Fugitives Sinister Saints Press,2015-11-29 The main character is a fugitive but from what The authorities The Mob Bounty hunters Supernatural predators A dystopian police force Why is the main character on the run What is their day to day life on the run like Are the forces chasing them closing in And if so how do they react and what are the consequences of their actions Read on and find out *When Disaster Strikes* Sinister Saints Press,2015-12-04 That moment when disaster strikes a plane crash a sinking ship an avalanche a raging fire an earthquake an out of control spaceship and the main protagonist is caught in the middle of it Who or what caused the disaster How does the main character react to the unfolding disaster and what are the consequences of their actions **Fugitive Saints** Katie Walker Grimes,2017-04-01 How should the Catholic church remember the sins of its saints This question proves particularly urgent in the case of those saints who were canonized due to their relation to black slavery Today many of their racial virtues seem like racial vices In this way the church celebrates Peter Claver a seventeenth century Spanish missionary to Colombia as the saint of the slave trade and extols Mart n de Porres as the patron saint of mixed race people But in truth their sainthoods have upheld anti blackness much more than they have undermined it Habituated by anti blackness the church has struggled to perceive racial holiness accurately In the ongoing cause to canonize Pierre Toussaint a Haitian born former slave the church continues to enact these bad racial habits This book proposes black fugitivity as both a historical practice and an interpretive principle to be a strategy by which the church can build new hagiographical habits Rather than searching inside itself for racial heroes the church should learn to celebrate those black fugitives who sought refuge outside of it Displacement Sinister Saints Press,2015-08-26 Things are not where they should be The normal rules of what is possible have ceased to exist and the consequences for those involved are disturbing shocking and downright disturbing Join Editor Rich Dodgin and the authors from imprint Sinister Saints Press for this collection of dark writing at its best *Chrysalis* Horrified Press,2016-09-25 Ten stories Ten investigations into the transformations brought about by obsession neglect and fanaticism From an inter species love affair on an alien world through the dead countries of a troubled imagination the apocalypse as a product launch and into the heart of the labyrinth The chrysalis is about to open **Saint Augustin** Louis Bertrand,Aeterna Press,1914 Saint Augustin is now little more than a celebrated name Outside of learned or theological circles people no longer read him Such is true renown we admire the saints as we do great men on trust Even his Confessions are generally spoken of only from hearsay By this neglect is he atoning for the renewal of glory in which he shone during the seventeenth century when the Jansenists in their inveterate obstinacy identified him with the defence of their cause The reputation of sour austerity and of argumentative and tiresome prolixity which attaches to the remembrance of all the writers of Port Royal save Pascal has that affected too the work of Augustin enlisted in spite of himself in the ranks of these pious schismatics Aeterna Press *Saints Under Siege* Stuart A. Wright,James T. Richardson,2011-10 In April 2008 state police and child protection authorities raided

Yearning for Zion Ranch near Eldorado Texas a community of 800 members of the Fundamentalist Church of Jesus Christ Latter Day Saints FLDS a polygamist branch of the Mormons State officials claimed that the raid which was triggered by anonymous phone calls from an underage girl to a domestic violence hotline was based on evidence of widespread child sexual abuse In a high risk paramilitary operation 439 children were removed from the custody of their parents and held until the Third Court of Appeals found that the state had overreached Not only did the state fail to corroborate the authenticity of the hoax calls but evidence reveals that Texas officials had targeted the FLDS from the outset planning and preparing for a confrontation Saints under Siege provides a thorough theoretically grounded critical examination of the Texas state raid on the FLDS while situating this event in a broader sociological context The volume considers the raid as an exemplar case of a larger pattern of state actions against minority religions offering comparative analyses to other government raids both historically and across cultures In its look beyond the Texas raid it provides compelling evidence of social intolerance and state repression of unpopular minority faiths in general and the FLDS in particular *Classic Authors Super Set Series: 3 (Shandon Press)* Agatha Christie, H. Creolization

and Transatlantic Blackness Charmaine A. Nelson, 2024-11-12 Departing from more conscribed definitions this book argues for an expansion of the concept of Creolization in terms of duration temporality population and importantly in regional scope which also impact climate and the practices of slavery that are typically included and excluded from consideration Eschewing the normative focus on language and music the authors instead center art and visual and material cultures as both outcomes and practices in their explorations to consider the ways that cultural production in the period of slavery and its aftermath was irrevocably impacted by the collision of races and cultures in the Americas The chapters probe how creolization unfolded for differently constituted individuals and populations as well as how it came to be articulated both in the historical moments of its enactment and its retroactive cultural representations and production In so doing they seek to both expand the terrain literally and figuratively of the definition of creolization and to turn towards an examination of its relevance for art and visual and material cultures of the Transatlantic world The chapters in this book were originally published in *African and Black Diaspora An International Journal* *The Cumulative Book Index*, 1969 A world list of books in the English language

Virgin Whore Emma Maggie Solberg, 2018-12-15 In *Virgin Whore* Emma Maggie Solberg uncovers a surprisingly prevalent theme in late English medieval literature and culture the celebration of the Virgin Mary's sexuality Although history is narrated as a progressive loss of innocence the Madonna has grown purer with each passing century Looking to a period before the idea of her purity and virginity had ossified Solberg uncovers depictions and interpretations of Mary discernible in jokes and insults icons and rituals prayers and revelations allegories and typologies

and in late medieval vernacular biblical drama More unmistakable than any cultural artifact from late medieval England these biblical plays do not exclusively interpret Mary and her virginity as fragile In a collection of plays known as the N Town manuscript Mary is represented not only as virgin and mother but as virgin and promiscuous adulteress dallying with the Trinity the archangel Gabriel and mortals in kaleidoscopic erotic combinations Mary s virginity signifies invulnerability rather than fragility redemption rather than renunciation and merciful license rather than ascetic discipline Taking the ancient slander that Mary conceived Jesus in sin as cause for joyful laughter the N Town plays make a virtue of those accusations through bawdy yet divine comedy she redeems and exalts the crime By revealing the presence of this promiscuous Virgin in early English drama and late medieval literature and culture in dirty jokes told by Boccaccio and Chaucer Malory s Arthurian romances and the double entendres of the allegorical Mystic Hunt of the Unicorn Solberg provides a new understanding of Marian traditions **The Spectator** ,1912 A weekly review of politics literature theology and art History of Europe During the French Revolution Archibald Alison,2011-01-20 This bestselling history published between 1833 and 1842 interpreted the French Revolution as a warning about the dangers of democracy
