The Attributes of God

Blake T. Ostler

Exploring Mormon Thought The Attributes Of God Vol 1

Wayne Hudson

Exploring Mormon Thought The Attributes Of God Vol 1:

Exploring Mormon Thought Blake T. Ostler, 2001-10-01 In this first volume Blake T Ostler explores Christian and Mormon notions about God Written for both Mormons and non Mormons interested in the relationship between Mormonism and classical theism his path breaking *Exploring Mormon Thought The Attributes of God* is a critique of classical theism regarding some of the central concepts that have formed the Christian understanding of God He deals with questions of traditional philosophical theology including free will and foreknowledge the nature of God and Christology The approach to these questions is from the analytic philosophical tradition and includes detailed arguments relating to the coherence of Christian belief scripture and practice However he recognizes that religious faith is far more a product of intimacy with the divine than of ultimacy of reason more a product of relationships than of logical necessities He provides an overview of the most influential Christian notions of deity exploring themes and resources within this discourse that might be helpful to Latter day Saint explorations Also highlighted are various perspectives within Mormonism itself including a detailed analysis of Joseph Smith s Lectures on Faith and discussion of the thought of Orson and Parley Pratt B H Roberts and John Widstoe Earlier Mormon thought is demonstrated to have included a concept of God as a being in process He suggests areas in which Mormon approaches to questions about free agency and God s omnipotence might suggest resolutions to some of the difficult issues that have troubled theologians and philosophers for centuries For the first time ever Ostler formulates a systematic Mormon Christology

Exploring Mormon Thought Blake T. Ostler, 2008-04-01 In his long anticipated third volume *Of God and Gods* Blake Ostler steps through the common complaint that Mormons aren t Christians because they believe in three separate individuals in the Godhead as well as the deification of human beings He demonstrates the clear biblical understanding both in the precursors of the Old Testament and the New that Jesus and God the Father were not one in some incomprehensible substance while separate in person but were actually distinct individuals What made them one was their indwelling love It is that loving unity into which they invite human beings In language and thought accessible to the lay reader but simultaneously rigorous and scholarly Ostler analyzes and responds to the arguments of contemporary international theologians reconstructs and interprets Joseph Smith s important King Follett Discourse and Sermon in the Grove just before the Mormon prophet s death and argues persuasively for the Mormon doctrine of robust deification

Beyond Religion and the Secular Wayne Hudson, 2022-11-17 Deploying a distinctive disaggregative approach to the study of religion this volume shows that spiritual movements with extensive counterfactual beliefs have been much more creative than one might expect Specifically Wayne Hudson explores the creativity of six spiritual movements the Bah s a Persian movement Soka Gakkai a Japanese movement Ananda Marga and the Brahma Kumaris two reformed Hindu movements and two controversial American churches The Church Universal and Triumphant and the Church of Jesus Christ of Latter day Saints Most of these movements have counterintuitive features that have led Western scholars making

Enlightenment assumptions to dismiss them as irrational and or inconsequential However this book reveals that these movements have responded to modernity in ways that are creative and practical resulting in a wide range of social educational and cultural initiatives Building on research surrounding the ways in which spiritual movements engage in cultural productions this book takes the international research in a new direction by exploring the utopian intentionality such cultural productions reveal Mormonism and the Emotions Mauro Properzi,2015-05-21 Mormonism and the Emotions An Analysis of LDS Scriptural Texts is an introductory Latterday Saint LDS theology of emotion that is both canonically based and scientifically informed It highlights three widely accepted characteristics of emotion that emerge from scientific perspectives namely the necessity of cognition for its emergence the personal responsibility attached to its manifestations and its instrumentality in facilitating various processes of human development and experience In analyzing the basic theological structure of Mormonism and its unique canonical texts the objective is to determine the extent to which LDS theology is compatible with this three fold definition of emotion At this basic level of explanation the conclusion is that science and Mormon theology undoubtedly share a common perspective The textual investigation focuses on unique Mormon scriptures and on their descriptions of six common emotions hope fear joy sorrow love and hate For each of these emotional phenomena the extensive report of textual references consistently confirms an implied presence of the outlined three fold model of emotion Thus the evidence points to the presence of an underlying folk model of emotion in the text that broadly matches scientific definitions Additionally the theological examination is enlarged with a particular focus on the Mormon theology of atonement which is shown to play a significant role in LDS understandings of emotions A broad exploration of such areas as epistemology cosmology soteriology and the theological anthropology of Mormonism further contextualizes the analysis and roots it in the LDS theological worldview **Joseph Smith, Jesus, and Satanic Opposition** Professor Douglas J. Davies,2013-06-28 This book explores Mormon theology in new ways from a scholarly non Mormon perspective Bringing Jesus and Satan into relationship with Joseph Smith the founding prophet Douglas Davies shows how the Mormon Plan of Salvation can be equated with mainstream Christianity's doctrine of the Trinity as a driving force of the faith Exploring how Jesus has been understood by Mormons his many Mormon identities are described in this book he is the Jehovah of the Bible our Elder Brother and Father probably also a husband he visited the dead and is also the antagonist of Satan Lucifer This book offers a way into the Mormon problem of evil understood as apostasy from pre mortal times to today Three images reveal the wider problem of evil in Mormonism Jesus pre mortal encounter with Lucifer in a heavenly council deciding on the Plan of Salvation Jesus Christ's great suffering engagement with evil in Gethsemane and Joseph Smith's First Vision of the divine when he was almost destroyed by an evil force Douglas Davies well known for his previous accounts of Mormon life and thought shows how renewed Mormon interest in theological questions of belief can be understood against the background of Mormon church organization and its growing presence on the world stage of Christianity **Another**

Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book *“This Is My Doctrine”: The Development of Mormon Theology* Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This *Is My Doctrine* will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the

larger Jewish and Christian theological traditions

Mormon Christianity Stephen H. Webb, 2013-09-02 Mormons are adamant that they are Christian and eloquent writers within their own faith have tried to make this case but no theologian outside the LDS church has ever tried to demonstrate just how Christian they are Stephen H Webb's *Mormon Christianity: What Other Christians Can Learn from the Latter-day Saints* fills this void as the author writes neither as a critic nor a defender of Mormonism but as a sympathetic observer who is deeply committed to engaging with Mormon ideas Webb is unique in taking Mormon theology seriously by showing how it provides plausible and in some instances even persuasive alternatives to many traditional Christian doctrines His book can serve as an introduction to Mormonism but it goes far beyond that Webb explains how Mormonism is a branch of the Christian family tree that extends well beyond what most Christians have ever imagined His account of their creative appropriation of the Christian tradition is meant to inspire more traditional Christians to reconsider the shape of many basic Christian beliefs Mormon Christianity is not all affirming and celebratory It ends with a call to Mormons to be more focused on Christian essentials and an invitation to other Christians to be more imaginative in considering Mormon alternatives to traditional doctrines

The Uncontrolling Love of God Thomas Jay Oord, 2015-11-09 Rarely does a new theological position emerge to account well for life in the world including not only goodness and beauty but also tragedy and randomness Drawing from Scripture science philosophy and various theological traditions Thomas Jay Oord offers a novel theology of providence essential kenosis that emphasizes God's inherently noncoercive love in relation to creation

Irenaeus, Joseph Smith, and God-Making Heresy Adam J. Powell, 2015-10-30 Irenaeus Joseph Smith and God Making Heresy seeks both to demonstrate the salience of heresy as a tool for analyzing instances of religious conflict far beyond the borders of traditional historical theology and to illuminate the apparent affinity for deification exhibited by some persecuted religious movements To these ends the book argues for a sociologically informed redefinition of heresy as religiously motivated opposition and applies the resulting concept to the historical cases of second century Christians and nineteenth century Mormons Ultimately Irenaeus Joseph Smith and God Making Heresy is a careful application of the comparative method to two new religious movements highlighting the social processes at work in their early doctrinal developments

Dialogue, 2003 A journal of Mormon thought

Revisiting Thomas F. O'Dea's *The Mormons* Cardell K. Jacobson, John Patrick Hoffmann, Tim B. Heaton, 2008 Revisits the life and work of Thomas F O Dea author of a landmark social science treatment of Mormon society and culture offering new insights about the LDS Church and its members

Interpreter: A Journal of Latter-day Saint Faith and Scholarship, Volume 39 (2020) Daniel C. Peterson et al, This is volume 39 of *Interpreter: A Journal of Latter-day Saint Faith and Scholarship* published by The Interpreter Foundation It contains articles on a variety of topics Reckoning with the Mortally Inevitable Temporal Mercies and Eternal Being Using the Science of Time to Understand God's Nature and Our Own To Seek the Law of the Lord Forward Introduction and Biographical Highlights Nephi's Shazer The Fourth Arabian Pillar of the Book of Mormon John W Welch A

Personal Reminiscence God Hath Taken Away His Plainness Some Notes on Jacob 4 14 Revelation Canon Covenant and Law Baptized for the Dead Theories and Assumptions A Review of William L Davis s Visions in a Seer Stone Oral Creation and the Dictation of the Book of Mormon Faith Hope and Charity The Three Principal Rounds of the Ladder of Heavenly Ascent That Which They Most Desired The Waters of Mormon Baptism the Love of God and the Bitter Fountain The Transcendence of Flesh Divine and Human The Expanse of Joseph Smith s Translation Vision Jesus s Courtroom in John **Exploring Mormon Thought: The attributes of God** Blake Thomas Ostler,2001 *Journal of Mormon History* ,2005

Forthcoming Books Rose Arny,2002 *Subject Guide to Books in Print* ,1971 **Brigham Young University Studies** Brigham Young University,2008 A voice for the community of LDS scholars *Exploring Mormon Thought* Blake T. Ostler,2006-03-01 In volume 2 of the series Exploring Mormon Thought The Problems of Theism and the Love of God Blake Ostler explores issues related to soteriology or the theory of salvation He argues that the commitment that God loves us and respects our dignity as persons entails that God must leave us free to choose whether to have a saving relationship with him He explores the logic of love and argues that the LDS doctrine of a war in heaven embodies the commitment that God leaves us free to choose whether to enter into relationship with God He explores the nature of inter personal prayer and the contributions of LDS beliefs to a robust prayer dialogue He offers a view consistent with LDS commitments that makes sense out of asking God to assist others to alter the natural environment and to grow in relationship with God He then turns to the concept of grace and argues that the traditional views lead to insurmountable problems He argues that though God does not owe any obligation to us to give us grace God does so out of love However because divinity arises from loving relationships he argues that God could not fail to give sufficient grace to all persons and remain a loving God **The Attributes of God Volume 1** A. W. Tozer,2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That s why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of The Attributes of God examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church

Exploring Mormon Thought The Attributes Of God Vol 1 Book Review: Unveiling the Power of Words

Exploring Mormon Thought The Attributes Of God Vol 1 Introduction

In today's digital age, the availability of Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Exploring Mormon Thought The Attributes Of God Vol 1 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Exploring Mormon Thought The Attributes Of God Vol 1 books and manuals for download and embark on your journey of knowledge?

FAQs About Exploring Mormon Thought The Attributes Of God Vol 1 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Exploring Mormon Thought The Attributes Of God Vol 1 is one of the best book in our library for free trial. We provide copy of Exploring Mormon Thought The Attributes Of God Vol 1 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Exploring Mormon Thought The Attributes Of God Vol 1. Where to download Exploring Mormon Thought The Attributes Of God Vol 1 online for free? Are you looking for Exploring Mormon Thought The Attributes Of God Vol 1 PDF?

This is definitely going to save you time and cash in something you should think about.
