New Religions and Spiritualities

Stephen Hunt, 2017-03-02 Since the 1960s a fresh wave of new religions and what has come to be termed spiritualities have been evident on a global scale This volume in The Library of Essays on Sexuality and Religion focuses on these new religions and their often contentious attitudes towards human sexuality Part 1 through previously published articles provides instances of affirming orientations of the new religions towards sexuality This entails scrutinising examples of innovative religion from a historical perspective as well as those of a more contemporary nature Part 2 examines with pertinent illustrations the controversial character of new religions in their cultist forms and matters of sexual control and abuse Part 3 considers sexuality as articulated through paganism the occult and esotericism in the postmodern setting Part 4 examines both hetero and non hetero expressions of sexuality through the so called New Spiritualities Quasi religions and the more hidden forms of religiosity

New Era - New Religions Andrew Dawson, 2016-04-29 New Era New Religions examines new forms of religion in Brazil The largest and most vibrant country in Latin America Brazil is home to some of the world's fastest growing religious movements and has enthusiastically greeted home grown new religions and imported spiritual movements and new age organizations In Brazil and beyond these novel religious phenomena are reshaping contemporary understandings of religion and what it means to be religious To better understand the changing face of twenty first century religion New Era New Religions situates the rise of new era religiosity within the broader context of late modern society and its ongoing transformation

Controversial New Religions James R. Lewis, Jesper Aa. Petersen, 2014-07-16 In terms of public opinion new religious movements are considered controversial for a variety of reasons Their social organization often runs counter to popular expectations by experimenting with communal living alternative leadership roles unusual economic dispositions and new political and ethical values As a result the general public views new religions with a mixture of curiosity amusement and anxiety sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience This updated and revised second edition of *Controversial New Religions* offers a scholarly dispassionate look at those groups that have generated the most attention including some very well known classical groups like The Family Unification Church Scientology and Jim Jones's People's Temple some relative newcomers such as the Kabbalah Centre the Order of the Solar Temple Branch Davidians Heaven's Gate and the Falun Gong and some interesting cases like contemporary Satanism the

Raelians Black nationalism and various Pagan groups Each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis By presenting decades of scholarly work on new religious movements written in an accessible form by established scholars as well as younger experts in the field this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories

Exploring Religions in Motion Michael Pye, 2013-03-22 These two volumes present Pye's methodological theoretical and field based interests in the study of religions Pye understands the study of religions to be an international enterprise with roots in both European and East Asian culture This relates to his active role in the International Association for the History of Religions IAHR as a former General Secretary and President The work is presented in seven sections which could be used in teaching assignments The first volume begins with a lively introduction on Methodological Strategies followed by East Asian Starting Points a radical attempt to overcome Eurocentrism and Structures and Strategies which tackles globally significant institutional and ideological questions The second volume presents selected strands in the study of religions Comparing and Contrasting is followed by Tradition and Innovation including reference to specific new religions Transplantation and Syncretism is a definitive package on syncretism and includes new materials from South East Asia Finally Contextual Questions explores wider themes of identity plurality dialogue of religions religious education and peace These show how relevant the study of religions can be when it is distinctly and responsibly defined

Hidden Religion Micah Issitt, Carlyn Main, 2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world's religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World's Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs

Kids of Knutby Sanja Nilsson, 2023-09-29 This book tells the story of the children and youth of the charismatic new religious commune Knutby Filadelfia in Sweden It recounts the history of the congregation which started out as a part of the Swedish

Pentecostal movement in 1921 In the 1990s it developed into a new religion when the congregation's female pastor embraced the role of the Bride of Christ The congregation became widely known in 2004 when one of its members was murdered by another member the latter claiming to have been acting on orders from God In 2018 the congregation dissolved after a few years of internal crisis Sanja Nilsson provides rich empirical analysis of archival material and interviews with the congregation's children and youth The young informants' personal perspectives on their own childhoods encompass narratives from their time inside the congregation when they identified as members of a stigmatized minority religion as well as from the time after the dissolution of the group when they identified as defectors from what they came to view as a sectarian milieu This work offers a comprehensive insight into the Knutby Filadelfia congregation a group that although notoriously charted by the media has been hitherto unexplored by academics It adds to the growing field of studies concerned with childhoods within new religions and expounds the dynamics of the defection process from the rarely applied perspective of children and youth themselves

The Re-Enchantment of the West, Vol 2 Christopher Partridge, 2006-06-20 Challenging some assessments of religion in the West this study argues that although much organized religion particularly Christianity is in numerical decline in actual fact we are witnessing an alternative spiritual re-enchantment of society and culture

The Ocean of God Roland Faber, 2019-06-29 The Ocean of God conveys the proposition that the future of religions if they will not want to contribute to the destruction of humanity will become transreligious Based on the assumption that the spiritual impulse of humanity cannot simply be eradicated religiosity will persist in transreligious forms as secularizations naturalizations and transhumanist dreams only envision such transformations but fall short in their ability to replace the force of spirituality to further civilized peace of human existence on Earth and its future in evolutionary ecological and cosmological dimensions In relating the contributions of religious pluralism to the concept of the unity of religions which have arisen in this new axial age for overcoming the checkered history of religions in furthering peace the program of a polyphilic pluralism with its transreligious discourse based on the insight of the fundamental relativity of religious truth and the special contributions of process philosophy and theology as well as the Bahá'í universe of thought analyses and projects a new religiosity or spirit enabling religions to overcome their deepest motives of strife and warfare

Rave Culture and Religion Graham St John, 2004-06-01 The collection provides insights on developments in post traditional religiosity especially New Age and Neo Paganism through studies of rave's Gnostic narratives of ascensionism and re-enchantment explorations of the embodied spirituality and millennialist predispositions of dance culture and investigations of transnational digital art countercultures manifesting at geographic locations as diverse as Goa India and Nevada's Burning Man festival Contributors examine raving as a new religious or revitalization movement a powerful locus of sacrifice and transgression a lived bodily experience a practice comparable with world entheogenic rituals and as evidencing a new Orientalism Rave Culture and Religion will be essential reading for

advanced students and academics in the fields of sociology cultural studies and religious studies *Faith in the Future*
Thomas Reuter,Alexander Horstmann,2012-10-12 Revitalization of religious and cultural traditions is taking place in nearly
all contemporary Asian societies and beyond This book provides a comparative analysis of the key features and aspirations of
revitalization movements and assesses their scope for shaping the future Beshara and Ibn 'Arabi Suha
Taji-Farouki,2010-11-18 Investigating Sufi inspired spirituality in the modern world this interdisciplinary text combines
cultural study with solid data to provide a comprehensive look at how the teachings of Ibn Arabi have been adopted and
adapted by Muslims and non Muslims At the heart of this movement is the Beshara School in Scotland founded in the 1960s
and now a center of international scholarship Using the school as a case study the discussion describes its emergence and
evolution its approach to spiritual education the origins of its spiritual teacher its major teachings and practices and its
projection of Ibn Arabi Both rigorous and very timely this effort points to areas of cultural exchange between East and West
and highlights commonalities in the various historical changes both societies have undergone *Sacred Schisms* James R.
Lewis,Sarah M. Lewis,2009-05-14 This first book length study of religious schisms as a general phenomenon draws widely
from different traditions and geographical areas
