equipped on how the devil operates The Bible says we are not ignorant of his devices The devil has been around for you years he has mastered deception and schemes to get you to fall It s time to expose him it s time to withstand him and it s time to resist him The Left Behind Fantasy William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense The Faces of Satan Karen Foyil,2012-03 Do you ever think What in the world has happened to me today and why is everyone around me acting crazy Have you ever felt completely overwhelmed with confusion and felt as if your life was spinning out of control You are not alone Satan is evil arrogant and extremely cunning in the way he approaches the children of God As Christians it is our responsibility to recognize the attributes of Satan as he diligently attacks our destiny in Christ It is time to break the silence of fear and come out of the darkness and secrecy of our past The Faces of Satan will take you on a journey to expose the numerous war strategies of the enemy and empower you to be an overcomer of all his tactics Expect deliverance and restoration as you expose the limited power of Satan and unleash the miraculous power of God within you

On the Frontlines Nathan L. Street, 2019-11-20 Our culture is under attack The battlefield is covered with the ruins of landmarks and monuments of the past dedicated to morality and natural law Throughout the centuries Christians have held high the banner of Jesus Christ for the world to see The culture has been protected and defended by the Christian soldiers in America since its founding However there is a darkness spreading throughout the land Leftist doctrines are gaining footholds and acquiring the fortresses of old The hallowed bastions of learning called American public schools once venerated by the world are now languishing crippled by the leftist ideologies they have now adopted in place of classical liberal education Christianity once the standard moral center of the community has now been replaced by pluralism relativism and postmodernism The epicenter of this transformation has been and still is the public schools On the Frontlines Exposing Satan s Tactics to Destroy a Generation is a clarion call from a Christian educator and administrator to the church It is time we as a body of believers stand up and be counted among those who refuse to allow the religion of the left to prevail

Everybody Is Wrong About God James A. Lindsay, Peter Boghossian, 2015-12-01 A call to action to address people s psychological and social motives for a belief in God rather than debate the existence of God With every

argument for theism long since discredited the result is that atheism has become little more than the noises reasonable people make in the presence of unjustified religious beliefs Thus engaging in interminable debate with religious believers about the existence of God has become exactly the wrong way for nonbelievers to try to deal with misguided and often dangerous belief in a higher power The key author James Lindsay argues is to stop that particular conversation He demonstrates that whenever people say they believe in God they are really telling us that they have certain psychological and social needs that they do not know how to meet Lindsay then provides more productive avenues of discussion and action Once nonbelievers understand this simple point and drop the very label of atheist will they be able to change the way we all think about talk about and act upon the troublesome notion called God
