An August in Warsaw Randy Komraus, 2007-11 Although the title suggests otherwise this book has absolutely nothing to do with either Warsaw Poland or the month of August Instead it's a satirical look at a small Midwestern town in the late 60's and early 70's This book depicts bizarre behavior to the extent that I didn't feel it was necessary to state that the story was based on fictional characters I'm assuming anyone who thought this book was about them is currently either in therapy or taking copious amounts of recreational drugs If you don't normally read fiction consider reading it to use as an operator's manual on how not to screw up your life Reviews from the book's characters Amos I intend to sue for defamation of character Bernadette I think Ron is just misunderstood I think basically he's a good person However I feel it's important to note that I've known him for less than a year Grandpa This kid will end up killing me Buttons the cat I will have my revenge

The Must-Have Mom Manual Sara Ellington, Stephanie Triplett, 2009 Sara Ellington and Stephanie Triplett share their often different opinions on various aspects of raising children from birth to age six covering the hospital experience breastfeeding versus bottle feeding going back to work car seats discipline kids and sports household management potty training schools and many other topics
