Does Jesus Know Us Do We Know Him:

Does Jesus Know Us--do We Know Him? Hans Urs von Balthasar,1983-01-01 The two reflections that form this book do not claim to mediate in the conflict between naive piety and scientific exegesis They arise from the conviction that only the Scriptures of the New Covenant taken as witnesses of faith and in their entirety can produce a tangible and credible portrait of Jesus Christ whereas every critical attempt to approach him from a position other than that of the faith witnessed to in the Scriptures can only result in a pallid distorted picture unworthy of belief and hence devoid of interest It is a fact only the person who is convinced that Jesus knows him personally gains access to knowledge of him And only the person who is confident of knowing him as he is can know that he is also known by him **God Sent His Son** Cardinal Christoph

Schšnborn,Christoph von Schšnborn,2010-01-01 In this work of Christology Christoph Cardinal Schonborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Schonborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Schonborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology
