Exposing The Accuser Of The Brethren Discernment:

Exposing the Accuser of the Brethren Francis Frangipane, 1994-04-01 *Discerning and Exposing the Spirit of Deceit of Antichrist* ETAN BRUNO, [America at the Threshold of Destiny](#) Francis Frangipane, 1999-06 We have wanted the world to become Christian without the church becoming Christlike Yet what happens when believers repent of judging self righteousness and worldliness As the love of Jesus Christ rises within us even in the midst of great darkness God promises nations will come to your light and kings to the brightness of your rising Isaiah 60 3 Francis Frangipane proclaims the triumph of mercy over judgment prayer over criticism and faith over fear Don t doubt All things are still possible for those who believe If your vision is to be like Jesus and you are concerned about the direction of the nation you ll be moved by this living message of grace and truth Let it empower both you and America toward the destiny of God Book jacket **When The Many Are One** Francis Frangipane, 2011-11-14 How the Christian community driven by grace unified in love and activated by prayer can bring revival and change the world We all want to be part of something bigger than ourselves We all want to live in communities that are healthy and safe In *When the Many Are One* formerly *The House of the Lord* Francis Frangipane demonstrates how Christians of every color culture and denomination can work together to transform our communities Our best efforts will not stop the flood of problems in our cities if we remain isolated from each other In a season when external forces are causing disunity and division Francis Frangipane calls us back to oneness with Christ and through Him oneness with other Christians With the character and power of Christ in our midst the Church can again bring transformation to our communities our nation and our world **Exposing Prophetic Witchcraft** Jennifer LeClaire, 2022-10-18 Satan is not creative he is a crafty counterfeiter The prophetic is celebrated as one of the most effective gifts of the Holy Spirit in bringing the lost to Jesus and ushering believers into their divine destiny this is why darkness wars against it with counterfeits [The Divine Antidote](#) Francis Frangipane, 1994-03 The devil has no power to create he can only manipulate what already is under the judgment or wrath of God All sin is under God s curse and whatever is under God s curse is accessible to evil spirits **Learning and Discerning Christian History** A. Iconoclast, 2022-09-24 Christian history in this present age is not taught in schools or even churches It has been twisted by pagans and priests alike This book was born out of darkness to shine forth as a light History is a vast subject that teaches us the ways of man and his depravity toward his fellow men It shows us the ways in which man has been led astray and lied to It instructs us in the way the Father works throughout time He reveals the common enemy of man in His story It teaches us that there is hope and love in the remnant of mankind We war daily against unseen and evil forces His word is for battle Arm yourselves *Learning and Discerning Christian History* is a light in the darkness and a textbook for the last days Combined with the Holy Bible this book is a weapon of war in the hands of the children of the most high God Prepare study be vigilant be watchful be bold and hold on to his words while learning and discerning Christian history The LORD is a man of war the LORD is his name Exodus

15 3 Seek ye the LORD while he may be found call ye upon him while he is near Isaiah 55 6 *A Time to Seek God* Francis Frangipane,1994-12 圣经 圣经 圣经 圣经 圣经,2020-06-30 20 ICBM 10 20 “*Not Afraid to Tell the Truth*” Ken M.

Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title *Not afraid To Tell The Truth* which could be subtitled *Exposing the conspiracy of silence in the Last Days* it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences

Back to the Cross Watchman Nee,1988-12-01 This volume is a compilation of various writings and addresses given by the great Chinese pastor author Watchman Nee in the early days of his ministry in which he appeals to Christians to seek for higher life and service

Image of the Beast Glenn Morricks,2018-11-20 A Christian is defined as one who believes the Word of God Adhering to this simple standard sends one into a journey of prophetic understanding Rev 19 10 states The testimony of Jesus is the spirit of prophesy Every prophetic event involves understanding and having a greater knowledge of the heart of God as revealed in his son The world finds the preaching of the cross foolishness but to be saved it is the power of God How can this be that my Savior would die for me This is beyond comprehension This book is about God and what he wants for man It is not about what man must do for God He sent his son to die for man and this is the only way that man can receive what God desires for him The readers will find amazing prophetic events that are all so simply told and verified with understanding that will all be pointing to the purpose for which mankind was created
