sites for churches and the Celtic language as well as a place name index All three books provide easy access to useful genealogy sites While Howells strives for exhaustive coverage of genealogy links Schaefer offers very general site lists Though Howells s book comes with a solid price tag the purchase of each new and planned title in Schaefer s series would quickly rack up the same price or more Still for those who want only a brief focused guide Schaefer s books are an economical alternative Elaine M Kuhn Allen Cty P L Fort Wayne IN **Find Info Like a Pro** Carole A.
