Extravagant Living Out Your Response To Gods Outrageous Love:

Extravagant Bryan Jarrett, 2016-06-21 God is lavishly excessively and outrageously loving in every iota of His infinite being God is in a word extravagant It s His nature When we realize just how extravagant and outrageous His love is for us it unleashes in our hearts and minds an extravagance of devotion that transforms life into an experience previously inconceivable But that s not all Our extravagance of devotion prompts further expressions of extravagance from God This is the extravagance cycle and it is as real today as it was in 1000 B C for David or in 30 A D for Mary of Bethany All throughout the Scriptures we see that lives of extravagant devotion and surrender to Him captured the heart of God and they still do Experience the extravagant cycle for yourself and recognize how much He loves you Offer Him your devotion and whatever resources of time talents and treasure you have so He can bless and multiply them It may be all you have and that s what makes your gift extravagant But when you do the simple deed of giving it to Him He ll work miracles and touch others through you in a way that will make you eager to see where the cycle takes you next

Love Like Jesus Judah Smith, 2013-06-03 Winning Souls Starts With Loving People Christian evangelism has too often focused on winning souls to the exclusion of meeting real everyday needs Yet Jesus earthly ministry followed a different pattern He reached for people on the margins He touched people no one else would touch He spoke hope to people consumed by despair And as the Lord extended Himself in compassion to meet the needs of the sick the lost and the hopeless

people turned their hearts to Him Love Like Jesus will help you follow Jesus pattern for changing lives You will learn the importance of placing your confidence in Him alone of staying faithful through seasons of unfruitfulness of facing your fears with courage and much more Most of all you will catch a vision of God s unfathomable love for every person and get the tools you need to share it with people in need of a Savior **Living It Out** Rachel Hagger-Holt,Sarah Hagger-Holt,2013-05-07 A

White,2022-07-29 Tending the Fire at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church s most native theological way of knowing and being which participates with God s own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church s teaching liturgy and proclamation In this view the church does not simply regurgitate
