

I had written him a letter which I had, for want of better  
knowledge, sent to where I had let down the bucket, years ago,  
the wet, shivering when I knew him, as I sent the letter to him,  
but 'no use', addressed to follow, 'Clancy of the Overflow'.

# Clancy of the Overflow

by Banjo Paterson

And an answer came directed to a writing computer  
(but I think the letter was written with a thumb-nail, signed in red)  
Then by shivering hands who wrote it, and sometimes I call upon it  
'Clancy's gone to Queensland shivering, and we don't know where he is!'
