Doing Business 2015 World Bank, 2014-10-24 Twelfth in a series of annual reports comparing business regulation in 189 economies Doing Business 2015 measures regulations affecting 10 areas of everyday business activity Starting a business Dealing with construction permits Getting electricity Registering property Getting credit Protecting minority investors Paying taxes Trading across borders Enforcing contracts Resolving insolvency Labor market regulations This year's report will present data for a second city for the 11 economies with more than 100 million inhabitants These are Bangladesh Brazil China India Indonesia Japan Mexico Nigeria Pakistan the Russian Federation and the United States Three of the 10 topics covered have been expanded with further plans to expand on five additional indicators in next year's report Additionally the Doing Business rankings are now based on the distance to the frontier measure where each economy is evaluated based on how close their business regulations are to the best global practices This provides a more precise view of each economy's performance and its improvement over time The report updates all indicators as of June 1 2014 ranks economies on their overall ease of doing business and analyzes reforms to business regulation identifying which economies are strengthening their business environment the most Doing Business illustrates how reforms in business regulations are being used to analyze economic outcomes for domestic entrepreneurs and for the wider economy It is a flagship product produced in partnership by the World Bank and IFC that garners worldwide attention on regulatory barriers to entrepreneurship More than 60 economies have used the Doing Business indicators to shape reform agendas and monitor improvements on the ground In addition the Doing Business data has generated over 2 000 articles in peer reviewed academic journals since its inception

Doing Business 2012 World Bank, 2011-10-18 Ninth in a series of annual reports comparing business regulations in 183 economies Doing Business 2012 measures regulations affecting 11 areas of everyday business activity starting a business dealing with construction permits employing workers registering property getting credit protecting investors paying taxes trading across borders enforcing contracts closing a business getting electricity The report updates all indicators as of June 1 2011 ranks countries on their overall ease of doing business and analyzes reforms to business regulation identifying which countries are strengthening their business environment the most Doing Business 2012 includes a new set of indicators on the time steps and cost for a private business to get an electricity connection The data on connection services can inform utilities regulators and governments seeking to strengthen the performance of the electricity sector Drawing on a now longer time series this year's report introduces a measure to illustrate how the regulatory environment for business has changed in each economy since Doing Business 2006 was published in 2005 A new distance to frontier measure complements the aggregate ranking on the ease of doing business which benchmarks each economy's current performance on the indicators against that of all other economies in the sample for a given year A fundamental premise of Doing Business is that economic activity requires good rules that are transparent and accessible to all Such

regulations should be efficient striking a balance between safeguarding some important aspects of the business environment and avoiding distortions that impose unreasonable costs on businesses Where business regulation is burdensome and competition limited success depends more on whom you know than on what you can do But where regulations are relatively easy to comply with and accessible to all who need to use them anyone with talent and a good idea should be able to start and grow a business in the formal sector The Doing Business report which was started in 2003 has become one of the key ways in which the bank and other observers gauge business climate within developing countries The Financial Times Doing Business started as a way to encourage countries to reduce obstacles to entrepreneurship Developing countries compete to land a spot on the top 10 list of most improving countries because it is seen as a way to get attention and investment The Wall Street Journal Doing Business has succeeded in putting the issue of business red tape on the international political agenda The Economist

The Top Books of the Year Doing Business In Japan Pwc The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. Doing Business In Japan Pwc : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Doing Business In Japan Pwc : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Doing Business In Japan Pwc : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
