This landmark study covers the complexity of Iran's cultural geopolitics and the diversity of its interlocutors in 21st century world politics. The book is useful for delving into the internal dynamics of Iranian politics and its connection with the spheres of power in international relations. It is a very methodical book. Theoretically flawless. A deep brilliant and enlightening academic text. Mois s Gardu o Garcia Professor in the Center for International Relations National Autonomous University of Mexico UNAM. In this book Ali Fathollah Nejad goes beyond the usual one dimensional view that dominates the study of Iran's foreign policy and presents a comprehensive framework explaining the interrelated role of socio cultural economic and geopolitical elements in shaping the Islamic Republic's foreign policy orientation. The book also focuses on a crucial period involving two critical transitions: a systemic transition from the unipolar to the post unipolar world order and a domestic one from a hardline to a more moderate worldview. All this makes the book a valuable contribution to the field. Hamidreza Azizi Alexander von Humboldt Fellow Middle East and Africa Research Division German Institute for International and Security Affairs SWP former Assistant Professor of Regional Studies Shahid Beheshti University Tehran 2016-20. *Iran in an Emerging New World Order* provides a timely and original account of foreign policy making in the Islamic Republic of Iran especially the turbulent first decade of the new millennium. Kamran Matin Senior Lecturer in International Relations Sussex University Associate Research Fellow Swedish Institute of International Affairs UI. Ali Fathollah Nejad's *Iran in an Emerging New World Order* builds on a reliable scientific approach and an informed overview of Iranian foreign policy. It identifies and examines the different factors which orientate it such as its various schools of thought and their debates, the role of the interplay between structure and culture and the one between internal and external realms. Furthermore it casts light on the evolution of Tehran's choices including its look to the East. In this new book Fathollah Nejad has provided a challenging study which demonstrates the need to go beyond conventional framings to include political culture and provides a new evaluation of Iran's international relations. This is an original and significant contribution to the literature on international relations, the workings of the Islamic Republic and the understanding of the latter's regional and global actions. Firouzeh Nahavandi Professor of Sociology of Development and Political Science Director Institute of Sociology Director CECID Center for International Cooperation and Development Studies Universit libre de Bruxelles ULB as well as President Graduate School of Development Studies of French Community of Belgium. Through its careful analysis of a modern political culture in Iran gestated in the context of an encounter with European colonial modernity and evolved in correspondence with a catalogue of internal and external others, Ali Fathollah Nejad's timely book places contemporary geopolitical concerns against a much needed backdrop of colonial and anti colonial histories. Siavash Saffari Associate Professor of West Asian Studies Department of Asian Languages and Civilizations Seoul National University. If you really want to dive deep into Iran and understand the reasons why its leaders are operating in the current crisis, this is the book you should read. It teaches analysts and policy makers to understand the past to act wisely in the future. Susanne Koelbl award winning Foreign Correspondent Der Spiegel.

**Contemporary Iran** Farhang Morady, 2020-09-03. This accessible introductory text explains the political, economic, and religious developments since the formation of the Islamic Republic in 1979 and provides an analysis of the domestic politics of Iran. It identifies the ways in which the country, often imagined as isolated, is actually integrated into the global capitalist economy. It also explains the often heated relationship of the regional powerhouse with the outside world, especially with West Asian neighbours and the United States. Both rigorous and readable, the book covers Iran's unusual path of capitalist development. The relationship between politics and religion in what is known as God's Kingdom. The international and domestic factors that shape Iranian politics and society. Assuming no prior knowledge, this book is an ideal starting point for students and general readers looking for a thought-provoking introduction to contemporary Iran.
