**Extremes Or Balance?** Betty Miller,2004-11-30 This is the companion workbook for the book *Extremes or Balance* by the same author Many Christians have hurt the cause of Christ through out of balance teachings and demonstrations This book shows how to avoid those areas It also deals wisely with the excesses and extremes in the body of Christ This workbook is the eighth in the *Overcoming Life Series* which includes nine book and workbook sets Lessons in this workbook also have supplementary material not included in the *Extremes or Balance* book All teaching is based on the Word of God *The Truth Regarding Ancestral Worship* Matlou Selepe,2013-10-21 The book deals with ancestral worship practiced by many people in African countries It covers the origin of the worship and the subsequent consequences for those practicing it Beginning with the creation the book highlights and gives information regarding Lucifer and the spiritual realm It also touches upon the roles of angels and demonic spirits and the unseen world or realm of the spirit After dealing extensively with the unseen world the realm of the spirit and Lucifer s subsequent fall the book then focuses on some of his ruthless and wicked characters being used today against human race The core of the book ancestral worship is covered just after the description of the characters mainly to enable the reader to understand the origin and the ploy of using ancestral worship as a tool to harvest souls for eternal destruction away from the Almighty God *Glory, Glory, Glory , Satan's Devices and the Believer's Victory* William Leonard Parsons,1864 Creation David Pawson,2024-09-08 In the beginning This phrase is often wrongly read as Once upon a time as in the opening of a pleasant story or fairy tale but David Pawson views it as a radical statement indicating that our universe has not been around forever Yet despite this most people in our world and most men in history have believed the opposite that the universe is eternal If Genesis was written to provide understanding of our origins and the consequences of the Fall then why has this book of the Bible in particular inspired so much debate and controversy And does it conflict with a scientific understanding of the origins of the universe If God is a God of truth why do science and Scripture sometimes seem to disagree For instance how can we reconcile the problem of references to the days of creation in Genesis with the estimates of billions of years Can these apparent discrepancies and disagreements be

explained And in a world beset with troubles and threats of pandemics hunger inflation recession and nuclear war why is it necessary to consider the origins of the universe and the human race In this ambitious book David Pawson tackles these and other challenging questions within the context of the creation versus evolution debate In arguing that both God s Word and science are compatible he points out that the battles are battles of fact but the warfare is a warfare of faith
