

The background of the book cover is a detailed oil painting of a woman in a kitchen. She is seated in a wooden chair, wearing a white dress with a high collar and a dark cap. A vibrant red cloth is draped over the back of her chair. To her left is a round wooden table with various items on it, including a bowl, a teapot, and some bread. In the background, a brick fireplace is visible, and several large metal pots hang from a rack on the wall. The overall scene is warmly lit, suggesting a domestic interior.

Hodge,2014-07-01 This study examines the emergence of the middle class and consumerism in colonial America **Consumerism and the Emergence of the Middle Class in Colonial America**

Christina J. Hodge,2014-07-14 This study examines the emergence of the middle class and consumerism in colonial America

**The Age of Choice** Sophia Rosenfeld,2025-02-04 Today choice is often taken to be a synonym for freedom In much of the world but especially in the United States having both more occasions to make choices and more options to choose from are familiar political personal and economic goals We are urged to consider our preferences and then to select from menus of options covering almost every element of our lives including what to buy where to live whom to love what profession to practice and even what to believe We like to think that when we determine our preferences among them we are engaged in the business of self realization And yet everybody from marketing gurus to psychologists to philosophers has also been warning us about the many negative consequences stemming from our obsession with individualized choice making Not only are we not very good at realizing our personal desires but we are also overwhelmed with too many possibilities anxious about what best to pick and seemingly unable to muster the same enthusiasm for collective decision making as we do for choices about ourselves Further our relentless focus on the responsibility for making good ones has stigmatized those without many options mainly the poor How did this happen Drawing on sources as varied as novels questionnaires and restaurant menus *The Choice is Yours* tells the long history of the invention of choice as the modern form of freedom Sophia Rosenfeld pays particular attention to women and the halting emergence of feminism in order to demonstrate how choice was from the start stigmatized and turned into a horizon for liberty Thus this is also a story about constraints from formal laws to social customs that have always worked to limit choice who gets to do it when and how they do so what the choices are in ways that are often invisible and yet central to the role that choice plays in the modern world Rosenfeld begins in the early modern Western world with the contemporaneous invention of shopping as an activity focused on the selection of goods and of religious freedom in addition to freedom of expression as a matter of being able to pick one's convictions Moving into the nineteenth and twentieth centuries she explores choice in romantic life choice in politics and sciences of choice She takes up the work of contemporary psychologists economists and other theorists and offers a new perspective on how to think about choice now based on a new reading of the past An epilogue centers on the rise of reproductive choice and its consequences since the 1970s Ultimately *The Choice is Yours* is an argument for the necessity of rethinking the meaning of choice today including its promise and its limitations within the contours of modern liberalism *The Routledge Handbook of Global Historical Archaeology* Charles E. Orser, Jr.,Andres Zarankin,Pedro Funari,Susan Lawrence,James Symonds,2020-07-26 The

Routledge Handbook of Global Historical Archaeology is a multi authored compendium of articles on specific topics of interest to today s historical archaeologists offering perspectives on the current state of research and collectively outlining future directions for the field The broad range of topics covered in this volume allows for specificity within individual chapters while building to a cumulative overview of the field of historical archaeology as it stands and where it could go next Archaeological research is discussed in the context of current sociological concerns different approaches and techniques are assessed and potential advances are posited This is a comprehensive treatment of the sub discipline engaging key contemporary debates and providing a series of specially commissioned geographical overviews to complement the more theoretical explorations This book is designed to offer a starting point for students who may wish to pursue particular topics in more depth as well as for non archaeologists who have an interest in historical archaeology Archaeologists historians preservationists and all scholars interested in the role historical archaeology plays in illuminating daily life during the past five centuries will find this volume engaging and enlightening

Material Worlds Barbara J. Heath,Eleanor E. Breen,Lori A. Lee,2017-02-17 Material Worlds examines consumption from an archaeological perspective broadly exploring the intersection of social relations and objects through the processes of production distribution use reuse and discard Interrogating individual objects as well as considering the contexts in which acts of consumption take place a range of case studies present the intertwined issues of power inequality identity and community as mediated through choice access and use of the diversity of mass produced goods Key themes of this innovative volume include the relationship between colonial political and economic structures and the practices of consumption the use of consumer goods in the construction and negotiation of identity and the dialectic between strategies of consumption and individual or community choices Situating studies of consumerism within the field of historical archaeology this exciting collection reflects on the interrelationship between the material and ideological aspects of culture With a focus on North America from the seventeenth through the early twentieth centuries Material Worlds is an important examination of consumption which will appeal to scholars with interests in colonialism gender and race as well as those engaged with the material culture of the emergent modern world

**The Routledge Companion to the History of Retailing** Jon Stobart,Vicki Howard,2018-11-08 Retail history is a rich cross disciplinary field that demonstrates the centrality of retailing to many aspects of human experience from the provisioning of everyday goods to the shaping of urban environments from earning a living to the construction of identity Over the last few decades interest in the history of retail has increased greatly spanning centuries extending to all areas of the globe and drawing on a range of disciplinary perspectives By offering an up to date comprehensive thematic spatial and chronological coverage of the history of retailing this Companion goes beyond traditional narratives that are too simplistic and Euro centric and offers a vibrant survey of this field It is divided into four broad sections 1 Contexts 2 Spaces and places 3 People processes and practices and 4 Geographical variations Chapters are written in an analytical and synthetic manner

accessible to the general reader as well as challenging for specialists and with an international perspective This volume is an important resource to a wide range of readers including marketing and management specialists historians geographers economists sociologists and urban planners

**The Struggle for Power in Colonial America, 1607-1776** William R. Nester, 2017-10-11 America's colonial era began and ended dramatically with the founding of the first enduring settlement at Jamestown on May 14 1607 and the Declaration of Independence in Philadelphia on July 4 1776 During those 169 years conflicts were endemic and often overlapping among the colonists between the colonists and the original inhabitants between the colonists and other imperial European peoples and between the colonists and the mother country As conflicts were endemic so too were struggles for power This study reveals the reasons for stages and results of these conflicts The dynamic driving this history are two inseparable transformations as English subjects morphed into American citizens and the core American cultural values morphed from communitarianism and theocracy into individualism and humanism These developments in turn were shaped by the changing ways that the colonists governed made money waged war worshipped thought wrote and loved Extraordinary individuals led that metamorphosis explorers like John Smith and Daniel Boone visionaries like John Winthrop and Thomas Jefferson entrepreneurs like William Phips and John Hancock dissidents like Rogers Williams and Anne Hutchinson warriors like Miles Standish and Benjamin Church free spirits like Thomas Morton and William Byrd and creative writers like Anne Bradstreet and Robert Rogers Then there was that quintessential man of America's Enlightenment Benjamin Franklin And finally George Washington who more than anyone was responsible for winning American independence when and how it happened

*John Banister of Newport* Marian Mathison Desrosiers, 2017-07-21 Merchant John Banister 1707 1767 of Newport Rhode Island wore many hats exporter importer wholesaler retailer money lender extender of credit and insurer owner and outfitter of sailing vessels and ship builder for the slave trade His recently discovered accounting records reveal his role in transforming colonial trade in mid 18th century America He combined business acumen and a strong work ethic with knowledge of the law and new technologies Through his maritime activities and real estate development he was a rain maker for artisans workers and producers contributing to income opportunities for businesswomen freemen and slaves Drawing on Banister's meticulous daybooks ledgers letters and receipts the author analyzes his contribution to the economic history of colonial America highlighting the complexity of the commerce of the era

**Consumerism in World History** Peter N. Stearns, 2025-02-26 The third edition of *Consumerism in World History* explores the nature of consumerism and its evolution with particular emphasis on the modern consumer revolution and its global scope The book deals with crucial interpretive issues such as whether consumerism is a natural human expression or involves other causes the relationship between consumer apparatus such as shops and advertising and human needs and the interplay between Western and other regional forms of consumerism It covers major historical moments and changes including the consumer revolution in Western society beginning in the 17th century and regional

cultural patterns from the 19th century onward This is a substantially revised edition with updated suggested readings rewritten sections on premodern consumerism in agricultural societies and globalization and consumerism and expanded coverage of major regions like India and Latin America This volume is essential reading for all students of world history and will be of great value to those in business history and environmental history **The Poison Plot** Elaine Forman

Crane,2018-05-15 Explores in colonial Newport Rhode Island the tumultuous marriage of Benedict and Mary Arnold in the 1720s and 1730s In and through their sordid and possibly criminal marital story in which Mary is accused of poisoning Benedict Crane sheds light on the liabilities and possibilities for women under couverture the complex social and economic networks that bound together the elite and laboring classes of Newport and the trans oceanic cultures of trade consumption and sociability that came to shape expectations for marital satisfaction on both sides of the Atlantic A Cultural History of Objects in the Age of Enlightenment Audrey Horning,2022-08-31 A Cultural History of Objects in the Age of Enlightenment covers the period 1600 to 1760 a time marked by the movement of people ideas and goods The objects explored in this volume from scientific instrumentation and Baroque paintings to slave ships and shackles encapsulate the contradictory impulses of the age The entwined forces of capitalism and colonialism created new patterns of consumption facilitated by innovations in maritime transport new forms of exchange relations and the exploitation of non Western peoples and lands The world of objects in the Enlightenment reveal a Western material culture profoundly shaped by global encounters The 6 volume set of the Cultural History of Objects examines how objects have been created used interpreted and set loose in the world over the last 2500 years Over this time the West has developed particular attitudes to the material world at the centre of which is the idea of the object The themes covered in each volume are objecthood technology economic objects everyday objects art architecture bodily objects object worlds Audrey Horning is Professor at William Mary USA and at Queen s University Belfast UK Volume 4 in the Cultural History of Objects set General Editors Dan Hicks and William Whyte **A Business History of Retail** Bettina Liverant,2024-09-05 Although transformations in retailing are of tremendous current interest there is no single broad ranging account of the evolution of retailing formats A Business History of Retail fills this gap providing a chronological presentation of changes in retail businesses and shopping experiences from pre industrial times to the present Retailing is explored as both an economic and a cultural phenomenon tracing retail strategies and business operations as they are reconfigured by retailers adapting to changing conditions new technologies government policies and evolving markets Relationships between the makers sellers and buyers of goods are shaped and reshaped as retailers large and small respond to competition and pursue new opportunities Areas of continuity are identified even as businesses grow and strategies evolve After four centuries there are more retailers selling more merchandise in more ways to more customers The mass consumption of goods and services is central to American and Canadian history and understanding consumer society requires understanding retailing Combining original research with recent scholarship in

business and social history cultural theory and readings in current retail business strategy this study provides a valuable resource for students and scholars in a wide range of fields and will appeal to general readers with an interest in retail shopping and consumerism     *Interpreting American Jewish History at Museums and Historic Sites* Avi Y.

Decter,2016-11-09 Jews are part and parcel of American history From colonial port cities to frontier outposts from commercial and manufacturing centers to rural villages and from metropolitan regions to constructed communities Jews are found everywhere and throughout four centuries of American history From the early 17th century to the present the story of American Jews has been one of immigration adjustment and accomplishment sometimes in the face of prejudice and discrimination This then is a narrative of minority majority relations of evolving norms and traditions of ongoing conversations about community and culture identity and meaning *Interpreting American Jewish History at Museums and Historic Sites* begins with a broad overview of American Jewish history in the context of a religious culture than extends back more than 3 000 years and which manifests itself in a variety of distinctive American forms This is followed by five chapters each looking at a major theme in American Jewish history movement home life community prejudice and culture The book also describes and analyzes projects by history organizations large and small to interpret American Jewish life for general public audiences These case studies cover a wide range of themes approaches formats The book concludes with a history of Jewish collections and Jewish museums in North America and a chapter on next practice that promote adaptive thinking continuous innovation and programs that are responsive to ever changing circumstances     *The Oxford Companion to United States History* Paul S. Boyer,2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America s political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions *Marbury v Madison* *Roe v Wade* landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books *The Jungle* *Uncle Tom s Cabin* ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation s social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new century *The Oxford Companion to United States*

History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments

**The Global Bourgeoisie** Christof DeJung, David Motadel, Jürgen Osterhammel, 2019-11-26 The first global history of the middle class While the nineteenth century has been described as the golden age of the European bourgeoisie the emergence of the middle class and bourgeois culture was by no means exclusive to Europe The Global Bourgeoisie explores the rise of the middle classes around the world during the age of empire Bringing together eminent scholars this landmark essay collection compares middle class formation in various regions highlighting differences and similarities and assesses the extent to which bourgeois growth was tied to the increasing exchange of ideas and goods The contributors indicate that the middle class was from its very beginning even in Europe the result of international connections and entanglements Essays are grouped into six thematic sections the political history of middle class formation the impact of imperial rule on the colonial middle class the role of capitalism the influence of religion the obstacles to the middle class beyond the Western and colonial world and lastly reflections on the creation of bourgeois cultures and global social history Placing the establishment of middle class society into historical context this book shows how the triumph or destabilization of bourgeois values can shape the liberal world order The Global Bourgeoisie irrevocably changes the understanding of how an important social class came to be

**Imagining Consumers** Regina Lee Blaszczyk, 2020-03-24 Winner of the Hagley Prize in Business History from The Hagley Museum and Library and the Business History Conference Selected by Choice Magazine as an Outstanding Academic Title Originally published in 1999 Imagining Consumers tells for the first time the story of American consumer society from the perspective of mass market manufacturers and retailers It relates the trials and tribulations of china and glassware producers in their contest for the hearts of the working and middle class women who made up more than eighty percent of those buying mass manufactured goods by the 1920s Based on extensive research in untapped corporate archives Imagining Consumers supplies a fresh appraisal of the history of American business culture and consumerism Case studies illuminate decision making in key firms including the Homer Laughlin China Company the Kohler Company and Corning Glass Works and consider the design and development of ubiquitous lines such as Fiesta tableware and Pyrex Ovenware

The Rise of Middle-Class Culture in Nineteenth-Century Spain Jesus Cruz, 2011-12-12 In his stimulating study Jesus Cruz examines middle class lifestyles generally known as bourgeois culture in nineteenth century Spain Cruz argues that the middle class ultimately contributed to Spain's democratic stability and economic prosperity in the last decades of the twentieth century Interdisciplinary in scope Cruz's work draws upon the methodology of various areas of study including material culture consumer studies and social history to investigate class In recent years scholars in the field of Spanish studies have analyzed disparate elements of modern middle class milieu such as leisure and sociability but Cruz looks at

these elements as part of the whole He traces the contribution of nineteenth century bourgeois cultures not only to Spanish modernity but to the history of Western modernity more broadly The Rise of Middle Class Culture in Nineteenth Century Spain provides key insights for scholars in the fields of Spanish and European studies including history literary studies art history historical sociology and political science      *Sports in American History* Gerald R. Gems,Linda J. Borish, Gertrud Pfister,2022-04-19 Sports in American History From Colonization to Globalization Third Edition journeys from the early American past to the present to help students grasp the compelling evolution of American sporting practices      **Sports in American History, 2E** Gems, Gerald,Borish, Linda,Pfister, Gertrud,2017-02-27 Sports in American History From Colonization to Globalization Second Edition journeys from the early American past to the present to give students a compelling grasp of the evolution of American sporting practices
