(Snapshot) (Chapter – 1) (The Summer of Beautiful White Horse) (Important Questions)  
(Class – XI)

## Question 1:

Why Aram does not believe his eyes when he saw Mourad in one summer morning?

### Answer 1:

Aram had never seen Mourad so early in the morning. Mourad was sitting on a white horse. Aram felt he is dreaming because horse ride had always been his dream but from the poor family he comes from, it was a dream comes true. It took a few moments for Aram to understand that he is not dreaming, instead Mourad is actually sitting in front of him.

## Question 2:

Was it safe for Mourad to tell Aram about the white horse?

### Answer 2:

It was no big deal for him to tell Aram everything about the horse, the kind of man Mourad was. He was a lively person who lived a cool life. He was considered the natural descendant of a man from San Joaquin Valley who was famous for living life like a king. He was first tempted to ride Aram and then he subdued it as he wanted. Even if Aram would have refused to go with him, he was not afraid of his theft because even the Mourad had perfection in speaking lies.

## Question 3:

What was famous about the Garoghlanian family?

### Answer 3:

The Garoghlanian family was an Armenian tribe. As narrated by William Saroyan, this tribe's hallmarks were trust and honesty. They could think of deceiving anybody in the world. Some eleven centuries ago it was the wealthiest tribe in that part of the world but today they are famous for their poverty. The tribe descendants are carrying forward the centuries-old tradition of honesty.

## Question 4:

According to Aram, what was the definition of stealing a horse?

### Answer 4:

Aram had a passion for riding a horse, so despite knowing that the horse was stolen and no one in his family history had ever done it, still he agreed to do so. This is because he had assumed that if we are not selling the horse to someone then it will not be considered stolen. Therefore, the definition of theft was to sell the goods to someone else.

## Question 5:

With whom Mourad compared to and why?

### Answer 5:

Mourad started singing as soon as the speed of the horse increased, which shows that he was enjoying his ride very much. The story depicts that there is a crazy streak in every family and there was a Mourad in Aram's family. He was the natural descendant of Uncle Khosrove who was huge and spoke loud. He never
