Exposed Hillary Clintons Secret Emails:

Selfie Democracy Elizabeth Losh, 2022-09-06 How politicians digital strategies appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Smartphones and other digital devices seem to give us a direct line to politicians But is interacting with presidential tweets really a manifestation of digital democracy In Selfie Democracy Elizabeth Losh examines the unintended consequences of politicians digital strategies from the Obama campaign s pioneering construction of an online community to Trump s Twitter dominance She finds that politicians who use digital media appeal to the same fantasies of digital connection access and participation peddled by Silicon Valley Meanwhile smartphones and social media don t enable participatory democracy so much as they incentivize citizens to perform attention getting acts of political expression Losh explores presidential rhetoric casting digital media as tools of democracy describes the conflation of gender and technology that contributed to Hillary Clinton s defeat in 2016 chronicles the Biden campaign s early digital stumbles in 2020 and recounts the TikTok campaign that may have spoiled a Trump rally She shows that although Obama and Trump may seem diametrically opposed in both style and substance they both used mobile digital media in ways that reshaped the presidency and promised a new kind of digital democracy Obama used data and digital media to connect to citizens without intermediaries Trump followed this strategy to its most extreme conclusion What were the January 6 insurrectionists doing as they livestreamed themselves and their cohorts attacking the Capitol but practicing their own brand of selfie democracy

including the Justice Department and the FBI Indeed the nation s most important law enforcement agency has become so compromised that every major investigation should face intense scrutiny from the public the media and from Congress James Comey Robert Mueller Andrew McCabe and the rest of the recent FBI leadership should be forced to answer for the way the Bureau has abused the public trust under their watch Studies of Communication in the 2016 Presidential Campaign Robert E. with necessary secrecy in military affairs and negotiations For the first one hundred and twenty years a culture of open government persisted but new threats and technology have long since shattered the old bargains Today presidents neither protect vital information nor provide the open debate Americans expect Mary Graham tracks the rise in governmental secrecy that began with surveillance and loyalty programs during Woodrow Wilson s administration explores how it developed during the Cold War and analyzes efforts to reform the secrecy apparatus and restore oversight in the 1970s Chronicling the expansion of presidential secrecy in the Bush years Graham explains what presidents and the American people can learn from earlier crises why the attempts of Congress to rein in stealth activities don t work and why presidents cannot hide actions that affect citizens rights and values Engrossing chilling and fascinating Publishers Weekly starred review

Cannot Be Silenced Grace Baumgarten,2016-07-29 Did you know Theres a battle raging for over 6 000 years and continuing until the end of time Beginning in the Garden of Eden between God and Lucifer truth and falsehood good and evil light and darkness A battle for the souls of Man God created man to multiply subdue and have dominion over the earth But Lucifer or Satan the ruler of the world system was envious of Gods love for man He deceived Adam and Eve to sin against God Ever since then Satan has ensnared various men across time advancing his agenda to create world wide financial dominion thus controlling the political spiritual and economic systems everywhere with himself taking full lordship over Gods creation This is why I Grace Baumgarten Cannot Be Silenced With this being an election year in the USA and its consequent Changing of the guard being informed about the secret societies or Enlightened Elites is imperative Their ideology True freedom is liberation from God and from moral constraints with no absolute faith To them All truth is relative to the individual or group With back room dealings ruinous bailouts and elimination of basic human values theyve turned the USA over to be dissected corporate style and theyre forcing this fraud on you and me Yet our founding fathers constructed a different concept one of freedom under the authority of Almighty God as the Great Ruler with His creation nations and peoples empowered from on High His Bible and His Commandments are the authoritative Word of God and the basis for law life and true liberty My first book was just the beginning and so much has happened Therefore following a one year sabbatical I started writing one sentence at a time knowing one day this book would be born I Cannot Be Silenced *Fallout* John Solomon,Seamus Bruner,2020-07-14 This book is a MUST BUY President Donald J Trump The Russia and Ukraine scandals are unraveled corruption and greed exposed No one is better at uncovering the truth than these two investigative journalists Gregg Jarrett FOX News legal analyst and author of the 1 NYT bestsellers The Russia Hoax and Witch Hunt An exhaustively researched book that reads like an investigative thriller Fallout reveals how Obama s Russian Reset led to corruption scandal and a desperate bid to impeach Donald Trump In 2015 a major story broke exposing Hillary Clinton s role in approving the sale of American uranium assets to the Russian state nuclear agency Rosatom Not only did the sale of Uranium One put 20 percent of America s domestic uranium supply under the control of Vladimir Putin there was also

evidence that the Clintons themselves had hugely profited from the deal When presidential candidate Donald Trump made Uranium One the centerpiece of his Crooked Hillary attacks the Clinton team feared its potential to damage Hillary's campaign Others in the Obama Biden camp worried that if elected Trump would expose their role in selling out America's security to Putin Their desperate need to neutralize the issue led them to launch an unprecedented investigation into the Trump campaign's purported ties to Russia The infamous Steele dossier produced by Clinton connected Fusion GPS sparked an investigation under FBI Director James Comey Instead of ending after the election the investigation grew bigger eventually leading to Comey's firing and the appointment of Special Counsel Robert Mueller When Mueller failed to find grounds for impeachment Democrats seized on an ambiguous phone call with the Ukrainian president as a pretext to remove Trump from office This gambit blew up in their faces when it exposed the secrets that Democrats tried hard to keep buried An indispensable guide to the hidden background of recent events Fallout shows how Putin's bid for nuclear dominance produced a series of political scandals that ultimately posed one of the greatest threats to our democracy in modern American history

The Next Red Wave Jordan Sekulow, 2019-09-24 Popular radio host and conservative legal and political commentator Jordan Sekulow offers an action plan that will bring real change to government and help secure the future of our nation The next red wave is coming November 3 2020 We face battles on many fronts The Deep State bureaucracy will stop at nothing to undermine the conservative agenda even when that s the agenda chosen by the American voter The liberal bureaucracy will continue to work alongside former liberal government officials from yes the Obama Administration and Team Clinton In this election the Left s prized goal exclusively will be defeating President Donald Trump by whatever means necessary A red wave that surpasses the turnout and figures of the historic 2016 election will be the only way to win Our opponents won t be caught off guard by President Trump again I promise you the DNC and liberal activists organizations began working on plans to defeat President Trump in 2020 before he was even inaugurated in 2017 In fact we have evidence of FBI officials attempting to undermine President Trump as he was preparing to take the Oath of Office So called progressives and the radical Left relentlessly force their liberal agenda on the American people Even when Republican majorities control both houses of Congress the deck can feel stacked against us The confirmation hearings for Justice Kavanaugh are a good reminder about the chaos liberals can cause even when they are in the minority Now Democrats control the House of Representatives while Republicans maintain control of the U S Senate We deserve better All Americans deserve better We deserve politicians who keep their promises The only way to force action and hold our elected officials accountable is to know the issues and engage

the political process But it s more than just fulfilling our civic duty at the ballot box It s being actively engaged in public discourse in between elections Battles important battles are won far more often in the court of public opinion than in any federal courtroom These battles affect our lives every single day It s time to fight back and come together to generate the next red wave We can t wait another moment Now is the time to do it It really is up to us The clock is ticking

The Hunting of Hillary Michael D'Antonio,2020-07-28 The Pulitzer Prize winning reporter traces how an industry of lies was created to persecute Hillary Clinton thoroughly researched and incisive Kirkus Reviews A pioneer for women Hilary Clinton was burdened in ways no male politician ever was Maligned by an avalanche of sexist insults and baseless accusations she couldn t call out her right wing attackers lest she be cast as weak and whiny Nevertheless she persisted And her many achievements in politics and policy are all the more remarkable for the unprecedented smear campaign that attempted to stop her The 2016 presidential election can only be understood in the context of the primal and primitive response of those who just couldn t imagine that a woman might lead For those who seek to understand the experience of the most accomplished woman in American politics The Hunting of Hillary offers insight For those who recognized what happened to her it offers affirmation And for those who hope to carry Clinton s work into the future it offers inspiration and instruction I m biased But I think Michael D Antonio s book cataloging decades of right wing misogyny and mythmaking is a stunner Hillary Clinton
