Extremely Unofficial Highly Unauthorized Sutra:

The Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra (SE) S. N. Herder, 2017-12-14 The original Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra came out just before Star Wars The Force Awakens and has sold thousands of copies around the world Now here we are two years later and it s time for Star Wars The Last Jedi Like Lucas did with his special editions but our changes are actually good I wanted to take a moment to go through the original book and smooth out some rough edges get rid of some jokes that didn t land and add in a bunch of new positions featuring toys from the Star Wars movies and TV shows that have come out since the first edition The same warning applies from the original publication This isn t a text book it s a funny book It s for grown ups with a twisted sense of humor Most importantly it is a work of independent parody made with love and reverence for all things Star Wars Don t buy this for a child buy it for your partner spouse or friend And remember the internal temperature of a Taun Taun is still Luke Warm May The Force Be With You *The Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra* S. Herder, 2015-11-30 This book was created for Star Wars fans with a slightly twisted sense of humor It is a parody of the characters in the Star Wars universe and created with all the love in the world that I ve got for them yes even Jar Jar Within these pages you ll find all your favorite Star Wars characters represented by the action figures that I have purchased over the years engaged in all manner of absurd sexual positions and situations Don t try any of the positions in this book Most of them are not physically achievable and I ve got no idea where you d be able to find a Rancor anyway Don t buy this book for small children That s just stupid Buy it for your boyfriend girlfriend husband wife friend or parent Buy it for anyone you know who loves Star Wars and knows that the internal temperature of a Taun Taun is always going to be Luke Warm May the Force be with you **Female Agency in Manuscript Cultures** Eike Grossmann, 2024-06-17 Manuscript cultures have frequently forgotten neglected or even erased women s contributions from memory Women s agency has also been a glaring blind spot in the scholarly pursuit of gender perspectives on the production of written artefacts This volume addresses these lacunae by highlighting manuscripts and inscriptions by and for women their active participation and enabling sponsorship and their role in the circulation and dissemination of written artefacts Seven papers present case studies from East Asian inscriptions to ancient cuneiform epigraphic Egyptian graffiti from late antiquity to individual specimen and large scale collections in medieval Europe focusing on how women participated in and contributed to those How did they assert their involvement their claims and their aspirations By what rationales and mechanisms were they excluded or their contribution marginalised How did they react to structures that discriminated against them eventually circumventing subverting and transforming them The present volume sheds light on new findings gives unique insights and discusses methodological considerations in the budding field of women s manuscript studies *Swami Vivekananda and Non-Hindu Traditions* Stephen E. Gregg, 2019-03-15 The Hindu thinker Swami Vivekananda 1863 1902 was and remains an important figure both within India and in the West where he was notable

for preaching Vedanta Scholarship surrounding Vivekananda is dominated by hagiography and his mis appropriation by the political Hindu Right This work demonstrates that Vivekananda was no simplistic pluralist as portrayed in hagiographical texts nor narrow exclusivist as portrayed by some modern Hindu nationalists but a thoughtful complex inclusivist The book shows that Vivekananda formulated a hierarchical and inclusivistic framework of Hinduism based upon his interpretations of a four fold system of Yoga It goes on to argue that Vivekananda understood his formulation of Vedanta to be universal and applied it freely to non Hindu traditions and in so doing demonstrates that Vivekananda was consistently critical of low level spirituality not only in non Hindu traditions but also within Hinduism Demonstrating that Vivekananda is best understood within the context of Advaitic primacy rather than Hindu chauvinism this book will be of interest to scholars of Hinduism and South Asian religion and of South Asian diaspora communities and religious studies more generally
