Augustine's Manichaeian Dilemma, Volume 1 Jason David BeDuhn, 2012-01-31 Augustine of Hippo is history's best known Christian convert The very concept of *conversio* owes its dissemination to Augustine's *Confessions* and yet as Jason BeDuhn notes conversion in Augustine is not the sudden dramatic and complete transformation of self we likely remember it to be Rather in the *Confessions* Augustine depicts conversion as a lifelong process a series of self discoveries and self departures The tale of Augustine is one of conversion apostasy and conversion again In this first volume of *Augustine's Manichaeian Dilemma* BeDuhn reconstructs Augustine's decade long adherence to Manichaeism apostasy from it and subsequent conversion to Nicene Christianity Based on his own testimony and contemporaneous sources from and about Manichaeism the book situates many features of Augustine's young adulthood within his commitment to the sect while pointing out ways he failed to understand or put into practice key parts of the Manichaeian system It explores Augustine's dissatisfaction with the practice oriented faith promoted by the Manichaeian leader Faustus and the circumstances of heightened intolerance anti Manichaeian legislation and pressures for social conformity surrounding his apostasy Seeking a historically circumscribed account of Augustine's subsequent conversion to Nicene Christianity BeDuhn challenges entrenched conceptions of conversion derived in part from Augustine's later idealized account of his own spiritual development He closely examines Augustine's evolving self presentation in the year before and following his baptism and argues that the new identity to which he committed himself bore few of the hallmarks of the orthodoxy with which he is historically identified Both a historical study of the specific case of Augustine and a theoretical reconsideration of the conditions under which conversion occurs this book explores the role religion has in providing the materials and tools through which self formation and reformation occurs

Nicene and Post-Nicene Fathers Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume I of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover some of the writings of Saint Augustine recognized as a great religious figure by many Christian sects He is the patron of the Augustinian monks who live their lives according to the values found in Augustines writings In the *Confessions* Augustine speaks honestly about his sins as a youth and the saving grace he discovered when he found God In the *Letters* the true personality of Augustine shines through He is one of the major theological resources of his time and so through his correspondences audiences can see what
