The Russian Revolution and Civil War 1917-1921 Jonathan

Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

The Thirty-seventh North Carolina Troops Michael C.

Hardy, 2003-01-01 North Carolina contributed more of her sons to the Confederate cause than any other state. The 37th North Carolina made up of men from the western part of the state served in famous battles like Chancellorsville and Gettysburg as well as in lesser known engagements like Hanover Courthouse and New Bern. This is the account of the unit's four years service told largely in the soldiers' own words. Drawn from letters, diaries, and postwar articles and interviews, this history of the 37th North Carolina follows the unit from its organization in November 1861 until its surrender at Appomattox. The book includes photographs of the key players in the 37th's story as well as maps illustrating the unit's position at several engagements. Appendices include a complete roster of the unit and a listing of individuals buried in large sites such as prison cemeteries. A bibliography and index are also included.

[The National Tribune Civil War Index](#) Richard Sauers, 2017-07-19

The National Tribune was the premier Union veterans newspaper of the post-Civil War era. Launched in 1877 by a New York veteran to help his comrades and sway Congress to pass better pension laws, a short time later the National Tribune began publishing firsthand accounts penned by the veterans themselves and did so for decades thereafter. This rich, overlooked, and underused source of primary material offers a gold mine of eyewitness accounts of battles, strategy, tactics, camp life, and much more. From generals to privates, the paper printed articles and long serials on everything from major battles such as Gettysburg and Antietam to arguments about which battery fired the shot that killed General Leonidas Polk, whether Grant's army was surprised at Shiloh, and just about every topic in between. Unbeknownst to many, a number of Confederate accounts were also published in the paper. Decades in the making, Dr. Rick Sauers' unique multi-volume reference work, *The National Tribune Civil War Index: A Guide to the Weekly Newspaper Dedicated to Civil War Veterans 1877-1943*, lists every article 1877-1943. The first two volumes are organized by author, his unit title, and page/column location. The third volume, the main index, includes a subject, author, and unit guide as well as a Unit as Sources index that lists articles that mention specific commands but are written by soldiers who were not members of that unit. As an added bonus, this reference guide includes the contents of both the National Tribune Scrapbook and the National Tribune Repository, two short-lived publications that

included articles by veterans and a listing of the major libraries that have National Tribune holdings Thanks to Dr Sauers Civil War researchers and writers worldwide now have easy access to the valuable contents of this primary source material
