Study Questions:

1. What were the different goals/aims for Reconstruction?
 - a. **Abraham Lincoln** (p. 197) – *Preserve the Union and end the Civil War as quickly as possible. He promised an easy Reconstruction in order to persuade southern states to surrender. Lincoln promised that if 10% of the people of a state would pledge their allegiance to the United States of America and ratify the 13th amendment, which abolished slavery, they could form a new state government, elect representatives to Congress and fully participate in the Union again.*
 - b. **Andrew Johnson** – *When Vice President Andrew Johnson became president he continued Lincoln's basic policy. However, Johnson's aim was also to humiliate the southern elite. He required southerners who owned large amounts of property to ask for a presidential pardon. Johnson wanted the elite southerners to acknowledge his power, but he granted pardons easily. While Congress was not in session, Johnson allowed southern states to form new state governments.*
 - c. **Congress (Radical Republicans)** (p. 197) – *Ensure that the Civil War had not been fought in vain and that the freed slaves would indeed be free. They refused to allow the former Confederates elected as senators and representatives by the southern states to take their seats in Congress. They passed a bill*
