This is a unique compilation of slang, nicknames, military jargon, and terminology, idioms, colloquialisms, and other words and expressions used and often originating during the American Civil War. This one-of-a-kind reference work will make it easy for readers to learn the origin and meaning of such Civil War terms as Buttermilk Rangers, jackstraws, Nassau, bacon, pumpkin, slinger, and stand the gaff. *Language of the Civil War* contains words originating during the American Civil War. Besides explaining terms and phrases no longer in use, the entries also provide the origins of many common expressions or the original meanings of many familiar sayings that have since changed meaning or connotation. Although many of the terms arose from the nature and needs of life in the military camps, others were in common use in civilian society across both the North and the South.
