Food in China Frederick J. Simoons, 2014-03-18 This volume is a study of Chinese food from a cultural and historical perspective Its focus is on traditional China before establishment of the People s Republic It identifies and provides comprehensive information on a broad range of Chinese food plants and animals for general readers as well as for specialists whose interests have led them to Outlaw Cook John Thorne, Matt Lewis Thorne, 1994-10-31 In essays ranging from his earliest cooking lessons in a cold water walk up apartment on New York s Lower East Side to opinions both admiring and acerbic on the food writers of the past ten years John Thorne argues that to eat exactly what you want you have to make it yourself Thorne tells us how he learned to cook for himself the foods that he likes best to eat and following along with him can make you so hungry that his simple suggestive recipes will inspire you to go into the kitchen and translate your own appetite into your own supper MICHELIN Guide New York City 2014 Michelin, 2013-10-02 Locals and travelers looking for great places to have a meal reach for the MICHELIN Guide New York City 2014 where they ll find meticulously researched objective recommendations to approximately 950 delicious restaurants in the Big Apple a city where cuisine reigns supreme The MICHELIN Guide updated annually pleases all palates and pocketbooks Recession proof dining options can be found among the Under 25 restaurants and those with the Bib Gourmand designation a distinction that highlights inspectors favorites for good food at reasonable prices Local anonymous professional inspectors use the renowned Michelin food star rating system to create the restaurant selection with its famed Michelin stars indicating culinary excellence Readers will find a wealth of helpful information on their restaurant choices time tested Michelin symbols describe such features as cash only wheelchair accessible and valet parking establishments Newer symbols include restaurants specializing in dim sum and offering notable beer wine sake and cocktail lists The guide s organization makes fast work of deciding where and what to eat grouping by neighborhood facilitates spur of the moment decision making while multiple user friendly indexes inspire more specific dining choices Readers can consult an alphabetical list of restaurants as well as lists of starred Bib Gourmand and Under 25 restaurants Lists also include cuisine by category cuisine by neighborhood brunch and late night dining As a final step 24 colorful city and neighborhood maps quickly locate restaurants so diners can find their way Since only the best make the cut and all establishments are recommended readers can feel confident in their choices

Chop Suey, USA Yong Chen, 2014-10-28 American diners began flocking to Chinese restaurants more than a century ago making Chinese cuisine the first mass consumed food in the United States By 1980 it had become the country s most popular ethnic cuisine Chop Suey USA is the first comprehensive analysis of the forces that made Chinese food ubiquitous in the American gastronomic landscape and turned the country into an empire of consumption Chinese food s transpacific migration and commercial success is both an epic story of global cultural exchange and a history of the socioeconomic

political and cultural developments that shaped the American appetite for fast food and cheap labor in the nineteenth and twentieth centuries Americans fell in love with Chinese food not because of its gastronomic excellence They chose quick and simple dishes like chop suey over China's haute cuisine and the affordability of such Chinese food democratized the once exclusive dining out experience for underprivileged groups such as marginalized Anglos African Americans and Jews The mass production of food in Chinese restaurants also extended the role of Chinese Americans as a virtual service labor force and marked the racialized division of the American population into laborers and consumers The rise of Chinese food was also a result of the ingenuity of Chinese American restaurant workers who developed the concept of the open kitchen and popularized the practice of home delivery They effectively streamlined certain Chinese dishes turning them into nationally recognized brand names including chop suey the Big Mac of the pre McDonald's era Those who engineered the epic tale of Chinese food were a politically disfranchised numerically small and economically exploited group embodying a classic American story of immigrant entrepreneurship and perseverance
