**Godhunter** Amy Sumida, 2013 There are some things that really annoy Vervain Lavine Like when people call her Vivian Vervain's an herb look it up Or when people don't get her movie quotes Why doesn't anyone appreciate culture anymore But what really bothers her what gets her little witchy panties in a twist is when gods manipulate humans They're not even really gods just Atlanteans playing dress up Yeah that's right the gods are Atlanteans Basically a bunch of refugees who decided to take over It was a sweet deal for them at least back when we believed in them and all Not so much anymore Nowadays there ain't too many folks lining up at the altars to give their offerings and gods are suffering for it Without our sacrifices the gods don't have enough juice to keep living in the manner to which they've grown accustomed So they came up with a plan It was so easy actually All they had to do was get us to fight amongst ourselves go to war When our kind die they suck up the energy like a temperature resistant fat man drinking a milkshake line up Not such a bad idea and it's worked for quite awhile Up until Vervain found out Now don't get the wrong idea Vervain's no Laura Croft She can't bench press 200 lbs or shoot laser beams out of her eyes either She does have magic on her side though and a few little tricks up her sleeve or up her gloves rather So she's not completely defenseless and she'll do whatever she has to in order to end this threat of divine proportions Even if it means assassinating one god at a time Her greatest annoyance is yet to come though in the form of a gorgeous Viking God who swears he's on her side If she can keep her eyes off his leather pants long enough they might even stand half a chance This rest of this series is available on Amazon the second book Of Gods and Wolves is available as an ebook or paperback and more of the series is coming soon 7 so far so keep an eye out for them on Amazon
