## **Context Sensitive Development How International Ngos Operate In Myanmar:**

*Context-sensitive Development* Anthony Ware, 2012 Development is a difficult endeavor in any environment much more so in places such as Myanmar with its perfect storm of extreme poverty international sanctions and political repression and human rights violations with concomitant conflicts within development organizations over norms and policies This book examines how to effect successful development interventions in Myanmar The author points out how practitioners have questioned universal economic prescriptions for development in ways that they have not questioned the normative foundations behind their work Ware does not argue for a facile moral relativism he sees Myanmar as an egregious violator of human rights but he does call for context sensitivity to help organizations adapt their values to meet better the needs of client populations Through fieldwork and an extensive series of interviews Ware brings into focus key issues of perception and practice that are intrinsic to the development enterprise Supplied by publisher **Development in Difficult**

**Sociopolitical Contexts** A. Ware, 2016-04-30 This edited volume explores development in the so called fragile failed and pariah states It examines the literature on both fragile states and their development and offers eleven case studies on countries ranking in the very high alert and very high warning categories in the Fund for Peace Failed States Index

*Myanmar's Transition* Nick Cheesman, Monique Skidmore, Trevor Wilson, 2012 With the world watching closely Myanmar began a process of political administrative and institutional transition from 30 January 2011 After convening the parliament elected in November 2010 the former military regime transferred power to a new government headed by former Prime Minister and retired general U Thein Sein With parliamentary processes restored in Myanmar s new capital of Naypyitaw Thein Sein s government announced a wide ranging reform agenda and began releasing political prisoners and easing press censorship Pivotal meetings between Thein Sein and Aung San Suu Kyi led to amendment of the Election Law and the National League for Democracy contesting by elections in April 2012 The 2011 Myanmar Burma update conference considered the openings offered by these political changes and media reforms and the potential opportunities for international assistance Obstacles covered include impediments to the rule of law the continuation of human rights abuses the impunity of the Army and the failure to end ethnic insurgency **The Culture of Giving in Myanmar** Hiroko

Kawanami, 2020-06-11 How can people living in one of the poorest countries in the world be among the most charitable In this book Hiroko Kawanami examines the culture of giving in Myanmar and explores the pivotal role that Buddhist monastic members occupy in creating a platform for civil society Despite having at one time been listed as one of the poorest countries in the world in GNP terms Myanmar has topped a global generosity list for the past four years with more than 90 percent of the population engaged in giving activities This book explores the close relationship that Buddhists share with the monastic community in Myanmar extending observations of this relationship into an understanding of wider Buddhist cultures It then examines how deeply the reciprocal transactions of giving and receiving in society or interdependent living are implicated in

the Buddhist faith The Culture of Giving in Myanmar fills a gap in research on Buddhist offerings in Myanmar and is an important contribution to the growing field of Myanmar studies and anthropology of Buddhism *Peacebuilding, Conflict and Community Development* John Eversley, Sinéad Gormally, Avila Kilmurray, 2022-11-28 How do local communities effectively build peace and reconciliation before during and after open violence This trailblazing book gives practical examples from the Global North the former Soviet bloc and Global South on communities addressing conflict in divided and contested societies The book draws on a range of critical perspectives and practitioner analyses The diverse case studies demonstrate the considerable knowledge skills commitment courage and relationships within local communities that a critical community development approach can support and encourage Concluding with activists perspectives on working with the challenges of violence the book offers insights for both an understanding of the root causes of conflict and for bottom up peacebuilding *The Routledge Handbook of Community Development* Sue Kenny, Brian McGrath, Rhonda Phillips, 2017-10-18 The Routledge Handbook of Community Development explores community development theory and practice across the world The book provides perspectives about community development as an interactive relevant and sometimes contradictory way to address issues impacting the human condition It promotes better understanding of the complexities and challenges in identifying designing implementing and evaluating community development constructs applications and interventions This edited volume discusses how community development is conceptualized as an approach method or profession Themes provide the scope of the book with projects issues or perspectives presented in each of these areas This handbook provides invaluable contextualized insights on the theory and practice of community development around core themes relevant in society Each chapter explores and presents an issue perspectives project or case in the thematic areas with regional and country context included It is a must read for students and researchers working in community development planning and human geography and an essential reference for any professional engaged in community development *Contested Civil Society in Myanmar* Maaike Matelski, 2025-05-20 This book illustrates the ways in which contestations in Myanmar society are reflected in civil society It provides an up to date overview of the main identities and contestations in Myanmar society as a whole The Protection Roles of Human Rights NGOs , 2022-12-30 This book focuses for the first time ever on the protection roles of human rights NGOs since the establishment of the United Nations and the adoption of the Universal Declaration of Human Rights It also looks at how NGOs are responding to future challenges such as artificial Intelligence robots in armed conflicts digital threats and the protection of human rights in outer space Written by leading NGO human rights practitioners from different parts of the world it sheds light on the multiple roles of the leading pillar of the global human rights movement the Non Governmental Organizations This is a rich and wonderful production a great magnum opus that will continue to test the scrutiny of all times Professor Theo van Boven Professor Emeritus Law University of Maastricht The Netherlands **Development Across Faith Boundaries** Anthony

Ware,Matthew Clarke,2016-11-03 Faith based organisations FBOs have long been recognised as having an advantage in delivering programs and interventions amongst communities of the same faith However many FBOs today work across a variety of contexts including with local partners and communities of different faiths Likewise secular NGOs and donors are increasingly partnering with faith based organisations to work in highly religious communities Development Across Faith Boundaries explores the dynamics of activities by local or international FBOs that cross faith boundaries whether with their partners donors or recipient communities The book investigates the dynamics of cross faith partnerships in a range of development contexts from India Cambodia and Myanmar to Melanesia Bosnia Ethiopia and Afghanistan The book demonstrates how far FBOs extend their activities beyond their own faith communities and how far NGOs partner with religious actors It also considers the impacts of these cross faith partnerships including their work on conflict and sectarian or ethnic tension in the relevant communities This book is an invaluable guide for graduates researchers and students with an interest in development and religious studies as well as practitioners within the aid sector     The Politics of

Federalization in Myanmar Dulyapak Preecharush,2023-02-24 This book examines the trajectory of federalization in Myanmar s political development evaluating the attitudes of different political actors toward and negotiation strategies for designing federalism It argues that three factors drive federalization in Myanmar namely constitutionalization conflict management and democratization The confluence of these forces arrived at a critical juncture in 2011 the start of Myanmar s political transition leading to significant changes in Myanmar s federation process By analyzing the changes and continuities in federalism building the book charts the dynamic pathway toward Myanmar s current federalization revealing how periods of progress and stagnation reflect varying world views and the individual strategies of prominent political actors Offering a systematic conceptual framework on federalism in Myanmar this will be a useful resource for students and scholars of Political Science Comparative Politics and Southeast Asian Politics     Territorial Separatism in Global Politics Damien

Kingsbury,Costas Laoutides,2015-03-05 This volume examines the various aspects of territorial separatism focusing on how and why separatist movements arise Featuring essays by leading scholars from different disciplinary perspectives the book aims to situate the question of separatism within the broader socio political context of the international system arguing that a set of historical events as well as local regional and global dynamics have converged to provide the catalysts that often trigger separatist conflicts In addition the book marks progress towards a new conceptual framework for the study of territorial separatism by linking the survival of communities in international politics with the effective control of territory and the consequent creation of new polities Separatist conflicts challenge conventional wisdom concerning conflict resolution within the context of international relations by unpacking a number of questions with regard to conflict transformation Through the use of case studies including Cyprus the Rakhine state in Myanmar the Shia separatism in Iraq the Uighurs in China and the case of East Timor the volume addresses key issues including the role of democracy international law

intervention post conflict peacebuilding and the creation of new political entities The book will be of much interest to students of Intra State Conflict Conflict Resolution International Law Security Studies and International Relations
