Class Politics And The Radical Right:

Class Politics and the Radical Right Jens Rydgren, 2013 This volume which brings together the leading scholars within this field makes a unique contribution by focusing on the relationship between class politics and the radical right *The Radical Right* Daniel Bell, 2017-09-29 Two vivid sets of images epitomize the dramatic course of the American right in the last quarter of the twentieth century The main image is of a triumphant President Ronald Reagan reasonably viewed as the most effective president of recent decades A second set of images comes from the bombing of a government building in Oklahoma City by Timothy McVeigh a man linked to shadowy parts of the contemporary ultraright The roots of Reaganism are conservative intellectual and political movements of the 1950s and 1960s including currents that in those years were considered marginal and extremist The roots of the ultraright of the 1990s have intersecting though by no means identical sources Serious evaluation of the American right should begin with *The Radical Right* It describes the main positions and composition of distinctive forces on the right in the first half of the 1950s and the next decade It recognizes the right's vehement opposition to domestic and international Communism its sharp rejection of the New Deal and its difficulty in distinguishing between the two Bell's controversial point of departure is to regard the basic position of what he terms the radical right as excessive in its estimation of the Communist threat and unrealistic in its rejection of New Deal reforms From this starting point Bell and his authors evaluate the ways the right went beyond programs and the self-descriptions of its leaders and organizers *The Radical Right* explains McCarthyism and its successors in terms of conflicts over social status and the shape of American culture Daniel Bell focuses on the social dislocation of significant groups in the post New Deal decades Many members of these groups perceived themselves as dispossessed and victimized by recent changes even if it was not possible to regard them as having undergone any great suffering David Plotke's major new introduction discusses the book's argument McCarthyism *The Oxford Handbook of the Radical Right* Jens Rydgren, 2018-02-01 The resurgence of strong radical right wing parties and movements constitutes one of the most significant political changes in democratic states during the past several decades particularly in Europe The radical right's comeback has notably attracted interest from political scientists sociologists and historians although the majority of past research focuses on party and electoral politics In contrast *The Oxford Handbook of the Radical Right* not only covers existing literature but also shows how the radical right forms movements rather than parties Editor Jens Rydgren has gathered an international cast of contributors to cover concepts and definitions ideologies and discourses and a range of contemporary issues such as religion globalization gender and activism Further this volume is one of few to provide a number of cases focusing on areas outside of Europe including Russia the US Australia Israel and Japan By integrating various strands of scholarship on the radical right that covers different regions and different research perspectives this Handbook provides an authoritative and state of the art overview of the topic and will set the agenda for scholarship on the radical right for years to come *The Palgrave*

Handbook of Populism Michael Oswald, 2021-11-15 This handbook assesses the phenomenon of populism a concept frequently belabored but often misunderstood in politics Rising populism presents one of the great challenges for liberal democracies but despite the large body of research the larger picture remains elusive This volume seeks to understand the causes and workings of modern day populism and plumb the depths of the fears and frustrations of people who have forsaken established parties Although the main focus of this volume is political science there are more disciplines represented in order to get a whole picture of the debate It is comprised of strong empirical and theoretical papers that also bear social relevance

The Cambridge Handbook of Political Psychology Danny Osborne, Chris G. Sibley, 2022-02-24 The Cambridge Handbook of Political Psychology provides a comprehensive review of the psychology of political behaviour from an international perspective Its coverage spans from foundational approaches to political psychology including the evolutionary personality and developmental roots of political attitudes to contemporary challenges to governance including populism hate speech conspiracy beliefs inequality climate change and cyberterrorism Each chapter features cutting edge research from internationally renowned scholars who offer their unique insights into how people think feel and act in different political contexts By taking a distinctively international approach this handbook highlights the nuances of political behaviour across cultures and geographical regions as well as the truisms of political psychology that transcend context Academics graduate students and practitioners alike as well as those generally interested in politics and human behaviour will benefit from this definitive overview of how people shape and are shaped by their political environment in a rapidly changing twenty first century

Ontological Insecurities and the Politics of Contemporary Populism Brent J. Steele, Alexandra Homolar, 2023-05-31 This book explores contemporary populist politics through the lens of ontological security theory It shows that the divisionary politics of populism is fostered by narratives of crisis and insecurity surrounding the imagined Self that gives shape to the people that populism claims to represent The loss of faith in mainstream political parties and moderate electoral candidates seems characteristic of the Zeitgeist in much of the Western world and beyond Politicians and agendas propped up by a discourse that antagonizes established political elites on behalf of a reified and homogenized people has become a trend in the politics of several countries This book has brought together a team of worldwide renowned specialists on ontological security to grapple with the contemporary populist challenge through the conceptual lens of ontological security theory From crises of democracy in the West to backlashes against democratization in the Global South this collection not only unveils fundamental structures underpinning these significant and current phenomena It also provides us with the analytical tools to understand other occurrences of populist politics that are gaining traction across the globe This book will be of great interest to upper level students researchers and academics in Politics International Relations and Security The chapters in this book were originally published as a special issue of Cambridge Review of International Affairs

Europe's Prolonged Crisis Virginie Guiraudon, Carlo Ruzza, Hans-Jörg Trenz, 2016-04-29 This collection presents a

political sociology of crisis in Europe Focusing on state and society transformations in the context of the 2008 financial crisis and its aftermath in Europe it observes a return of redistributive conflicts that correlates with a new politics of identity nationalism regionalism and expressions of Euroscepticism

The Oxford Handbook of Populism Cristóbal Rovira Kaltwasser, Paul A. Taggart, Paulina Ochoa Espejo, Pierre Ostiguy, 2017-10-26 Populist forces are becoming increasingly relevant across the world and studies on populism have entered the mainstream of the political science discipline However so far no book has synthesized the ongoing debate on how to study the populist phenomenon This handbook provides state of the art research and scholarship on populism and lays out not only the cumulated knowledge on populism but also the ongoing discussions and research gaps on this topic The Oxford Handbook of Populism is divided into four sections The first presents the main conceptual approaches on populism and points out how the phenomenon in question can be empirically analyzed The second focuses on populist forces across the world and includes chapters on Africa Australia and New Zealand Central and Eastern Europe East Asia India Latin America the Post Soviet States the United States and Western Europe The third reflects on the interaction between populism and various relevant issues both from a scholarly and political point of view Amongst other issues chapters analyze the relationship between populism and fascism foreign policy gender nationalism political parties religion social movements and technocracy Finally the fourth part includes some of the most recent normative debates on populism including chapters on populism and cosmopolitanism constitutionalism hegemony the history of popular sovereignty the idea of the people and socialism The handbook features contributions from leading experts in the field and is indispensable positioning the study of populism in political science

Nostalgia and Hope: Intersections between Politics of Culture, Welfare, and Migration in Europe Ov Cristian Norocel, Anders Hellström, Martin Bak Jørgensen, 2020-06-02 This open access book shows how the politics of migration affect community building in the 21st century drawing on both retrogressive and progressive forms of mobilization It elaborates theoretically and shows empirically how the two master frames of nostalgia and hope are used in local national and transnational settings in and outside conventional forms of doing politics It expands on polarized societal processes and external events relevant for the transformation of European welfare systems and the reproduction of national identities today It evidences the importance of gender in the narrative use of the master frames of nostalgia and hope either as an ideological tool for right wing populist and extreme right retrogressive mobilization or as an essential element of progressive intersectional politics of hope It uses both comparative and single case studies to address different perspectives and by means of various methodological approaches the manner in which the master frames of nostalgia and hope are articulated in the politics of culture welfare and migration The book is organized around three thematic sections whereby the first section deals with right wing populist party politics across Europe the second section deals with an articulation of politics beyond party politics by means of retrogressive mobilization and the third and last section deals with emancipatory initiatives beyond party politics as well

Populism and Key Concepts in Social and Political Theory, 2023-07-31 This volume aims to generate a dialogue between scholarship on populism and social and political theory It focuses on citizenship class gender cleavages sovereignty accountability participation leadership and parties The volume explores how classical and current theorists developed these categories how they were used by scholars of populism and what populism tells us about their heuristic advantages and limitations The authors of this book have studied populism in Europe the US and Latin America from distinct perspectives The chapters thus focus on experiences in both the Global North and South Contributors are Cecilia Biancalana Paula Diehl Reinhard Heinisch Klaudia Koxha Alfio Mastropaolo Oscar Mazzoleni Enrique Peruzzotti Kenneth M Roberts Luis Roniger and Carlos de la Torre Populism and Key Concepts in Social and Political Theory is now available in paperback for individual customers

European Politics Tim Bale, 2017-04-28 A fully revised fourth edition of a popular introduction to the comparative politics of Europe written by a highly respected authority on the subject This lively and thematically organised text provides an accessible guide to the institutions and the issues that matter in a continent where the boundaries between East and West and between domestic and European affairs are increasingly breaking down Covering a wide array of countries it is a concise yet comprehensive overview of one of the world's most important and fascinating regions Written in an approachable style and packed with up to date real world examples and information this is the ideal place for students to begin and to deepen their understanding of Europe's politics It can be adapted as a standalone text on modules on Comparative European Politics and will be of use as a key reading on undergraduate courses on Comparative Politics more broadly as well as European Union Politics New to this Edition Updated throughout to provide coverage of developments such as the Eurozone crisis the growth of left and right wing populism the rise of nationalism and Europe's on going immigration challenge Includes a short concluding chapter rounding up and considering the future of the book's core themes of Europeanization and multilevel governance Additional country profiles on Croatia and Greece to ensure representative treatment of the key countries in Europe today

Welfare Democracies and Party Politics Philip Manow, Bruno Palier, Hanna Schwander, 2018-04-19 Europe's political landscapes are in turmoil and new radical parties challenge the established political order This book locates Europe's contemporary challenges within the longer economic and political trajectories of its welfare democracies The book argues that it is imperative to understand the specific structures of political competition and voter party links to make sense of the political and economic turmoil of the last decades In four distinct European welfare democracies Nordic Continental Southern and Anglo Saxon the political economy the party system and the structure of the political space are co determined in a specific way Accordingly different packages of policies and politics and distinct patterns of alignment between core electoral groups and political parties exist in the four welfare democracies and shape the reactions of European welfare democracies to the current turmoil This volume provides an analytical framework that links welfare states to party systems combining recent contributions to the comparative political economy of the welfare state and

insights from party and electoral politics It states three phenomena First concerning electoral politics the book identifies a certain homogenization of European party systems the emergence of a new combination of leftist socio economic and rightist socio cultural positions in many parties and finally the different electoral success of the radical right in the north of Europe and of the radical left in the south Secondly the contributions to this book indicate a confluence toward renewed welfare state support among parties and voters Thirdly it demonstrates that the Europeanization of political dynamics combined with incompatible growth models has created pronounced European cleavages

Authoritarianism and the Evolution of West European Electoral Politics Erik R. Tillman, 2021-07-22 Authoritarianism and the Evolution of West European Electoral Politics provides a novel explanation of rising Euroscepticism and right wing populism in Western Europe The changing political and cultural environment of recent decades is generating an ongoing realignment of voters structured by authoritarianism which is a psychological disposition towards the maintenance of social cohesion and order at the expense of individual autonomy and diversity High authoritarians find the values and demographic changes of the past several decades a threat to social cohesion which has created an opportunity for PRR parties to gain their support by campaigning against these perceived threats to national community posed by immigration values change and European integration The result is a worldview evolution in which party conflict is shaped by the rival preferences of high and low authoritarians Drawing on national and cross national survey data as well as an original survey experiment this book demonstrates how the relationship between authoritarianism and 1 attitudes towards the EU and 2 voting behaviour has evolved since the 1990s In doing so this book advances these literatures by providing an explanation for why certain voters are shifting towards PRR parties as electoral politics realigns

The Oxford Handbook of Electoral Persuasion Elizabeth Suhay, Bernard Grofman, Alexander H. Trechsel, 2020 Electoral persuasion is central to democratic politics It includes strategic communication not only by candidates and parties but also by interest groups media and citizens This volume surveys the vast literature on this topic emphasizing contemporary research and topics and complementing deep coverage of U S politics with international perspectives

Sovereignism and Populism Linda Basile, Oscar Mazzoleni, 2021-12-19 At a time when populism and appeal for national and popular sovereignty are on the rise in Europe the USA and beyond this volume proposes a new research agenda in political science that focuses on the linkages between populist and sovereignism in Europe The book's core question is to know and describe whether how and to what extent populism has been able to articulate the calls for taking back control of the national borders and authority by looking at both the demand and supply sides Through compelling empirical analyses the authors offer fresh data and theoretical insights on the determinants of the support for sovereigntist claims and its impact on voting choices as well as on the features of the sovereigntist discourse in populist parties Coupled with the growing electoral success of party based populism sovereignism actually poses challenges to the ongoing processes of supranational integration This urges a timely rethinking of democratic politics and calls for far sighted alternatives to

taking back control to address the impact of globalisation and regionalisation on contemporary societies The chapters in this book were originally published as a special issue of the journal *European Politics and Society* **Classless Politics** Hesham Sallam, 2022-10-25 Since the 1970s the Egyptian state has embarked on a far reaching and destabilizing project of economic liberalization reneging on its commitments to social welfare Despite widespread socioeconomic grievances stemming from these policies class politics and battles over wealth redistribution have largely been sidelined from elite led national politics Instead conflicts over identity have raged as Islamist movements became increasingly prominent political players *Classless Politics* offers a counterintuitive account of the relationship between neoliberal economics and Islamist politics in Egypt that sheds new light on the worldwide trend of more identity less class Hesham Sallam examines why Islamist movements have gained support at the expense of the left even amid conflicts over the costs of economic reforms Rather than highlighting the stagnancy of the left or the agility of Islamists he pinpoints the historical legacies of authoritarian survival strategies As the regime resorted to economic liberalization in the 1970s it tacitly opened political space for Islamist movements to marginalize its leftist opponents In the long run this policy led to the fragmentation of opponents of economic reform the increased salience of cultural conflicts within the left and the restructuring of political life around questions of national and religious identity Historically rich and theoretically insightful this book demonstrates how the participation of Islamist groups shapes the politics of neoliberal reform and addresses why economic liberalization since the 1970s has contributed to the surge in culture wars around the world today *Varieties of Populism in Europe in Times of Crises* Manuela Caiani, Paolo Graziano, 2021-03-26 Populism is booming across all the nuances of the political spectrum It occupies relevant positions in national parliaments in governmental coalitions with mainstream parties or as successful challengers of the political status quo This volume sheds new light on the topic from different methodological and theoretical angles and offers evidence from a variety of cases on the why and how questions on populism s emergence and consolidation in Europe over the past 30 years The volume composed of eight chapters investigates how different populist parties in the European Union have been affected by the various crises disentangling the role of the Great Recession vis vis other factors such as political and party system factors but also structural social changes or cultural opportunities in the growing strength of populist parties in various European countries More specifically the volume aims are to promote critical discussion on the concept of populism reflecting on its conceptual usability beyond the traditional party families to which it is usually related use a preliminary theoretical clarification to shed new light on the different ways in which populism has been articulated in the various European countries either in Continental and Southern Europe or in the lesser known and studied East Central countries since the economic crisis which has acted as an external shock for many party systems either giving birth to new political actors or consolidating existing ones investigate the connections between populism and the national contextual political and cultural specificities that can determine the development of different types of populisms across countries elaborating on

different configurations of triggering conditions for populism and reflecting on the limitations of a discrete conceptualisation of the phenomenon The chapters in this book were originally published as a special issue of West European Politics

Politics of National Identity in Italy Eva Garau,2014-12-17 This book focuses on the politics of national identity in Italy Only a unified country for just over 150 years Italian national identity is perhaps more contingent than longer established nations such as France or the UK The book investigates when how and why the discussions about national identity and about immigration became entwined in public discourse within Italy In particular it looks at the most influential voices in the debate on immigration and identity namely Italian intellectuals the Catholic Church the Northern League and the Left The methodological approach is based on a systematic discourse analysis of official documents interviews statements and speeches by representatives of the political actors involved In the process the author demonstrates that a normalisation of intolerance towards foreigners has become institutionalised at the heart of the Italian state This work will be of particular interest to students of Italian Politics Nationalism and Comparative Politics

The Routledge Handbook of Political Parties Neil Carter,Daniel Keith,Gyda M. Sindre,Sofia Vasilopoulou,2023-04-25 The Routledge Handbook of Political Parties provides a systematic and comprehensive overview of the study of political parties provided by leading experts in the field In an era of widespread political disillusionment political parties are often the main targets of citizen dissatisfaction yet they are the key institutions that make democracy work Analysing political parties in unrivalled depth and breadth with comparative thematic chapters throughout as well as a dedicated section on political parties and party politics in specific country and regional settings this handbook examines and illuminates the key questions around how parties organise how their ideologies have evolved over time their relationship with society how they differentiate themselves and how they respond to new social economic and political developments The Routledge Handbook of Political Parties is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of political parties party systems and party politics

European Party Politics in Times of Crisis Swen Hutter,Hanspeter Kriesi,2019-06-27 A study of party competition in Europe since 2008 aids understanding of the recent often dramatic changes taking place in European politics

Class Politics And The Radical Right Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Class Politics And The Radical Right free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Class Politics And The Radical Right free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Class Politics And The Radical Right free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Class Politics And The Radical Right. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Class Politics And The Radical Right any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Class Politics And The Radical Right Books

1. Where can I buy Class Politics And The Radical Right books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
