Harris-Short, Steven Vaughan, Richard Young, 2015-03-26 We are currently witnessing an unprecedented transformation in the legal profession and legal education The Legal Services Act 2007 and the Legal Aid Sentencing and Punishment of Offenders Act 2012 have both enabled and necessitated dramatic structural changes to the profession as well as impacting on its ethos and ethicality The recent Legal Education and Training Review LETR promises similarly dramatic change to the provision of legal education reflecting the shifting landscape of both the legal professional market and Higher Education in general These transformative changes bring both exciting opportunities and challenges with which everyone involved in the law from University lecturers to Senior Partners in leading law firms to the judiciary must grapple This edited collection comprises a selection of papers presented at the 2nd conference of CEPLER Birmingham Law School s Centre for Professional Legal Education and Research The aim of the Conference and thus this collection was to bring together leading academic scholars senior figures from professional practice policy makers and representatives of the regulatory authorities to reflect on the key issues arising from this transformative moment As such this volume of essays covers diverse ground from curriculum development to professional theory enriched and enhanced by the range of backgrounds and perspectives of its contributors **A Subject Index to Current Literature** Australian Public Affairs Information Service, **Economics**

of Defense Policy: Lawyers and legal ethics United States. Congress. Joint Economic Committee, 1982 **Professional Legal Ethics** Donald Nicolson, Julian Webb, 2000-02-03 Ethics and regulation have become catchwords of the late 1990s yet relatively little has been written about the ethical discourse and regulation of the legal professions in England and Wales This book represents the first attempt to subject the ethical discourse of the English legal professions to in depth analysis and sustained critique Drawing on insights from moral philosophy social theory the sociology of the legal profession public law theories of regulation and the extensive American literature on lawyers ethics it argues that in seeking to provide definitive answers to particular problems of professional conduct professional legal ethics has failed to deliver an approach which requires lawyers actively to engage with the ethical issues raised by legal practice Through an analysis of the core issues facing lawyers the authors locate this failure in the profession s reliance on a liberal and adversarial role morality that conceptualises the ethical values of human dignity autonomy and equality in a formalistic and narrowly legalistic manner

This encourages lawyers to overlook the real invasions of these values so often wrought by upholding clients legal rights and to ignore the competing claims of affected third parties the wider community and the environment In seeking to move beyond critique the authors develop throughout the book a contextual approach to individual ethical decision making and outline a range of institutional regulatory and educational reforms which they suggest could form the basis for a more ethical brand of professionalism Professional Legal Ethics Critical Interrogations is a wide ranging and thought provoking analysis written for lawyers ethicists and policy makers interested in this neglected area of professional ethics and regulation **Technology,**

Legal Education and Legal Profession in China and Australia Shu Zhang,Jie Luo,Peng Guo,2025-02-04 This book adopts a comparative and empirical approach to the discussion relating to the subject matter The book compares various selected topics in both China and Australia drawing attention to historical contemporary and international characteristics Also in discussing the topics the authors will conduct surveys and interviews to get first hand materials and describe the real situations in both countries To the best knowledge of the authors this is the first time that this approach has been adopted to compare legal education and the legal profession focusing on China and Australia This book introduces legal education and the legal profession in China and Australia to lay a foundation based on which it further compares them More importantly this book discusses some selected topics relating to legal education and the legal profession in the context of globalization the digital age and COVID 19 The intended readership is an international audience including students at both undergraduate and graduate levels legal scholars and legal practitioners in general and those in China and Australia in particular This book intends to analyse the discourse of legal education and identify and create innovative ways of teaching and learning the law in China and Australia It focuses on research theory and practice within legal education and the legal profession based on imaginative and sophisticated educational thinking from an empirical and comparative perspective It also takes a broad view of theory and practice relating to legal education and the legal profession It is sensitive to the diversity of contexts in which law is taught learned and practised **Hot Topics in the Legal Profession - 2012** Steven Alan Childress,2012-01-29

Current important events in the U S legal profession and legal ethics with useful research and analysis of the rules and the profession s current status are explored by Tulane law students from an advanced ethics seminar The collection is edited by Tulane legal ethics professor Steven Alan Childress and he previews in his Foreword the students explorations of the big stories of 2011 Purchase of this book benefits Tulane s Public Interest Law Foundation a nonprofit student group that funds public interest placements and indigent client representations throughout the country The timely topics include prosecutorial relationships with public defenders bar discipline for behavior outside the practice of law false guilty pleas the capital defense of Jared Loughner Justice Scalia s seminar for conservative congressmembers sensitivity to cultural competence legal outsourcing and competition the dilemma of student debt in a slowed legal economy the practice of law by legal websites like LegalZoom and the advocate witness rule **The Brazilian Legal Profession in the Age of Globalization**

Luciana Gross Cunha,Daniela Monteiro Gabbay,José Garcez Ghirardi,David M. Trubek,David B. Wilkins,2018-01-11 This book provides the first comprehensive analysis of globalization s impact on the Brazilian legal profession Employing original data from nine empirical studies the book details how Brazil s need to restructure its economy and manage its global relationships contributed to the emergence of a new corporate legal sector a sector marked by increasingly large and sophisticated law firms and in house legal departments This corporate legal sector in turn helped to reshape other parts of the Brazilian legal profession including legal education pro bono practices the regulation of legal services and the state s legal capacity in international economic law The book the second in a series on Globalization Lawyers and Emerging Economies will be of interest to academics lawyers and policymakers concerned with the role that a rapidly globalizing legal profession is playing in the development of key emerging economies and how these countries are integrating into the global market for legal services
