Schwartz, 2016 Buy a new version of this Connected Casebook and receive ACCESS to the online e book practice questions from your favorite study aids and an outline tool on CasebookConnect the all in one learning solution for law school students CasebookConnect offers you what you need most to be successful in your law school classes portability meaningful feedback and greater efficiency Civil Procedure is written by one of the leading voices on

Procedure Stephen Yeazell who for this Ninth Edition is joined by his colleague Joanna Schwartz. Yeazell and Schwartz employ a pedagogical style that offers flexible organization at a manageable length. The book gives students a working knowledge of the procedural system and introduces the techniques of statutory analysis. The cases selected are factually interesting and do not involve substantive matters beyond the experience of first year students. The problems following the cases present real life issues. Finally, the book incorporates a number of dissenting opinions to dispel the notion that most procedural disputes present clear cut issues.

**Key Features of the New Edition:** Procedures as Strategy Notes: brief notes enabling students to see how lawyers use procedural tools to implement litigation strategy. Assessment Questions: each chapter ends with series of brief questions allowing students to test their comprehension of basic concepts. New Material on Erie pleading, discovery, arbitration, preclusion, class actions, and joinder. Updated companion Statutory and Case Supplement. Available as an e-book and print book. CasebookConnect features ONLINE E BOOK. Law school comes with a lot of reading so access your enhanced e book anytime anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS: Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash, flashcards, and other best selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL: Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e book into an editable format to accelerate your outline creation and increase study time later in the semester.

*Introduction to Civil Procedure* Richard D. Freer, 2006. Summary: This lively accessible student treatise breaks down the complex principles of civil procedure into small easily digested bites then builds them back up into a comprehensive model for students. Both students and instructors will appreciate these important features of Freer's method: covers all of the major topics in civil procedure making the book suitable for use with any casebook; each chapter opens with a Defining the Issue section that clearly explains the major concepts, provides context in commonsensical terms, and explains how the topics in the chapter differ from but fit in with other topics; integrates the topics of the course and emphasizes overarching issues to help students fit the smaller pieces in the larger picture; for example, a student might understand the individual concepts of personal jurisdiction, subject matter jurisdiction, and venue but not see that these three tie into one overarching issue; selection of a court; easily spotted bulleted lists provide hypotheticals for especially difficult principles such as aggregation and supplemental jurisdiction that show students how to apply the doctrine and rules to the facts.
