Extracts from The Diary of Ebenezer Townsend, Jr Ebenezer Townsend, Pacific Passages Patrick Moser,2008-05-08 A thousand years after Hawaiians first paddled long wooden boards into the ocean modern surfers have continued this practice which has recently been transformed into a global industry Pacific Passages brings together four centuries of writing about surfing the most comprehensive collection of Polynesian and Western perspectives on the history and culture of a sport currently enjoyed by millions of people around the world The stories begin with Hawaiian legends and chants and are followed by the journals of explorers the travel narratives of missionaries and luminaries such as Herman Melville Mark Twain and Jack London and the contemporary observations of Tom Wolfe William Finnegan Susan Orlean and Bob Shacochis Readers follow the historical transformation of surfing s image through the centuries from Polynesian myths of love to Western accounts of horror and exoticism in the eighteenth and nineteenth centuries to modern representations of surfing as a character building activity in pre World War II California and the quintessential expression of disaffected youth They explore the sport s most recent trends by writers and cultural critics whose insights into technology competition gender heritage and globalism reveal how surfing impacts some of today s most pressing social concerns Aided by informative introductions the writings in Pacific Passages provide insight into the values and ideals of Polynesian and Western cultures revealing how each has altered and been altered by surfing and how the sport itself has shown an amazing ability throughout the centuries to survive adapt and prosper

Grass Huts and Warehouses Caroline Ralston,2014-06-01 A pioneering study of early trade and beach communities in the Pacific Islands and first published in 1977 this book provides historians with an ambitious survey of early European Polynesian contact an analysis of how early trade developed along with the beachcomber community and a detailed reconstruction of development of the early Pacific port towns Set mainly in the first half of the 19th century continuing in some cases for a few decades more the book covers five ports Kororareka now Russell in New Zealand Levuka Fiji Apia Samoa Papeete Tahiti and Honolulu Hawai i The role of beachcombers the earliest European inhabitants as well as the later consuls or commercial agents and the development of plantation economies is explored The book is a tour de force the first detailed comparative academic study of these early precolonial trading towns and their race relations It argues that the predominantly egalitarian towns where Islanders beachcombers traders and missionaries mixed were largely harmonious but this was undermined by later arrivals and larger populations

Braided Waters Wade Graham, 2018-12-04 Braided Waters sheds new light on the relationship between environment and society by charting the history of Hawaii's Molokai island over a thousand year period of repeated settlement From the arrival of the first Polynesians to contact with eighteenth century European explorers and traders to our present era this study shows how the control of resources especially water in a fragile highly variable environment has had profound effects on the history of Hawaii Wade Graham examines the ways environmental variation repeatedly shapes human social and economic structures and how in turn man made environmental degradation influences and reshapes societies A key finding of this study is how deep structures of place interact with distinct cultural patterns across different societies to produce similar social and environmental outcomes in both the Polynesian and modern eras a case of historical isomorphism with profound implications for global environmental history
