Dollars And Sex How Economics Influences Sex And Love:

Dollars and Sex Marina Adshade, 2013-05-04 There is a marketplace for sex and love and you're in it In *Dollars and Sex* economist Marina Adshade converts economic theory into a sexy science by applying the principles of supply and demand and other market forces to matters of love and libido As she does in her hugely popular blog of the same name Adshade unlocks the mysteries behind our actions thoughts and preferences using engaging research economic analysis and humor The end result is a fascinating look at just how central the interplay of libido gender love power and economic forces is to the most important choices we make in our lives When dating online do we create thin markets making it harder to find a mate What is the relationship between rising rates of casual sex and the widening earning gap Is modern marriage just an opportunity to consume more goods and services If teenagers are having sex less frequently why are STD rates in that group on the rise Ultimately Marina Adshade shows that every option every decision and every outcome in matters of sex and love is better understood through economics *Dollars and Sex* Marina Adshade Ph.D., 2013 A big book on the economics of sex and love in the style of *Freakonomics*

Dollars And Sex Marina Adshade, 2013-02-26 In *Dollars and Sex* economist Marina Adshade converts economic theory into a sexy science by applying the principles of market forces to matters of love and the libido As she does in her hugely popular blog of the same name Adshade unlocks the mysteries behind our actions thoughts and preferences using engaging research and economic analysis and no small dose of humour The result is a fascinating look at how the most important choices we make are influenced by the interplay between sexual drive gender love power and economic forces In *Dollars and Sex* you'll find answers to such questions as Is modern marriage just an opportunity to consume more goods and services What is the relationship between rising rates of casual sex and the widening earning gap How do we sabotage our chances of finding a mate when dating online Ultimately Adshade shows that every option every decision and every outcome in matters of sex and love is better understood through economics

Dirty Money Marina Adshade, 2013-05-02 In this witty and revelatory investigation of the so called dismal science University of British Columbia professor Marina Adshade skips the usual widgets and uncovers how the market comes to bear on our most intimate decisions sex dating courtship love marriage even breaking up The science of sexonomics is born How much money does an ugly guy need to have to attract as many women via an online dating site as a hot man Is modern marriage just an opportunity to consume more goods and services Does raising the price of beer reduce risky sex Why does a spike in the sale of sex toys predict an upcoming recession while an increase in the number of breast lifts indicates a perkier economy is on the way Which comes first a prosperous nation or a promiscuous one Once you read *Dirty Money* you'll never look at your money or your relationships the same way again

Dollars and Sex Marina Adshade, 2013-03-19 Like *Freakonomics* *Dollars and Sex* takes economics and converts it into a sexy science by applying the principles of supply and demand and other market forces to matters of love courtship sex and marriage As she does in her hugely popular blog author Marina

Adshade explores the marketplace for sex and love using research economic analysis and humor to reveal just how central the interplay of libido gender love power and economic forces is to the most important choices we make in our lives Call it Sexonomics

Under the Influence Robert H. Frank, 2021-10-19 From New York Times bestselling author and economics columnist Robert Frank bold new ideas for creating environments that promise a brighter future Psychologists have long understood that social environments profoundly shape our behavior sometimes for the better often for the worse But social influence is a two way street our environments are themselves products of our behavior Under the Influence explains how to unlock the latent power of social context It reveals how our environments encourage smoking bullying tax cheating sexual predation problem drinking and wasteful energy use We are building bigger houses driving heavier cars and engaging in a host of other activities that threaten the planet mainly because that's what friends and neighbors do In the wake of the hottest years on record only robust measures to curb greenhouse gases promise relief from more frequent and intense storms droughts flooding wildfires and famines Robert Frank describes how the strongest predictor of our willingness to support climate friendly policies install solar panels or buy an electric car is the number of people we know who have already done so In the face of stakes that could not be higher the book explains how we could redirect trillions of dollars annually in support of carbon free energy sources all without requiring painful sacrifices from anyone Most of us would agree that we need to take responsibility for our own choices but with more supportive social environments each of us is more likely to make choices that benefit everyone Under the Influence shows how

Cheap Sex Mark Regnerus, 2017 Cheap sex and the modern mating market Cheaper faster better more contemporary sex in America The cheapest sex trends in pornography use and masturbation The transformation of men marriage and monogamy The genital life

The Ethics of Sex Neil McArthur, 2022-03-29 The Ethics of Sex An Introduction systematically and comprehensively examines the ethical issues surrounding the concept of sex It addresses important questions such as How can we approach questions of sexual ethics in a philosophical way Must we give affirmative consent to all sexual activity and what would be the impact of implementing an affirmative consent standard into law Can our dating preferences ever be considered a form of discrimination Is BDSM sex compatible with feminism Should we promote monogamy as the best way to live Is it harmful to have a relationship with a robot Should sex work be decriminalized Is there a right to sex Including discussion questions and suggestions for further reading at the end of each chapter The Ethics of Sex is the perfect philosophical introduction to the perennially topical issue and ideal reading for students taking courses within the fields of applied ethics sociology law religion and politics

Sex Crimes and Offenders Mary Clifford, Alison Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the

surface to define healthy and harmful sexual practices inevitably raises even more questions. When the questions and answers are framed and defined through historical, cultural, social, and individual lenses, solutions may seldom be simple. Structured in five parts, *Sex Crimes and Offenders: Exploring Questions of Character and Culture* uses healthy sexuality as a backdrop for exploring the complicated issue of identifying and punishing sex crimes, defining the parameters of sexualized violence, and sexual violence prevention. The goal is to prevent harm, address hurts, hold perpetrators accountable, and eventually eliminate to the degree possible all future harms. The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims. Essential resources made visible throughout this text are provided to help inform young people, families, faith communities, and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing. Finally, the book concludes by shining a light on the efforts each of us can take to identify, reduce, and work toward eliminating sexual violence and harms. Additional resources for instructors, including PowerPoint Lecture Notes and Test Banks, are provided.

The Sex Effect Ross Benes, 2017-04-04 A gripping exploration of the relationship between sex and our society with a foreword by bestselling author A.J. Jacobs. Why do political leaders become entangled in so many sex scandals? How did the U.S. military inadvertently help make San Francisco a mecca of gay culture? And what was the original purpose of vibrators? Find out the answers to all these questions and more as journalist Ross Benes delves into the complicated relationship between everyday human life, including religion, politics, and technology, and our sexuality. Drawing on history, psychology, sociology, and more, *The Sex Effect* combines innovative research and analysis with captivating anecdotes to reveal just how much sex shapes our society and what it means for us as humans as we continue to struggle with the wide-ranging effects our sexuality has on the world around us.

Philosophy of Sex and Love Patricia Marino, 2019-03-13 Writing for non-specialists and students as well as for fellow philosophers, this book explores some basic issues surrounding sex and love in today's world, among them: consent, objectification, non-monogamy, racial stereotyping, and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works. Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices. Instead, we need to examine the social contexts within which choices are made and acquire their meanings. That perspective she argues is especially needed today when the values of individualism, self-expression, and self-interest permeate our lives. Marino asks how we can fit these values, which govern so many areas of contemporary life, with the generosity, caring, and selflessness we expect in love and sex.

Key Features of Philosophy of Sex and Love An opinionated introduction offers a contemporary, problems-based approach to the subject, helping readers better understand and address current issues and controversial questions. Includes coverage of sex and love as they intersect with topics like disability, race, medicine, and economics. Considers not only the ethical but also the broadly social and political dimensions of sex and love. Includes a

helpful introduction and conclusion in each chapter and is written throughout in a clear and straightforward style with examples and signposts to help guide the student and general reader A comprehensive and up to date bibliography provides a valuable tool for anyone s further research

Hustle and Gig Alexandra J. Ravenelle,2019-03-12 Choose your hours choose your work be your own boss control your own income Welcome to the sharing economy a nebulous collection of online platforms and apps that promise to transcend capitalism Supporters argue that the gig economy will reverse economic inequality enhance worker rights and bring entrepreneurship to the masses But does it In *Hustle and Gig* Alexandra J Ravenelle shares the personal stories of nearly eighty predominantly millennial workers from Airbnb Uber TaskRabbit and Kitchensurfing Their stories underline the volatility of working in the gig economy the autonomy these young workers expected has been usurped by the need to maintain algorithm approved acceptance and response rates The sharing economy upends generations of workplace protections such as worker safety workplace protections around discrimination and sexual harassment the right to unionize and the right to redress for injuries Discerning three types of gig economy workers Success Stories who have used the gig economy to create the life they want Strugglers who can t make ends meet and Strivers who have stable jobs and use the sharing economy for extra cash Ravenelle examines

the costs benefits and societal impact of this new economic movement Poignant and evocative *Hustle and Gig* exposes how the gig economy is the millennial s version of minimum wage precarious work *How to Fall in Love with Anyone* Mandy Len Catron,2017-06-27 A beautifully written and well researched cultural criticism as well as an honest memoir Los Angeles Review of Books from the author of the popular New York Times essay To Fall in Love with Anyone Do This explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy What really makes love last Does love ever work the way we say it does in movies and books and Facebook posts Or does obsessing over those love stories hurt our real life relationships When her parents divorced after a twenty eight year marriage and her own ten year relationship ended those were the questions that Mandy Len Catron wanted to answer In a series of candid vulnerable and wise essays that takes a closer look at what it means to love someone be loved and how we present our love to the world Catron melds science and emotion beautifully into a thoughtful and thought provoking meditation Bookpage She delves back to 1944 when her grandparents met in a coal mining town in Appalachia to her own dating life as a professor in Vancouver She uses biologists research into dopamine triggers to ask whether the need to love is an innate human drive She uses literary theory to show why we prefer certain kinds of love stories She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from And she tells the story of how she decided to test an experiment that she d read about where the goal was to create intimacy between strangers using a list of thirty six questions and ended up in the surreal situation of having millions of people following her brand new relationship Perfect fodder for the romantic and the cynic in all of us Booklist *How to Fall in Love with Anyone* flips the script on love Clear eyed and full of heart it is mandatory reading for anyone coping with or curious about the challenges of contemporary courtship The Toronto Star

Getting Married Carrie Yodanis,Sean Lauer,2016-09-01 In *Getting Married* Carrie Yodanis and Sean Lauer examine the social rules and expectations that shape our most personal relationships How do couples get together How do people act when they re married What happens when they re not Public factors influence our private relationships From getting engaged to breaking up social rules and expectations shape and constrain whom we select as a spouse when and why we decide to get married and how we arrange our relationships day to day While this book is about marriage it is also about sociology Yodanis and Lauer use the case of marriage to explore a sociological perspective *Getting Married* will bring together students academic and social worlds by applying sociology to the things they are thinking about and experiencing outside of the classroom This book is a useful tool for many sociology courses including those on family gender and introduction to sociology *Date-onomics* Jon Birger,2015-08-25 It s not that he s just not that into you it s that there aren t enough of him And the numbers prove it Using a combination of demographics statistics game theory and number crunching *Date onomics* tells what every single college educated heterosexual looking for a partner woman needs to know The man deficit is real It s a fascinating if sobering read with two critical takeaways One it s not you Two knowledge is power so here s

what to do about it The shortage of college educated men is not just a big city phenomenon frustrating women in New York and L A Among young college grads there are four eligible women for every three men nationwide This unequal ratio explains not only why it s so hard to find a date but a host of social issues from the college hookup culture to the reason Salt Lake City is becoming the breast implant capital of America Then there s the math that says that a woman s good looks can keep men from approaching her particularly if they feel the odds aren t in their favor Fortunately there are also solutions what college to attend any with strong sciences or math where to hang out in New York try a fireman s bar where to live Colorado Seattle Man Jose and why never to shy away from giving an ultimatum *Our Unvirtuous Society* Duane L. Ostler,2015-12-02 In American society today virtue tends to largely be ignored Rather many in the country seem to be obsessed with sex This obsession has led to extreme results that would be considered appalling by prior generations such as rampant premarital sex which decreases trust commitment between partners gays lesbians elevating sex to become their god and abortions in which the unborn have no rights **Sexuality in the Comedies of William Shakespeare** Stephen P. Thompson,2014-04-25 This fascinating edition examines the comedies of playwright William Shakespeare through the lens of sexuality Essays explore topics such as the ambiguity of Shakespeare s sonnets Renaissance attitudes toward sexuality themes of misogyny in *Taming of the Shrew* and sexual anxiety in *Much Ado About Nothing* Modern perspectives on sexuality and courtship are also presented covering subjects such as social media and dating modern mythology about the differences between genders and a decline in American romantic comedies **Scandal, Heartbreak, and Deceit** Elizabeth Mahoney,2020-09-17 Reeling from the sudden shattering implosion of her twenty eight year marriage single mother and health care professional Elizabeth Mahoney turns to online dating sites in hopes of finding a way to heal and move ahead with her life Instead she discovers that the site is rife with opportunists who prey on emotionally vulnerable women After a dizzying series of experiences with a scammer who exploits her trust and intimate confidences to rob her sexters married men looking for something on the side and other questionable Lotharios Elizabeth becomes romantically involved with a man looking for his dream woman in cyberspace With sardonic wit keen psychological analysis and a wisdom born of bitter experience *Scandal Heartbreak and Deceit* reveals how easily a woman can fall prey to a victimizer if trauma has rendered her susceptible and provides irrefutable evidence that dating sites and apps are nothing but tricks lies and scams In a post MeToo era the author examines the dangerous misogynistic attitudes of powerful men Internet subcultures and other online predators and discusses the risks of online dating for women Beyond the author s own misadventures on Match com *Scandal Heartbreak and Deceit* brings to light the many faces of intimacy and shares personal stories of Canadian U S and U K women in a modern hook up culture Varied perspectives on dating casual encounters friends with benefits serial monogamy and polyamory including the millennial experience of dating and cohabiting are explored
