**Dogfaces who Smiled Through Tears in World War II** Homer R. Ankrum, 1988      **Men of Armor** Jeff

Danby, 2022-12-01 Winner 2022 Army Historical Foundation Distinguished Writing Awards Unit History This second volume follows on from the first in recounting the WWII history of B Company 756th Tank Battalion in vivid detail The outfit since upgraded from M5 light tanks to M4 Sherman mediums claws through some of the toughest battles of WWII from a horrific stalemate at Cassino in February 1944 through the bloody Operation Diadem May breakout to the stunning capture of Rome on 4 June 1944 This unique multi volume history covers the full spectrum of experiences of the men in one tank company from inception in June 1941 through the occupation of Germany in 1945 An American tank company in WWII consisted of only five officers and approximately 100 enlisted men all living traveling and fighting in seventeen tanks two jeeps one truck one half track and one tank retriever Uniting the official record with the rich personal accounts of the participants the reader is swept along a highly detailed and shocking journey chronicling the evolution of American armor doctrine and tank design from June 1941 through VE Day The B Company tankers often fought at a disadvantage struggling to survive a myriad of battlefield challenges and triumph against enemy armor better armed and better protected What was once envisioned as a warfare of sweeping armored formations managed by West Point lieutenant colonels and ROTC captains quickly devolved into small unit street fights relying more and more on the initiative resourcefulness and cunning of lowly OCS lieutenants and combat seasoned sergeants The journey is long unforgiving and brutal and 47 tankers would be lost along the way      Going for Broke James M. McCaffrey, 2013-04-30 When Japanese forces attacked Pearl Harbor on December 7 1941 Americans reacted with revulsion and horror In the patriotic war fever that followed thousands of volunteers including Japanese Americans rushed to military recruitment centers Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion the U S Army initially turned Japanese American prospects away Then as a result of anti Japanese fearmongering on the West Coast more than 100 000 Americans of Japanese descent were sent to confinement in inland relocation centers Most were natural born citizens their only crime their ethnicity After the army eventually decided it would admit the second generation Japanese American Nisei volunteers it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor volunteers from Hawaii and even recruits from the relocation centers In Going for Broke historian James M McCaffrey traces these men s experiences in World War II from training to some of the deadliest combat in Europe Weaving together the voices of numerous soldiers McCaffrey tells of the men s frustrations and achievements on the U S mainland and abroad Training in Mississippi the recruits from Hawaii and the mainland have their first encounter with southern style black white segregation Once in action they helped push the Germans out of Italy and France The 442nd would go on to become one of the most highly decorated units in the U S Army McCaffrey s account makes clear that like other American soldiers in World

War II the Nisei relied on their personal determination social values and training to go for broke to bet everything even their lives Ultimately their bravery and patriotism in the face of prejudice advanced racial harmony and opportunities for Japanese Americans after the war 500 Days of Front Line Combat , Patton's War Kevin M. Hymel,2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton s War An American General s Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton s WWII story The Day of Battle Rick Atkinson,2008-09-16 In the second volume of his epic trilogy about the liberation of Europe in World War II Pulitzer Prize winning author Atkinson tells the harrowing story of the campaigns in Sicily and Italy A Doctor's War Arthur L. Ludwick, Jr., M.D.,Peggy Ludwick,2022-10-03 A medical officer in the 34th Red Bull Infantry Division on the front lines of World War II Lt Col Maj Arthur L Ludwick Jr was responsible for the well being of traumatized and wounded American soldiers through some of the bloodiest engagements in North Africa and Italy Kasserine and Fondouk Passes Hill 609 Monte Pantano Cassino and Anzio He was awarded both the Purple Heart and Silver Star unusual combat commendations for an unarmed medical officer His letters home detail his experiences with keen observations of the people and landscapes Based on Ludwick s letters and an archive of interviews military documents and photos this multifaceted narrative compiled by his daughter also tells the story of her discovery of her father as the young man she never knew Sheer Misery Mary Louise,2021-04-20 Marching across occupied France in 1944 American GI Leroy Stewart had neither death nor glory on his mind he was worried about his underwear which was engaged in a relentless crawl of its own Similar complaints of physical discomfort pervade infantrymen s memories of the European theater whether the soldiers were British American German or French Wet freezing misery with no end in sight this was life for millions of enlisted men during World War II Sheer Misery trains a humane and unsparing eye on the corporeal experiences of the soldiers who fought in Belgium France and Italy during the last two years of the war In the horrendously unhygienic and often lethal conditions of the front line their bodies broke down stubbornly declaring their needs for warmth rest and good nutrition Feet became too swollen to march fingers too frozen to pull triggers stomachs cramped and diarrhea stained underwear and pants Turning away from the accounts of high level military strategy that dominate many WWII chronicles acclaimed historian Mary Louise Roberts instead relies on diaries and letters to bring to life visceral sense memories like the moans of the screaming meemies the acrid smell of cordite and the shockingly mundane sight of rotting corpses As Roberts writes For soldiers who fought the war was above all about their bodies **Army**

**History ,1992      Men of Armor, Part One: Beginnings, North Africa, and Italy, Part I** Jeff Danby,2021-07-31 With its focus on tank crew members and their commanders this is a unique addition to the literature on WWII A Harding Ganz Associate Professor Emeritus of the Ohio State University at Newark author of Ghost Division After the shocking fall of France in June 1940 the U S Army embarked on a crash program to establish a new armored force One of the units formed was the 756th Tank Battalion Light activated at Fort Lewis in June 1941 Because of severe equipment shortages the new battalion trained without tanks for several months but by early 1942 were equipped with new M3 light tanks While companies A and C took part in Operation Torch B was withheld for lack of cargo space in the transport ships and rejoined the battalion two months later in North Africa The units undertook reconnaissance missions following the landings in Salerno In December 1943 the battalion was ordered to upgrade to a medium tank Sherman unit Given less than a month to reorganize and train in M4s the battalion was sent into the Mignano Gap and supported the 34th Infantry Division in the capture of Cervaro and Monte Trocchio B Company also supported the troops of the 100th Battalion on bloody but ill fated attempts to cross the Rapido river before finally establishing a secure bridgehead The nearby town of Cairano was also captured opening an avenue for an attack on Cassino Based on decades of research and hours of interviews with veterans of the 756th Tank Battalion Jeff Danby s vivid narrative puts the reader in the turret of B Company s Shermans as they ride into battle The level of detail is impressive WWII History Magazine      *The Army Historian* ,1993      **Nisei Soldiers In World War II: The Campaign In The Vosges Mountains** LCDR Joni L. Parker USN,2015-11-06 This study is about the 442nd Regimental Combat Team during World War II as it assisted VI Corps in the push through the Vosges Mountains in northern France The 442nd RCT was composed mostly of Japanese Americans or Nisei who volunteered to join the U S Army Behind their contributions were U S government policies which precluded Japanese immigrants from citizenship and land ownership and culminated in the relocation of more than 110 000 Japanese Americans from the West Coast of the United States This study briefly examines the Japanese in America the formation of the 442nd RCT and its exploits Its involvement in the campaign through the Vosges Mountains began with its attachment to the 36th Infantry Division on 13 October and ended on 9 November 1944 This study examines the four battles during the campaign to take Bruyeres Biffontaine the Rescue of the Lost Battalion and the follow on mission This study examines the combat and environmental conditions in the Vosges Mountains It shows military decision making from the corps level to regiment level and in some cases to company level It provides a balanced review of events to promote historical accuracy      [Stories From SwedeLand](#) Weldon Swedlund,2006 The intention of The Orgasm of Chemistry is to stimulate and provoke all United States Citizens and Citizens of the World TO THINK WE MUST BE CLEVER AS SNAKES BUT INNOCENT AS DOVES MATTHEW 10 17 We must go back to OUR ROOTS We must search for the TRUTH and we must pursue real HAPPINESS I have been blessed I cannot count all my blessings that I had in this life Therefore this book is my humble contribution to my MOTHERLAND The Greatest and The Best THE

UNITED STATES OF AMERICA IN GOD WE TRUST GOD BLESS AMERICA Evil exists and has tremendous power Can we overcome it We should never give up Determination is the key to overcoming evil In improving the World start with yourself your family your direct environment WE SHALL OVERCOME ONE DAY      **US Infantryman in World War II (2)** Robert S Rush,2012-07-20 Between November 1942 and May 1945 US Army infantry units fought in eight named campaigns in the Mediterranean Theater This title follows one soldier from enlistment in 1942 through training in a Replacement Training Center assignment to the 1st Battalion 133d Regiment 34th Infantry Division Red Bull and into combat Among the battles covered are Fondouk Pass Hill 609 Salerno Monte Cassino Anzio and the fighting in the Po Valley A key focus is on the Heavy Weapons Company which consisted of two machine gun platoons and one mortar platoon The training and combat roles of the machine gunner s Military Occupational Specialty are discussed in detail      An Army at Dawn Rick Atkinson,2007-05-15 WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER In the first volume of his monumental trilogy about the liberation of Europe in World War II Pulitzer Prize winner Rick Atkinson tells the riveting story of the war in North Africa The liberation of Europe and the destruction of the Third Reich is a story of courage and enduring triumph of calamity and miscalculation In this first volume of the Liberation Trilogy Rick Atkinson shows why no modern reader can understand the ultimate victory of the Allied powers without a grasp of the great drama that unfolded in North Africa in 1942 and 1943 That first year of the Allied war was a pivotal point in American history the moment when the United States began to act like a great power Beginning with the daring amphibious invasion in November 1942 An Army at Dawn follows the American and British armies as they fight the French in Morocco and Algeria and then take on the Germans and Italians in Tunisia Battle by battle an inexperienced and sometimes poorly led army gradually becomes a superb fighting force Central to the tale are the extraordinary but fallible commanders who come to dominate the battlefield Eisenhower Patton Bradley Montgomery and Rommel Brilliantly researched rich with new material and vivid insights Atkinson s narrative provides the definitive history of the war in North Africa      *Integrating the US Military* Douglas W. Bristol Jr.,Heather Marie Stur,2017-05-01 How have the US Armed Forces been transformed by integration One of the great ironies of American history since World War II is that the military typically a conservative institution has often been at the forefront of civil rights In the 1940s the 1970s and the early 2000s military integration and promotion policies were in many ways more progressive than similar efforts in the civilian world Today the military is one of the best ways for people from marginalized groups to succeed based solely on job performance *Integrating the US Military* traces the experiences of African Americans Japanese Americans women and gay men and lesbians in the armed forces since World War II By examining controversies from racial integration to the dismantling of Don t Ask Don t Tell to the recent repeal of the ban on women in combat these essays show that the military is an important institution in which social change is confirmed and occasionally accelerated Remarkably the challenges launched against the racial gender and sexual status quo in the postwar years have also broadly transformed overarching

ideas about power citizenship and America's role in the world The first comparative study of legally marginalized groups within the armed services Integrating the US Military is a unique look at the history of military integration in theory and in practice The book underscores the complicated struggle that accompanied integration and sheds new light on a broad range of comparable issues that affect civilian society including affirmative action marriage laws and sexual harassment

*Eisenhower's Armies* Niall Barr, 2015-12-15 The Anglo American relationship from 1941-1945 proved to be the most effective military alliance in history Yet there were also constant tensions and disagreements that threatened to pull the alliance apart Based on considerable archival research on both sides of the Atlantic Eisenhower's Armies considers the breadth and depth of the relationship from high level strategic decisions the rivalries and personalities of the commanders to the ordinary British and American soldiers who fought alongside one another This is the story of two very different armies learning to live work and fight together even in the face of serious strategic disagreements and a very human story about the efforts of many individuals famous or otherwise who worked and argued together to defeat Hitler's Germany This dynamic new history provides a fresh perspective on many of the controversies and critical strategic decisions of World War II providing expert analysis of the Anglo American military alliance as well as new insights into the special relationship of the mid twentieth century

The Home Fronts of Iowa, 1939-1945 Lisa L. Ossian, 2009-10-16 As Americans geared up for World War II each state responded according to its economy and circumstances as well as the disposition of its citizens This book considers the war years in Iowa by looking at activity on different home fronts and analyzing the resilience of Iowans in answering the call to support the war effort With its location in the center of the country far from potentially threatened coasts Iowa was also the center of American isolationism historically Republican and resistant to involvement in another European war Yet Iowans were quick to step up and Lisa Ossian draws on historical archives as well as on artifacts of popular culture to record the rhetoric and emotion of their support Ossian shows how Iowans quickly moved from skepticism to overwhelming enthusiasm for the war and answered the call on four fronts farms factories communities and kitchens Iowa's farmers faced labor and machinery shortages yet produced record amounts of crops and animals even at the expense of valuable topsoil Ordnance plants turned out bombs and machine gun bullets Meanwhile communities supported war bond and scrap drives while housewives coped with rationing raised Victory gardens and turned to home canning The Home Fronts of Iowa 1939-1945 depicts real people and their concerns showing the price paid in physical and mental exhaustion and notes the heavy toll exacted on Iowa's sons who fell in battle Ossian also considers the relevance of such issues as race class and gender particularly the role of women on the home front and the recruitment of both women and blacks for factory work taking into account a prevalent suspicion of ethnic groups by the state's largely homogeneous population The fact that Iowans could become loyal citizen soldiers forming an Industrial and Defense Commission even before Pearl Harbor speaks not only to the patriotism of these sturdy midwesterners but also to the overall resilience of Americans In unraveling how

Iowans could so overwhelmingly support the war Ossian digs deep into history to show us the power of emotion and to help us better understand why World War II is consistently remembered as the Good War      **Armies, Corps, Divisions, and Separate Brigades** ,1999 Includes the lineages and honors for all armies corps divisions and separate combined arms brigades in order to perpetuate and publicize their traditions honors and heraldic entitlements organized under Tables of Organization and Equipment that have been active in the Regular Army Army Reserve and Army of the United States since the beginning of World War II Included in this edition is the 12th Infantry Division formerly the Philippine Division which did not appear in the earlier one The lineages are current though 1 October 1997 Brigade headquarters and headquarters companies or headquarters except for aviation and engineer brigades organic to the above mentioned combat divisions since ROAD Reorganization Objective Army Divisions in the early 1960s have also been incorporated Divisional aviation and engineer brigades are branch specific and therefore have been omitted The lineages and honors for Army National Guard divisions and separate combined arms brigades that were active on 1 October 1997 are also included Preface      *Books in Print* ,1994
