Equal Protection and the African American Constitutional Experience Robert P. Green, 2000-05-30 Trace the roots of the concept of equal protection from the American Revolution and the formation of the Constitution through its application today using this collection of 177 primary documents from a variety of sources Students can use this unique reference resource to examine the tension between the concept of equal protection and recognition of slavery in the constitutional order to explore the devitalization and revitalization of the 14th and 15th Constitutional amendments from the era of Jim Crow through the Civil Rights movement and to study current court rulings on equal protection of the law Petitions laws court decisions personal accounts and a

variety of other documents bring to life the experiences of African Americans in the American constitutional order Five historical periods are explored with particular emphasis on the concept of equal protection of the law and its particular embodiment in the 14th Amendment These include the roots of the concept of equal protection in the Anglo American experience the lives of African Americans under a Constitution that incorporated equal protection yet recognized slavery the 14th and 15th Amendments and the development of Jim Crow 20th century developments in the application of equal protection to race and the accomplishments of the Civil Rights movement and developments since that time The introductory and explanatory text helps readers understand the nature of the conflicts the issues being litigated and the social and cultural pressures that shaped each debate This welcome resource will provide students with the opportunity to understand the various arguments put forth in different debates encouraging readers to consider all sides when drawing their own conclusions

Where Do We Go from Here? Mark Major, 2010-03-19 Progressive politics has long been in crisis in the United States As the radical Left realizes the dire consequences of defining themselves solely by what they are against this collection challenges leading engaged academics and activists to show how radical politics can lead to a more fruitful democracy Dealing with pressing issues of the day such as health care race immigration religion foreign policy unions feminism liberalism education and the media this edited volume looks at the prospects for a progressive turn in U S politics In doing so it hopes to inspire the radical imagination by showing where we can go from here As technology continues to enable greater access to ideas around the world the power of intellectuals is greater than ever And given that the world is full of crushing poverty sexism uneven development environmental degeneration religious fanaticism racism and imperialism the need for intellectuals to inspire the radical imagination by championing principles of economic and social justice democracy and universality is also greater than ever However political visions are required to guide that struggle This is the aim of this book

Realizing Roma Rights Jacqueline Bhabha, Andrzej Mirga, Margareta Matache, 2017-03-16 Realizing Roma Rights investigates anti Roma racism and documents a growing Roma led political movement engaged in building a more inclusive and just Europe The book brings to the forefront voices of leading and emerging Romani scholars from established human rights experts to policy and advocacy leaders with deep experience Realizing Roma Rights offers detailed accounts of anti Roma racism political and diplomatic narratives chronicling the development of European and American policy and critical examination of Roma related discourse and policies in contemporary Europe It also investigates the complex role of the European Union as a driver of progressive change and a flawed implementer of fundamental rights This book will provide a useful source for those interested in the dynamics of contemporary stigma and discrimination the enduring challenges of

mobilizing within severely disempowered communities and the complexities of regional and transnational human rights mechanisms Spanning as it does a broad disciplinary range that encompasses law history sociology political theory critical race theory human rights organization theory and education Realizing Roma Rights is a useful teaching tool for interdisciplinary courses on human rights racism and xenophobia political theory European studies and minority issues Contributors Jacqueline Bhabha James A Goldston Will Guy Fernando Mac as David Mark Teresa Sord Mart Margareta Matache David Meyer Andrzej Mirga K lm n Mizsei Krista Oehlke Alexandra Oprea Elena Rozzi Erika Schlager Michael Uyehara Peter Vermeersch *A Spectacular Leap* Jennifer H. Lansbury, 2014-04-01 When high jumper Alice Coachman won the high jump title at the 1941 national championships with a spectacular leap African American women had been participating in competitive sport for close to twenty five years Yet it would be another twenty years before they would experience something akin to the national fame and recognition that African American men had known since the 1930s the days of Joe Louis and Jesse Owens From the 1920s when black women athletes were confined to competing within the black community through the heady days of the late twentieth century when they ruled the world of women s track and field African American women found sport opened the door to a better life However they also discovered that success meant challenging perceptions that many Americans both black and white held of them Through the stories of six athletes Coachman Ora Washington Althea Gibson Wilma Rudolph Wyomia Tyus and Jackie Joyner Kersee Jennifer H Lansbury deftly follows the emergence of black women athletes from the African American community their confrontations with contemporary attitudes of race class and gender and their encounters with the civil rights movement Uncovering the various strategies the athletes use to beat back stereotypes Lansbury explores the fullness of African American women s relationship with sport in the twentieth century **The Civil Engineer and Architect's Journal** ,1853 **The Civil Engineer and Architect's Journal** William Laxton, 1853 Social Systems Theory and Judicial Review Katayoun Baghai, 2016-03-03 This book demonstrates the empirical gains and integrative potentials of social systems theory for the sociology of law Against a backdrop of classical and contemporary sociological debates about law and society it observes judicial review as an instrument for the self steering of a functionally differentiated legal system This allows close investigation of the US Supreme Court s jurisprudence of rights both in legal terms and in relation to structural transformations of modern society The result is a thought provoking account of conceptual and doctrinal developments concerning racial discrimination race based affirmative action freedom of religion and prohibition of its establishment detailing the Court s response to boundary tensions between functionally differentiated social systems Preliminary examination of the European Court of Human Rights privacy jurisprudence suggests the pertinence of the analytic framework to other rights and jurisdictions This contribution is particularly timely in the context of increasing appeals to fundamental rights around the world and the growing role of national and international high courts in determining their concrete meanings *All of This Music Belongs to the Nation*

Kenneth J. Bindas, 2016-08-23 Established in 1935 under the aegis of the Works Progress Administration the Federal Music Project FMP was designed to employ musicians who were hard hit by the economic devastation of the Great Depression All of This Music Belongs to the Nation is the first book length study of the FMP and the many paradoxes and conflicts that marked its four year existence As Kenneth J Bindas points out the FMP leadership was more conservative than that of the sister projects in art theater and writing Its stated aim of raising the taste of musicians and citizens alike created a particular problem Although many unemployed musicians came from the sphere of popular music such as jazz and Tin Pan Alley the FMP chose to emphasize cultured music particularly the orchestral works of composers in the European classical tradition Inevitably this created tension within the project as those musicians deemed popular received second class treatment and in the case of racial and ethnic minorities were segregated and stereotyped Despite these troubles Bindas demonstrates the FMP succeeded in bringing music to millions of listeners across the country Bulletin of the Atomic Scientists ,1955-04 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world
