Does God Feel Your Pain Finding Answers When Life Hurts:

Does God Feel Your Pain? H. Wayne House, William Grover, 2009 The furnace of affliction has a way of bringing to surface some of the hardest questions of life many of them questions about God And the only trustworthy source for answers is the Bible which God Himself wrote In Does God Feel Your Pain authors Wayne House and William Grover skillfully interweave compassion honesty and scriptural counsel as they explore these difficult issues and more Why has God allowed evil in the world Why does God permit pain in our lives How can God really be in control when Satan is at work Why aren't my prayers being answered Is it really possible to know joy even in the worst of pain Readers will find this a highly personal and practical resource that can help restore bright hope even in the midst of dark despair **Answers to Common**

Questions About God H. Wayne House, Timothy J. Demy, 2013-12-18 The Bible is a ready resource for guidance on topics and questions that often perplex believer and curious nonbeliever alike But where do you begin to look for the answers In fact how do we know for sure that we can even trust the Bible to provide the answers being sought Making sense of the many images of God and teachings about the Godhead that appear in the Bible Answers to Common Questions About God tackles such subjects as How do we know God even exists How could God have always existed Can God really feel my personal pain Do all religions lead to God Written in question and answer format for easy access these quick reference guides provide succinct summaries of authoritative information so readers can be confident of what they read and be prepared to discuss these topics with family friends or neighbors accurately **Between Heaven and Earth** Steve Berger, 2014-03-04 Be Transformed by a Glimpse of Paradise What will heaven be like What will we do Who will we see How can I become more excited about heaven as my true home Is it possible that knowing more about heaven will result in greater joy and purpose in my daily life It's not easy separating fact from fiction when it comes to heaven nor is it always easy to see how the afterlife can affect our lives today After a car accident caused his nineteen year old son to unexpectedly enter heaven Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new eternal home He had no idea how much there was to learn and his life hasn't been the same since This biblical and deeply personal study of heaven will give you hope for the future But more than that it will show you what it means to live today in light of the reality of heaven If your view of heaven isn't life changing it needs to be adjusted Let Pastor Berger's exploration of eternity fill you with overflowing hope courage and purpose Sometimes we feel stuck stuck between the hope of heaven and the pain of this world In Between Heaven and Earth my friend Steve Berger shows us how to not only live in that tension but how and why we should embrace it Dave Ramsey New York Times bestselling author and nationally syndicated radio show host I grew up hearing people say Some Christians are so heavenly minded they are of no earthly good Nowadays it seems like the church has become so earthly minded we're of no heavenly good In Between Heaven and Earth my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind set Colossians 3:1-2 in order to make a real difference in people's lives while we

remain on earth Embrace the truths of this book learn how to have your heart in heaven and your hand in the harvest It s one decision you ll never regret Jeremy Camp When my friend Steve Berger talks about heaven I sit up and listen I ve walked with Steve as he s faced the trials of this life and I ve observed how he has emerged with a deeper faith and love for the Father and the people around him What he has taught me makes me long for heaven It also makes me want to spend my time on earth making a difference and finishing well Michael W Smith A beloved pastor and teacher Steve Berger taught for years on the reality of heaven even as we serve Christ on earth never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment Some of God s greatest mysteries are wrapped up in tragedy but the tear stained wisdom mined in that darkness is a gift to us all In this marvelous book heaven will become a greater reality even as we are invited to live our lives on earth with greater passion Sheila Walsh author of *The Storm Inside* Steve has a rich compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today Therefore I encourage readers not to stop at just one instead buy a whole case of these puppies and pass them out to all your friends and family Lisa Harper author Bible teacher and Women of Faith speaker In stark contrast to the Bible and the whole of Christian history today s believers think little about heaven and much about the comforts challenges and distractions of this life In this much needed corrective Pastor Steve Berger challenges and equips us to be more heavenly minded so we can in fact be more earthly good Michael Hyatt New York Times bestselling author

Daniels JR.,2014-10-21 So much of our attention in congregational development is spent dealing with internal issues and opportunities that we turn more and more inward Even our outward work smacks of our inward bias as we invite people to our events and ponder how to make our events more compelling for those who aren't part of our congregations John Wesley the founder of Methodism is known for saying the world is our parish Simply stated the streets are our sanctuary Our communities are our congregations Yet too often congregations ignore their neighborhoods They don't consider the vast resource of people surrounding their church and seem to forget that Pentecost the very event that gave birth to the church happened in the streets It's time for churches and congregations to engage with the people around them most of whom have not yet made a faith decision but are hungering for the grace that only God can provide Participate in this study of Nehemiah and discover what people God is asking you to encourage what walls God is calling you to repair what ministry God might be calling you to lead or do and where you should start This book will give readers inspiration and practical tools for engaging with their communities in ways that help congregations and communities become whole Uncommon Love Mary Comm,2018-08-07 Uncommon Love is a landmark Bible study and the first of its kind In a culture where gay rights gay marriage and a surplus of gender issues have recently exploded in the media more and more kids are coming out and many of these are from Christian homes with Christian parents who don't know what to do how to respond where to draw boundaries or if they even should Scripture which is the foundational basis for how to live the Christian life has even been brought into question further confusing the hearts and minds of Christian parents Mary Comm presents a comprehensive navigational map for Christian parents whose kids whether minor or adult have Same Sex Attraction or are living the LGB lifestyle The primary purpose of Uncommon Love is to help parents maintain a loving mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity faith and values **Tier 1 Christianity** Dr ew Alan Hall,2022-11-10 To be a tier 1 operator requires a commitment to being the best of the best A choice that requires passion work sacrifice and mental toughness Each member of this elite community chose that life and all that comes with it That choice enters them into life that rejects average and apathy The title of tier 1 operator is earned every single day The world has a problem with accepting average as the standard Apathy has crept into our work ethic and relationships Without warning the same attitude of apathy can invade our faith This is a personal choice for each of us Remember Jesus calls us to pick up our cross daily and follow him Just because apathy is the standard the world accepts it does not have to be ours If you want to become a better disciple of Jesus then this book is for you If you are exploring Christianity then this book is for you If your faith needs some encouragement then this book is for you In Tier 1 Christianity we will draw connections between the lessons stories and heroes of the tier 1 community and the gospel of Jesus Christ Jesus

is calling each of us to be the greatest disciple we can be To avoid being lukewarm at all cost and to strive to be soul set on fire for Jesus

Letters to My Mother Mary Ruth Borg,2009-10-27 I knew I liked to write when I was a teenager locking myself in my room I was angry frustrated and needed a positive outlet I was tired of breaking things I was sad having to pick up pieces of my little treasures So I picked up a pencil to write about how I felt and why I was being self destructive I was determined to find a way to diffuse the confusion in my head Taught very early to pray I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didn t know I could change that I didn t know any better I became afraid for my children I thought I was crazy and didn t have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe

Getting Over It God's Way Edye Burrell,2010-09-28 Why does everyone else seem so happy Can t anyone see how badly I m hurting Why did God let this happen to me Am I the only one who hurts We all ask these kinds of questions when our hearts have been wounded Do you live your life pretending to be okay Have you tried to just get over it and found yourself moving forward only to end up right back where you started dealing with the same pain and the same issues People often wonder why life doesn t magically change when they have trusted God to heal their wounded hearts Based on lessons from Ezra and Haggai this book will show you your part in the journey to freedom healing and wholeness working with God to rebuild that which was torn down by the wounds you ve experienced
