to her son again tell him she loved him and missed him But death is the end isn't it In a mind bending journey through the many planes we humans exist in Liyla's life changes as she encounters people who help reach across the veil of life and connect her to her son This event opens a door in her life through which she discovers the meaning of life and beyond Her studies ranging from contemporary Western sciences to ancient Indian wisdom lead her to understanding what it means to live and our purpose on this planet along with a clear realization that the universe is just energy This book will take you on a journey that answers many questions that have plagued humanity What exactly is the mind What is Consciousness What is destiny And the biggest one of all What happens after our physical forms pass from this life Liyla looks at these questions with a scientific lens hoping to bridge the gaps between science and spirituality for each one of us looks for answers for these same questions within this cosmos In this book the spiritual aspects of life are explained with reference to the Panchakosha five layer theory of Indian spirituality which is elucidated in the Upanishads and other ancient Indian books This gives a strong logical basis to understand Consciousness and life in the physical and subtle planes **Now I Lay Me Down Alone**

Lee, 2018-07-24 Jesus Christ is the most written about and proclaimed figure of all of history Why then are people so confused as to who He is Why are Christian churches redefining Him to suit the culture and their own preferences This book challenges the idea of a Jesus remake It is the author's understanding of Him from well over sixty five years of a personal relationship and study It aims toward those who have given up on Jesus because the portrayal of Him has been disfigured Want a fresh review of the Bible's portrait of the Savior with angles seldom considered and truth carefully examined If you discover the right Jesus your life might never be the same Celtic Christian Spirituality, 2011-06-01 The forgotten truths of Celtic Christianity provide a portal into a spiritual way of experiencing the world The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe Their prayers and poems their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative healing God In this introduction to Celtic Christian spirituality Mary Earle presents primary texts from the Celtic Christian tradition selections from the works of Pelagius Eriugena and St Patrick as well as prayers and poems from Wales the Outer Hebrides and Ireland These essential writings direct humanity to read the book of creation as well as the Bible and call us to remember that matter matters Earle's engaging facing page commentary explores how faithful Christians and
