From Plotzk to Boston (Esprios Classics) Mary Antin, 2020-11-16 *From Plotzk to Boston* is an 1899 memoir by author and immigration activist Mary Antin 1881 1949 It chronicles her emigration from her hometown of Polotsk in the Russian Empire now modern Belarus to the United States in 1894 focusing primarily on her observations of life in unfamiliar surroundings the emotional trials endured by her family and the hardships that accompanied their passage to and eventual settlement in Boston Massachusetts Her first major publication it laid the groundwork for her later autobiography and most famous work *The Promised Land* 1912 Compiled from a series of letters that Antin wrote to her uncle describing her family's journey to America in 1894 *From Plotzk to Boston* was inspired by the difficulties that compelled them to leave their homeland as well as Antin's own literary upbringing *From Plotzk to Boston - An Immigrant's Story* Mary Antin, 2018-08-31 Written from the author's own personal experiences of her journey from Polotsk Russia to Boston USA in 1894 at the age of 11 This early work published in 1899 is a fascinating look at American history and immigration Mary Antin's vivid description of all she and her dear ones went through enables us to see almost with our own eyes how the invasion of America appears to the impecunious invader It is thus a human document of considerable value as well as a promissory note of future performance Many of the earliest books particularly those dating back to the 1900's and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork

From Plotzk to Boston Mary Antin, 2013-10 The infant phenomenon in literature is rarer than in more physical branches of art but its productions are not likely to be of value outside the doting domestic circle Even Pope who lisped in numbers for the numbers came did not add to our Anthology from his cradle though he may therein have acquired his monotonous rocking metre Immaturity of mind and experience so easily disguised on the stage or the music stool even by adults is more obvious in the field of pure intellect The contribution with which Mary Antin makes her debut in letters is however saved from the emptiness of embryonic thinking by being a record of a real experience the greatest of her life her journey from Poland to Boston Even so and remarkable as her description is for a girl of eleven for it was at this age that she first wrote the thing in Yiddish though she was thirteen when she translated it into English it would scarcely be worth publishing merely as a literary curiosity But it happens to possess an extraneous value For despite the great wave of Russian immigration into the United States and despite the noble spirit in which the Jews of America have grappled with the invasion we still know too little of the inner feelings of the people themselves nor do we adequately realize what magic vision of free America lures them on to face
