

A father and son are walking away from the viewer on a set of train tracks that stretch into the distance. The scene is set at sunset or sunrise, with a warm, golden light illuminating the sky and the silhouettes of the figures. The father is on the left, holding the hand of the younger child on the right. The sky is filled with dark, dramatic clouds. On either side of the tracks, there are trees and a small hill in the background. The overall mood is peaceful and contemplative.

From The Heart Of A Father

Duane Swilley

From The Heart Of A Father:

From the Father's Heart Charles Slagle, 1992-05 Charles Slagle promises in this book to provide a glimpse into God's heart, his nature and ways. His literary device is the letter letters written by God to his beloved children and filled with counsel, encouragement, affection and sometimes reproof.

The Heart of a Father Karl Thompson, 2019-12-31 A book on the heart of a father can be multidimensional. The two areas that I will focus on are faith and finances, which are key to becoming productive citizens. God placed us on earth to occupy and have dominion over it. We were created to be citizens of God's kingdom. Therefore, as believers, we have dual citizenship status. Despite geographic boundaries, we have one common homeland called earth and one common fatherland called heaven. Citizenship has responsibilities. It requires strong faith in God, our creator. On earth, we are required to carry out responsibilities as part of our dominion mandate. We are required to meet our financial responsibilities and respect and love each other. That means we must be financially educated. We must demonstrate prudent use of the gifts that he has given us and attest to his goodness. Man has yet to demonstrate true citizenship.

Straight from the Heart for Dad Richard Exley, 1995 These eight heart-warming emotional stories deal with the different aspects of being a father, the relationships between fathers and their children, and will express the breadth and depth of God's love for you and the vision He has for you as a father.

The Heart of a Father Ken Canfield PH.D., 2006-04-01 Every father has a hidden longing to see his children surpass him. To help him achieve this, Ken Canfield offers a three-part plan. First, a dad should examine his own heart. Next, he should take steps to improve the way he connects with his children. Lastly, he should take a longer range view and plan specifically for a lifetime of involved fathering. Canfield's plan addresses a father's past; a father should resolve his relationship with his own father in order to effectively build a relationship with his children. Canfield also explains how to build the four walls or dimensions of fathering: involvement, awareness, consistency, and nurturing. He then supplies a plan for the future. From being a new father to being a grandfather, dads face challenges at each stage of their life. With the long range perspective, this book provides fathers can anticipate and prepare for the changing situations they'll face. Based on years of careful research involving thousands of fathers, this book is a solid reference tool for dads.
