### **Front Page Science Engaging Teens In Science Literacy Pb302x:**

*Front-page Science* Wendy Saul, 2012 The innovative approach of this book will stimulate students to play the role of detective in eliciting data providing evidence explaining the significance of their observations and reporting on the ramifications of the study The dozen chapters in this manual provide guidelines for promoting the journalistic approach including teacher comments on their success with SciJourn science journalism The SciJourn standards are clearly defined emphasizing the features essential in choosing a topic to its organization voice word choice language usage grammatical rules and the final presentation of the article Research strategies such as interviews and surveys are reviewed By giving students the independence they so strive for during the difficult years trusting them with the freedom to ferret out and filter the myriad prevailing profuse factoids into a coherent understanding this is a technique that should be exploited Publisher s website
