incarceration Despite the speeches and the United Nations norms governments still leave most victims of crime without basic information support and assistance let alone respect and remedies in courts If you are not yet one of those victims of crime social responsibility requires you to ensure that your country's systems of justice are fair to those who are and for them this book provides an answer **SEXUAL ASSAULT [RAPE]: Moving from Victim to Survivor** Lizzyvette Ramos MA, 2015-04-27 Sexual Assault Rape Moving from Victim to Survivor is a collection of facts that encompasses social psychological and legal aspects created to help you if you are a victim of sexual assault or if you are part of a vulnerable population college students sexual minorities military and human trafficking victims Also use this book if you are the family friend or professional caring for someone who has been sexually assaulted nurses physicians mental health providers advocates attorneys and law enforcement personnel The issue of sexual assault victimization is of great concern President Barack Obama has stated Perhaps most important we need to keep saying to anyone out there who has ever been assaulted you are not alone We have your back I've got your back The White House is responding to alarming sexual assault statistics in the United States especially among college students This book is a response to the White House's call to speak up support all survivors provide resources to students advocates and universities and educate the public on the realities of abuse Find strength with this book in the variety and relevance of topics covered The journey begins with a basic definition of sexual assault walking through the process of what to do after such an event and ending with how to help someone who has suffered a sexual assault Learn about victims rights responses reactions to sexual assault the forensic rape exam DNA evidence reporting law enforcement criminal justice system protection order sexual violence injunction financial help alcohol and drug facilitated rape and preventing victimization I try to balance just

the right amount of information and my professional experience to show you if you are a victim of sexual assault that you are not at fault and that you should feel free to seek the help you need and deserve Because of this common need to return to a normal life a first step is to acknowledge the pain you are undergoing in order to work through this traumatic experience This book can help Likewise professionals caring for the victim can gain a deeper understanding of the whole process of victimization and help the victim on the road to wholeness Family and friends can become better prepared to support someone they care about I leave this book in your hands which is the result of concise useful helpful understandable and practical information put together to help individuals be prepared for and become knowledgeable in the process of recovering from sexual victimization Justice for Victims Inge Vanfraechem, Antony Pemberton, Felix Ndahinda, 2014-06-27 Justice for Victims brings together the world's leading scholars in the fields of study surrounding victimization in a pioneering international collection This book focuses on the current study of victims of crime combining both legal and social scientific perspectives articulating both in new directions and questioning whether victims really do have more rights in our modern world This book offers an interdisciplinary approach covering large scale political victimization terrorist victimization sexual victimization and routine victimization Split into three sections this book provides in depth coverage of victims rights transitional justice and victims perspectives and trauma resilience and justice Victims rights are conceptualised in the human rights framework and discussed in relation to supranational international and regional policies The transitional justice section covers victims of war from those caught between peace and justice as well as post conflict justice The final section focuses on post traumatic stress connecting psychological and anthropological perceptions in analysing collective violence mass victimization and trauma This book addresses challenging and new issues in the field of victimology and the study of transitional and restorative justice As such it will be of interest to researchers practitioners and students interested in the fields of victimology transitional justice restorative justice and trauma work **The Victims of Crime Act** United States. Congress. Senate. Committee on the Judiciary, 2010 No Secrets No Lies Robin Stone, 2007-12-18 With a foreword by Joycelyn Elders M D No Secrets No Lies is a powerful and daringly honest resource guide for families seeking to understand prevent and overcome childhood sexual abuse and its devastating impact on adult survivors An estimated one in four women and one in six men is abused by age eighteen most often by someone they know Most of these sexual assaults are never disclosed much less reported to the police No Secrets No Lies demystifies the cultural taboos and social dynamics that keep Black families silent and enable abuse to continue for generations Among them Fear of betraying family by turning offenders in to the system Distrust of institutions and authority figures such as police officers Reluctance to seek counseling or therapy A legacy of enslavement and stereotypes about black sexuality Through compelling personal accounts from everyday people Robin D Stone a sexual abuse survivor herself illuminates the emotional psychological and hidden consequences of remaining silent and provides holistic practical steps to move toward healing No Secrets No Lies candidly speaks to survivors telling

them they are not at fault not alone and how they can seek help parents guardians and caretakers explaining how they can keep children safe and help survivors recover and family friends and other loved ones showing ways to lend support OVC Bulletin United States.
