ANTONIA ORFIELD

Eyes For Learning Preventing And Curing Vision Related Learning Problems

William Buchan

Eyes For Learning Preventing And Curing Vision Related Learning Problems:

Eyes for Learning Antonia Orfield, 2007-06-21 Poor vision if unnoticed and untreated can dramatically reduce a child's school achievement. While it is easy to blame underachievement on a variety of causes, the real cause may be directly related to vision development. Strong vision is much more than being able to see the blackboard from the back row. Solid visual skills that underlie brain learning are developed through a variety of activities that are less and less a part of children's lives thanks to TV and video games. Eyes for Learning explains how parents and teachers can spot a vision related learning problem and how to treat it. Dr. Antonia Orfield provides answers about referrals, required vision tests, and vision improvement techniques. The bottom line is that good vision is a learned skill that is best developed by the practices explained in this book. Understanding these explanations can go a long way in saving a child from failure in school. **Enlivening Consciousness**

Elisa Beth Haransky-Beck OD, 2024-02-18 Would you like to improve your eyesight naturally using tools not often considered in the field of eye and vision care while rising to your highest potential? Author Elisa Beck holds a Doctor of Optometry but she is also a life coach. In Enlivening Consciousness she simplifies her life-changing plan, creating an introduction to a new way to live. The areas covered include natural eyesight improvement, deepening insight to rise to your highest potential, movement and exercise modalities for reversing the aging process, eating to thrive and reverse acute and chronic illness, natural awareness training in nature, both inner and outer, to transcend artificiality and practical spirituality to come into our true whole natures filled with joy, peace, and deep love for ourselves and others. Elisa's target audience is lifelong learners who love healing themselves through true wellness practices. She wants readers to experience their potential to rise above the fray of the mainstream into their own perfection and gain insights into wonderful routines, rituals, and choices that promote health and wellness for themselves, their families, their communities, our mother earth, and out into the cosmos.

Strengthening the Eyes - A New Course in Scientific Eye Training in 28 Lessons Bernarr MacFadden, 2011-10-19 Natural Eyesight Improvement taught by Bernarr MacFadden, one of the First Physical Fitness Natural Health Teachers. Specific Learning Disabilities Yitzchak Frank,2014-06-06 This book is a concise but comprehensive review of Specific Learning Disabilities with a special attention to the biology of these diverse conditions The reader will get a review of most aspects of SLD including the different clinical syndromes mostly dyslexia and dyscalculia the clinical manifestations and the therapeutic approaches It is unique in the proportion of its content dedicated to the biological aspects of SLD It attempts to assemble and present the biological knowledge which has been accumulated on these conditions This knowledge includes the neurological anatomy of dyslexia and dyscalculia demonstrated with the help of modern neuro imaging studies and the physiology and the genetics of these conditions again demonstrated by recently available technologies These new technologies produced major discoveries related to SLD including the importance of

phonological processing in reading the presence of number center in the brain and the brain networks involved in reading We recognize that many dyslexic subjects have a deficit in aspects of language processing specifically phonological processing that dyscalculia can be the result of a number of distinct cognitive impairments and that the basic underlying deficit in many cases of SLD may be a genetic variation The same new biological investigative techniques can like never before measure the outcome of therapeutic techniques and learning methods Such measurements will in the future be the gold standard in assessing the efficacy of different methods of classroom teaching in regular and different learners Last unlike many other publications on SLD this book discusses the relatively unrecognized emotional aspects of SLD and the sometime devastating effects that these conditions have on the life of affected subjects and their families in and out of the classroom

Ophthalmologist William H. Bates & the Bates Method History - Natural Eyesight Improvement Dr. William H. Bates, 2011-04-10 True Story of Ophthalmologist William H Bates Battle with the Optical industry Eye Surgeons Doctors to Teach and Preserve Natural Eyesight Improvement Bates Method History Black unclear close and distant vision astigmatism crossed wandering eyes cataracts glaucoma and other conditions Natural Eyesight Improvement was practiced years before Dr Bates discovered it It is the normal natural function of the eyes Hidden from the public by eye surgeons Optometrists Optical businesses for over 100 years because this method works is easy anyone can learn teach it including children It produces healthy eyes clear vision and frees the patient from the need to purchase eyeglasses drugs unnecessary eye surgery Yes it can and has reversed cataracts Dr Bates worked his entire life treating people successfully with Natural Eyesight Improvement When he cured the eyes vision of many patients medical students and other doctors in the hospital where he worked with natural treatments without use of eyeglasses surgery drugs and proved his method is fact that some of the old theories of eye function are incorrect the eye surgeons that preferred to sell eyeglasses surgery drugs became angry and expelled him See Reason and Authority http://www.amazon.com/William-H-Bates/e/B004H9DOBC/ref=ntt_athr_dp_pel_pop_1
