Legal Translation and Bilingual Law Drafting in Hong Kong Clara Ho-yan Chan, 2020-05-11 Legal Translation and Bilingual Law Drafting in Hong Kong presents a systematic account from a cross disciplinary perspective of the activities of legal translation and bilingual law drafting in the bilingual

international city of Hong Kong and its interaction with Mainland China and Taiwan in the use of legal terminology The study mainly examines the challenges posed to English Chinese translation in the past three decades by elaborate drafting and terminological equivalence and offers educational and research solutions Its primary goals are to create legal Chinese that naturally accommodates common law concepts and statutes from the English legal system and to reconcile Chinese legal terms from the different legal systems adopted by Hong Kong Mainland China and Taiwan The new directions in legal translation and bilingual law drafting in Hong Kong will have implications for other Chinese regions and for the world The book is intended for scholars researchers teachers and students of legal translation and legal linguistics legal translators lawyers and legal practitioners who are engaged in translation as well as all persons who are interested in legal language and legal translation Wearing Chinese Glasses Greg Bissky,2011-07-18 **Chinese Contract Law** Larry A.

DiMatteo,Chen Lei,2017-10-26 This book is the product of a unique collaboration between Mainland Chinese scholars and scholars from the civil common and mixed jurisdiction legal traditions It begins by placing the current Chinese contract law CCL in the context of an evolutionary process accelerated during China s transition to a market economy It is structured around the core areas of contract law anticipatory repudiation common law and defense of security German law and remedies and damages with a focus on the availability of specific performance in Chinese law The book also offers a useful comparison between the CCL and the UNIDROIT Principles of International Commercial Contracts as well as the Convention on Contracts for the International Sale of Goods The analysis in the book is undertaken at two levels practical application of the CCL and scholarly commentary **Chinese Civil Adjudications I** Cui Jianyuan,2024-05-22 As the first volume of a

three volume set that provides critical reviews of typical civil cases in China this book focuses on the methodology of legal relations and their importance in adjudication It is crucial to identify and determine the specific legal relationship that encompasses certain civil rights or obligations This allows for the application of appropriate or analogous legal norms By using these norms along with the entire body of law or rule of law it becomes possible to identify all the civil rights and obligations within that legal relationship and to understand their interrelationships This leads to the proper handling of controversial cases In the nine cases discussed in this volume the method of legal relations was overlooked to varying degrees Therefore an important goal of this volume is to encourage both legal practice and theoretical research to take note of and implement the methodology of legal relations The book will appeal to scholars and students interested in China s civil litigation civil law system and judicial reform and comparative law **Chinese Legal Translation** Wang Yan,2023-12-20

Chinese Legal Translation analyses and investigates the Chinese translation of conditional clauses introduced by various introductory words in Hong Kong bilingual ordinances within the framework of descriptive translation studies and translation typology This book explores the text typology of Hong Kong bilingual ordinances and highlights differences and similarities between different translations of conditional clauses in the Hong Kong context Based on both quantitative and qualitative

analysis of conditional clauses of the Companies Ordinance the book summarises the frequency of introductory words of conditional clauses and generalises guiding patterns for writing conditional clauses and translating conditional clauses The book is significant in providing both theoretical foundations for legal translation and practical guidance for translating legal conditional clauses This book is primarily targeted for scholars and professionals who are interested in legal writing and legal translation as well as for students and practitioners in legal translation Renmin Chinese Law Review Jichun

Shi,2017-01-27 Renmin Chinese Law Review Volume 4 is the fourth work in a series of annual volumes on contemporary Chinese law which bring together the work of recognized scholars from China offering a window on current legal research in China **Control of Price Related Terms in Standard Form Contracts** Yeşim M. Atamer,Pascal Pichonnaz,2019-11-19

This book explores various approaches around the world regarding price term control and particularly discusses the effectiveness of two major paths ex ante regulatory and ex post judicial intervention Price control and its limits are issues that affect all liberal market economies as well as more regulated markets For the past several years courts in many different countries have been confronted with the issue of whether and to what extent they should intervene regarding price related terms in standard form contracts especially in the area of consumer contracts Open price clauses flat remunerations price adjustment clauses clauses giving the seller supplier the right to ask for additional payments bundling or partitioning practices etc a variety of price related terms are used to manipulate customers choices often also by exploiting their behavioral biases The result is an unfavorable contract that is later challenged in court However invalidating a given price term in standard forms e g of a banking or utilities contract only has an inter partes effect which means that in thousands if not millions of similar contracts the same clauses continue to be used Effective procedural rules are often lacking Therefore pricing patterns that serve to hide rather than to reveal the real cost of goods and services require special attention on the part of regulators The aim of this book is to determine the various approaches in the world regarding price term control and particularly to discuss the efficiency of both paths ex ante regulatory and ex post judicial intervention Thanks to its broad comparative analysis this book offers a thorough overview of the methods employed in several countries It gathers twenty eight contributions from national rapporteurs and one supra national rapporteur EU to the 2018 IACL Congress held in Fukuoka These are supplemented by a general report presented at the same IACL Congress which includes a comparative analysis of the national and supranational reports The national contributors hail from around the globe including Africa 1 Asia 5 Europe 17 the European Union 1 and the Americas 5 Between China and Japan Joshua A. Fogel,2015-05-12 Over the past thirty five years Joshua Fogel has pioneered the study of Sino Japanese cultural and political relations understood as the intersections of the histories of these two countries This volume brings together many of his essays and reviews in this new field For a variety of reasons discussed within scholars have been reluctant to look at these two nation s historical connections either through comparative analysis or actual interactions Fogel s work has focused squarely here Among the

issues addressed are Japanese scholarly views of modern China and Chinese history Chinese considerations of the Japanese language in the Ming and Qing periods the Japanese immigration to the East Asian Mainland especially to Shanghai and Harbin and more
