Exploring the Scriptures: An Overview of the Bible from Genesis to Revelation John Phillips, 2022-09-20 A panoramic foundational view of God's Word Effective Bible study begins with a clear understanding of the Bible as an inspired whole instead of sixty six disjointed books Exploring the Scriptures gives the serious student a panoramic view of God's Word that provides a firm foundation for more detailed study of books passages and themes of the Bible Each book of Scripture is presented through a brief introduction a concise outline and a comprehensive summary of the book's content Also included are special chapters dealing with the major divisions of Scripture and thirty five maps and charts to help with visualization of important Bible content This series has features that will make it a favorite of Bible students detailed alliterative outline notes about the authorship straightforward interpretation of the text and practical application *Exploring the New Testament Book by Book* John Phillips, 2009-07-01 Valuable tools for study or scholarship Taking a telescopic view of the Bible Exploring the Old Testament Book by Book and Exploring the New Testament Book by Book enable readers to see the big picture behind this Book of books to see how the various parts of Scripture relate to one another These volumes from gifted expositor John Phillips teaches the importance of taking a few steps back from Scripture in order to gain fresh insight into the message meaning and art of the Bible [Exploring Genesis](#) John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Exploring the Minor Prophets** John Phillips, 2002-03 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Revelation** Jeff Ferguson, 2021-11-03 Social injustice social distancing and masks the coronavirus pandemic earthquakes wars and rumors of wars is this really the end times When thinking about the book of Revelation death and destruction lawlessness and chaos seem to be the focus of most people Humanity especially Hollywood seems to have an insatiable appetite for the sensational devastation and death that is predicted in this biblical prophecy The problem with this is most media sources miss the main point for which these catastrophes occur the call of God for His creation to reunite with Him The book of Revelation is probably the most controversial book of the Bible Which piece of literature throughout history has had more written about it with such widely divided opinions and differing beliefs Yet through all of the existing material there is still widespread confusion and improbable comprehension regarding this prophecy However controversial it may seem Revelation is also one of the most important writings we have available concerning the Christian life today It is a compulsory read for anyone serious about living their life for Jesus Christ Revelation The Full Disclosure of

Jesus Christ takes the reader verse by verse through the entire twenty two chapters of Revelation giving accurate but easy to understand explanations It is designed as a study guide for the children of God at every level of understanding The book of Revelation is both a continuation and ending of the story that began in the book of Genesis So come let us explore together the final chapter of the greatest story ever told

Looking into the Revelation Dr. Boyd O. Gray, 2013-08 Since the Bible was first written the book of Revelation has provided readers with a glimpse of what is to come But even as the world rapidly fulfills the ancient Scripture many still avoid its obscure symbolic language which often lends itself to fanatical interpretation In *Looking into the Revelation* a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it Dr Boyd Gray a minister with more than thirty years of experience offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether As Dr Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist he demonstrates through his interpretations that God s Word is the truth a message he hopes will motivate sinners to heed the Lord s gracious call to salvation *Looking into the Revelation* shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ

Exploring the Epistle of Jude John Phillips, 2004 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation *Moody Magazine*

The Last Supper on the Moon Levi Lusko, 2022-01-11 If there are places in your heart and corners of your mind that feel just as deep and dark and inaccessible as outer space this book is for you Fight as you may unearthing the happiness and fulfillment you long for can feel nearly impossible In Psalm 8 David urges us to consider the heavens to look up at the night sky Doing so will help you discover fundamental truths about God Namely that even though his love for you is as beyond comprehension as the farthest corners of the universe through his Son you can grab hold of it and it has the power to transform your inner space Bestselling author Levi Lusko shares how you can learn that life is not about finding yourself but discovering who Jesus is believe that God s love and forgiveness is grander than even your greatest failure buck the mundane of everyday life and start dreaming again Embark on an adventure tracing the words and wonders of Jesus on his trek to the cross Let *The Last Supper on the Moon* compel you to live with a more profound sense of purpose and a grander view of Jesus and set you on a trajectory to life and life more abundantly

Dismantling Doctrines of Demons: Disclosing the Darkness (Volume One) Rick M. Smith, Selected for the Christlit Book Award 2025 A mysterious prophecy was given to a prisoner awaiting certain execution in a dark dungeon beneath the streets of ancient Rome in A D 62 showing convincing evidence of being fulfilled in our contemporary American culture society This prophecy reveals its divine source and the season of human history in which it will come to pass It will involve a shocking separation of cultural and religious beliefs practices Supernatural surrogates will promote their diabolical standard so that nations governments economies and world

leaders will ultimately bow in allegiance to their tenets The system that drives this elaborate network has a defined set of strategies schemes employed to assure it does not fail to implement its sinister plan of dominance deception deviation division and death Despite its best efforts failure will be its ultimate fate Confronting a force more powerful than itself accompanied by an army too massive to calculate wielding an arsenal of weapons too destructive to intercept it will fall in every attempt to prevail Pastor author speaker Rick Smith unravels the divine mystery of the Apostle Paul s insightful revelation from the Biblical text in I Timothy 4 1 But the Spirit explicitly says that in the later times some will fall away from the faith paying attention to deceitful spirits and doctrines of demons Having been a student of Scripture for more than 50 years Rick applies Biblical interpretation application to help you see the covert progress these demonic operatives are making to position our world for the most diabolical season of human history soon to be revealed NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda,2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One Agents of the Apocalypse David Jeremiah,2014-10-07 Who Will Usher in Earth s Final Days Are we living in the end times Is it possible that the players depicted in the book of Revelation could be out in force today And if they are would you know how to recognize them In Agents of the Apocalypse noted prophecy expert Dr David Jeremiah does what no prophecy expert has done before He explores the book of Revelation through the lens of its major players the exiled the martyrs the elders the victor the king the judge the 144 000 the witnesses the false prophet and the beast One by one Dr Jeremiah delves into their individual personalities and motives and the role that each plays in biblical prophecy Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today The stage is set and the curtain is about to rise on Earth s final act Will you be ready Matthew 16-28 Dr. Matthew N. O. Sadiku,2016-04-26 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand the book of Matthew in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in

outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The Gospel of Matthew is placed first in the New Testament It is a teaching gospel It is the natural gateway to the New Testament with a strong connection to the Old Testament *St. Paul the Apostle* Irving Brittle Jr.,2017-11-28 The apostle Paul was the first great missionary pastor and theologian of the early Christian church and today we recognize that St Pauls contributions to Christianity make him the most important biblical figure in the New Testament next to only Jesus Christ and God Yet how much do we truly know about this resilient strong willed man of faith How did this man once a devout Jew and zealous Pharisee come to never lose sight of his mission to spread the new theology that would later be known as Christianity In *St Paul the Apostle* author Irving Brittle Jr uses resources from more than one hundred academics theologians and researchers to sow a basic concise biographical and historical portrait of St Paul the apostle He touches on Pauls life within the Roman Empire and his time as a zealot Pharisee before the transformational encounter on the road to Damascus where Paul first had his life changing vision and dialogue with Jesus Christ St Paul the Apostle also covers Pauls three missions through Asia Minor Eastern Europe and Rome and it introduces the cast of companions who accompanied Paul while he spread the Gospel of Christ Even though we may not know the exact time of his martyrdom at the hands of Nero Paul can rest assured his Gospel of Jesus Christ and his thirteen epistles are still the cornerstone of mainstream Christianity today *The Pastor's Library* Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s *The Minister s Library* Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies *Exploring the Scriptures* John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation *Moody Magazine* *The Amazing Claims of Bible Prophecy* Mark Hitchcock,2010-04-01 With over 500 000 Bible prophecy books sold Mark Hitchcock is fast becoming one of the most popular and widely trusted voices on this topic *The Amazing Claims of Bible Prophecy* is his newest release This book takes a fascinating look at one of the most important aspects of Bible prophecy It confirms the divine origin and complete reliability of God s Word Only God who is all knowing can tell what lies ahead with 100 percent accuracy Readers will examine ten past prophecies and their astounding fulfillments all of which serve as profound evidence for both unbelievers and believers that God s Word can be trusted Readers will also explore ten future prophecies and see how today s events foreshadow the fact Earth s final hour is near This resource will encourage believers toward a deeper confidence in the Word and equip them with a powerful defense against those who question the Bible s truth claims **The Silence Is**

Broken! God Hooks Ezekiel's Gog & Magog Douglas Berner,2006 What is the Silence of God How and when will God s silence be broken What will that mean to the people living in the world at the time Discover how the Silence of God will finally be broken and how the End Times will begin Learn how the prophecy of Ezekiel 38 how the War of Gog and Magog will be misunderstood as the War of Armageddon and what that will mean for the nations of the world **Living Hope for the End of Days** John S.
