McGovern,2009-01-06 At the turn of the twentieth century an emerging consumer culture in the United States promoted constant spending to meet material needs and develop social identity and self cultivation In Sold American Charles F McGovern examines the key players active in shaping this cultural evolution advertisers and consumer advocates McGovern argues that even though these two professional groups invented radically different models for proper spending both groups propagated mass consumption as a specifically American social practice and an important element of nationality and citizenship Advertisers McGovern shows used nationalist ideals icons and political language to define consumption as the foundation of the pursuit of happiness Consumer advocates on the other hand viewed the market with a republican inspired skepticism and fought commercial incursions on consumer independence The result says McGovern was a redefinition of the citizen as consumer The articulation of an American Way of Life in the Depression and World War II ratified consumer abundance as the basis of a distinct American culture and history Encyclopedia of Library and Information Science, Second Edition - Miriam Drake,2003-05-20 A revitalized version of the popular classic the Encyclopedia of Library and Information Science Second Edition targets new and dynamic movements in the distribution acquisition and development of print and online media compiling articles from more than 450 information specialists on topics including program planning in the digital era recruitment information management advances in digital technology and encoding intellectual property and hardware software database selection and design competitive intelligence electronic records preservation decision support systems ethical issues in information online library instruction telecommuting and digital library projects **Winning In Service Markets: Success Through People, Technology And Strategy** Jochen Wirtz,2016-12-12 Winning in Service Markets Success through People Technology and Strategy is the first practitioner book in the market to cover the key aspects of services marketing and management based on sound academic

evidence and knowledge Derived from the globally leading textbook for Services Marketing by the same author this book offers a comprehensive overview of extant knowledge on the topic Accessible and practical Winning in Service Markets bridges the gap between cutting edge academic research and industry practitioners and features best practices and latest trends on services marketing and management from around the world **Readers' Guide to Periodical Literature** ,1920

The Salience of Marketing Stimuli Gianluigi Guido,2001-04-30 This book presents a theoretical approach for enhancing consumer processing and memory of marketing communication *Encyclopedia of Library and Information Sciences* John D. McDonald,Michael Levine-Clark,2017-03-15 The Encyclopedia of Library and Information Sciences comprising of seven volumes now in its fourth edition compiles the contributions of major researchers and practitioners and explores the cultural institutions of more than 30 countries This major reference presents over 550 entries extensively reviewed for accuracy in seven print volumes or online The new fourth edition which includes 55 new entire and 60 revised entries continues to reflect the growing convergence among the disciplines that influence information and the cultural record with coverage of the latest topics as well as classic articles of historical and theoretical importance *Advertising the American Dream* Roland Marchand,2023-09-01 It has become impossible to imagine our culture without advertising But how and why did advertising become a determiner of our self image Advertising the American Dream looks carefully at the two decades when advertising discovered striking new ways to play on our anxieties and to promise solace for the masses As American society became more urban more complex and more dominated by massive bureaucracies the old American Dream seemed threatened Advertisers may only have dimly perceived the profound transformations America was experiencing However the advertising they created is a wonderfully graphic record of the underlying assumptions and changing values in American culture With extensive reference to the popular media radio broadcasts confession magazines and tabloid newspapers Professor Marchand describes how advertisers manipulated modern art and photography to promote an enduring consumption ethic This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 It has become impossible to imagine our culture without advertising But how and why did advertising become a determiner of our self image Advertising the American Dream looks carefully at the two decades when advertising discovered striking new w *Buyways* Catherine Gudis,2004-05-15 The highway has become the buyway Along the millions of miles the public travels advertisers spend billions on images of cola cars vodka fast food and swimming pools that blur past us catching our fleeting attention and turning the landscape into a corridor of commerce A smart succinct and visually compelling history of the billboard in America Buyways traces how the outdoor advertising industry changed the face of American commercialism Taking us from itinerant bill stickers of circus posters in

the 19th century to the blinking beeping 3 D eyesores of today Gudis argues that roadside advertising has turned the landscape itself into a commodity to be bought and sold as advertising space Buyways vividly chronicles the battles between environmentalists and businessmen as well as the response of artists from New Deal photographers who satirized the billboard infested landscape to commercial artists who embraced the kitsch of it all It also shows how advertisers tapped into the American mythology of the open road promoting mobile consumption as the American Dream on four wheels Entertaining and brilliantly illustrated Buyways is a vibrant road map of the new geography of consumption Also includes an eight page color insert Social Sciences and Humanities Index ,1916
