

The background of the entire slide is a vibrant space scene. Two astronauts in white suits with gold visors are working on a large, white space station structure. One astronaut is on a yellow ladder, while the other is positioned nearby. The station has various panels and equipment. In the background, a large planet with a ring system is visible, along with several smaller planets and a bright star. The overall color palette is dominated by deep blues and purples of space, with the white of the station and suits providing contrast.
