Contagious Disciple Making

Matt Rhodes

Contagious Disciple Making:

Contagious Disciple Making David Watson, Paul Watson, 2014-12-23 It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church growth products that focus on quick results, contagious disciple making takes time to cultivate spiritual leadership, resulting in lasting disciple making movements. Through *Contagious Disciple Making*, readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field; Practical techniques to equip others to make disciples. *Missional Life in Practice and Theory* Christopher L. Flanders, Greg McKinzie, 2024-01-19 Few missiologists have impacted mission theory and practice among Churches of Christ as significantly as has Dr. Gailyn Van Rhee. Yet his global missiological influence has extended far beyond the boundaries of his denominational heritage. This *Festschrift* in honor of Gailyn Van Rhee contains original missiological contributions from colleagues and former students. Most chapters were presentations at the inaugural Gailyn Van Rhee Sessions in Mission and World Christianity at the 2021 Christian Scholars Conference in Nashville, Tennessee. The volume is organized to parallel the phases of Van Rhee's career: Africa, academic missiology, and Mission Alive, a North American church planting organization. His legacy is one that wonderfully embodies critical theory and robust practice. **No Shortcut to Success** Matt Rhodes, 2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry. Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious, and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes? In *No Shortcut to Success*, author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short-term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship, the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn't rush evangelism; they spent time studying Scripture, mastering foreign languages, and building long-term relationships. Rhodes explains that modern missionaries' emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help. He also warns against

underestimating the value of individual skill and effort under the guise of getting out of the Lord's way and empowers Christians with practical biblical steps to proactively engage unreached groups

Extending Mercy to the Gentiles John P. Harrigan, 2023-10-13 Paul's discipleship agenda was defined by his native Jewish apocalyptic worldview The novelties of his thought namely the death of Israel's Messiah the unique gift of God's Spirit and the intentional mission to the gentiles seem to be framed within the common Jewish eschatological parameters of the day of the Lord the judgment the resurrection of the dead and the messianic kingdom Moreover for Paul this eschatology was the primary driver of discipleship comforting in the midst of tribulation anchoring the gifts of the Spirit and informing divine mission Paul thus discipled the gentiles into the hope of Israel

Handbook on Postconservative Theological Interpretation Ronald T. Michener, Mark A. Lamport, 2024-10-24 Postconservative theology may be said to parallel with postliberal theology at its best Orthodox biblical but open to new insights about how to interpret Scripture But the new insights must be faithful as well as fresh Postconservative theology is not the same as progressive theology which tends to lean toward indeterminant faith expressions whereas postconservative allows for particular faith commitments and expressions but understands that the constructive task of theology is never finished Authors emphasize various interpretive theological lenses used for doing theology among various postconservative theologians rather than emphasizing the philosophical background to hermeneutical theory present in other works such as past influential thinkers including Gadamer Grondin Ricoeur Heidegger etc This resource could also function as a companion to Evangelical Theological Method Five Views 2018 This emphasis of the chapters will not be on the nuts and bolts of how to interpret but rather on the theological impulses that govern various lenses Bible cultural context etc for doing theology and the way Scripture functions with respect to the practice of interpretation

Spent Matches Roy Moran, Refraction, 2015-07-07 Spent Matches explores the possibility that a few small paradigm shifts within the church might make the difference between extinction and effectiveness In fact taking a clue from the automobile industry the church might be able to not only halt the rapid decay in attendance but also become an effective tool in achieving Jesus final command For instance the Hybrid car has become the answer to Detroit's

environmental and oil crisis issues Finding the synergy between two technologies gas and electric has created a new day for the auto industry Likewise Spent Matches explores how the church can find synergy between two seemingly competing thoughts an invitation to come and a command to go The Hybrid metaphor brings energy to the church's mission and an explanation to the age old argument of Missional versus Attractional methods Features include Innovative ideas for growing the church Methods to reach those who may never have attended church Scripture passages that touch on the subject of church growth

Reading Hebrews Missiologically Abeneazer G. Urga, Edward L. Smither, Linda P. Saunders, 2023-02-28

Gaining New Insights from Hebrews God's interactions with Israel were a foreshadowing of the perfect reality in the person of Jesus absolutely God and absolutely human Jesus came to earth to establish his kingdom and all that God had initiated in the old covenant There is a continuity of theological understanding as we move from the Old Testament to the letter sent to the Christians in Rome The discussion on the theology of mission in the New Testament usually focuses on Jesus and Paul with minimal attention given to the General Epistles However Reading Hebrews Missiologically tries to fill that gap and focuses on the theology of mission in the book of Hebrews and fleshes out the unique contribution it has to the discussion of a New Testament theology of mission The twelve contributors from various theological geographical and missiological contexts explore the missionary motive the missionary message and the missionary method of the Epistle to the Hebrews All Scripture can be read missiologically and the letter to the Hebrews with its emphasis on the supremacy of Christ is no exception We pray that this book will inspire fresh approaches to practical mission in the world today

Missio Politica Johannes Reimer, 2017-11-14 Evangelical Christians in many countries shy away from politics And yet especially with the rise of the Pentecostal and charismatic movements the interest and involvement in political activity is becoming a daily reality in evangelical circles At the same time evangelical politicians are not exempt from scandals of corruption and complaints of ineffectiveness Are Christians unable to do better politics than others Are they less prepared Is even the whole political involvement of Christians under question In this book Dr Johannes Reimer explores the answers to these questions by articulating a theology of the church's political mission The church is not a political party but as God's ecclesia it has a prophetic voice and is called out of the world to take responsibility for the world
