THE FIFTH CENTURY AD

MICHAEL GRANT

From Rome To Byzantium The Fifth Century Ad

S Ben Porath

From Rome To Byzantium The Fifth Century Ad:

From Rome to Byzantium Michael Grant, 2015-03-04 Byzantium was dismissed by Gibbon in the Decline and Fall of the Roman Empire and his Victorian successors as a decadent dark oriental culture given up to intrigue forbidden pleasure and refined cruelty This great empire founded by Constantine as the seat of power in the East began to flourish in the fifth century AD after the fall of Rome yet its culture and history have been neglected by scholars in comparison to the privileging of interest in the Western and Roman Empire Michael Grant's latest book aims to compensate for that neglect and to provide an insight into the nature of the Byzantine Empire in the fifth century the prevalence of Christianity the enormity and strangeness of the landscape of Asia Minor and the history of invasion prior to the genesis of the empire Michael Grant's narrative is lucid and colourful as always lavishly illustrated with photographs and maps He successfully provides an examination of a comparatively unexplored area and constructs the history of an empire which rivals the former richness and diversity of a now fallen Rome *From Rome to Byzantium AD 363 to 565* A. D. Lee, 2013-01-15 Between the deaths of the Emperors Julian 363 and Justinian 565 the Roman Empire underwent momentous changes Most obviously control of the west was lost to barbarian groups during the fifth century and although parts were recovered by Justinian the empire's centre of gravity shifted irrevocably to the east with its focal point now the city of Constantinople Equally important was the increasing dominance of Christianity not only in religious life but also in politics society and culture Doug Lee charts these and other significant developments which contributed to the transformation of ancient Rome and its empire into Byzantium and the early medieval west By emphasising the resilience of the east during late antiquity and the continuing vitality of urban life and the economy this volume offers an alternative perspective to the traditional paradigm of decline and fall Architecture and Asceticism: Cultural interaction between Syria and Georgia in Late Antiquity Emma Loosley Leeming, 2018-06-12 In *Architecture and Asceticism* Loosley Leeming presents the first interdisciplinary exploration of Late Antique Syrian Georgian relations available in English The author takes an interdisciplinary approach and examines the question from archaeological art historical literary and theological viewpoints to try and explore the relationship as thoroughly as possible Taking the Georgian belief that Thirteen Syrian Fathers introduced monasticism to the country in the sixth century as a starting point this volume explores the evidence for trade cultural and religious relations between Syria and the Kingdom of Kartli what is now eastern Georgia between the fourth and seventh centuries CE It considers whether there is any evidence to support the medieval texts and tries to place this posited relationship within a wider regional context *Conflict in Ancient Greece and Rome* Sara Elise Phang, Iain Spence Ph.D., Douglas Kelly Ph.D., Peter Londey Ph.D., 2016-06-27 The complex role warfare played in ancient Greek and Roman civilizations is examined through coverage of key wars and battles important leaders armies organizations and weapons and other noteworthy aspects of conflict *Conflict in Ancient Greece and Rome* The Definitive Political Social and Military Encyclopedia is an outstandingly comprehensive reference work on its

subject Covering wars battles places individuals and themes this thoroughly cross referenced three volume set provides essential support to any student or general reader investigating ancient Greek history and conflicts as well as the social and political institutions of the Roman Republic and Empire The set covers ancient Greek history from archaic times to the Roman conquest and ancient Roman history from early Rome to the fall of the Western Roman Empire in 476 CE It features a general foreword prefaces to both sections on Greek history and Roman history and maps and chronologies of events that precede each entry section Each section contains alphabetically ordered articles including ones addressing topics not traditionally considered part of military history such as noncombatants and war and gender followed by cross references to related articles and suggested further reading Also included are glossaries of Greek and Latin terms topically organized bibliographies and selected primary documents in translation

Genocide, Mass Atrocity, and War Crimes in Modern History James Larry Taulbee, 2017-02-06 Defining genocide as an international crime this two volume set provides a comparative study of historical cases of genocide and mass atrocity clearly identifying the factors that produced the attitudes and behaviors that led to them discusses the reasons for rules in war and examines how the five principles laid out in the Geneva Conventions and other international agreements have functioned in modern warfare Written by an expert on international politics and law Genocide Mass Atrocity and War Crimes in Modern History Blood and Conscience is an easy to understand resource that explains why genocides and other atrocities occur why humanity saw the need to create rules that apply during war and how culture rules about war and the nature of war intersect The first volume addresses the history and development of the normative regimes that define genocide and mass atrocity Through a comparative study of historical cases that pay particular attention to the factors involved in producing the attitudes and behaviors that led to the incidents of mass slaughter and mistreatment the author identifies the reasons that genocides and mass atrocities in the 20th century were largely ignored until the early 1990s and why even starting then responses were inconsistent The second book discusses why rules in war exist which factors may lead to the adoption of rules what defines a war crime and how the five fundamental principles laid out in the Geneva Conventions and other international agreements have actually functioned in modern warfare It also poses and answers the interesting question of why we should obey rules when our opponents do not The final chapter examines what actions could serve to identify future situations in which mass atrocities may occur and identifies the problems of timely humanitarian intervention in international affairs

Encyclopedia of Women in the Middle Ages Jennifer Lawler, 2018-01-16 Most people have heard of Lady Godiva and her horseback tax protest in the 11th century and Joan of Arc who in the 15th century fought against the English for the French gaining sainthood in 1920 Many know of Eleanor of Aquitaine 12th century Queen of France and England and powerful manipulator and protector of kings Some know of Hildegard and Beatrice and Blanche and Clare There are many famous women of the Middle Ages whose lives and leadership brought important changes to history This encyclopedia contains several hundred entries on the culture

history and circumstances of women in the Middle Ages from the years 500 to 1500 C E The geographical scope of this work is wide with entries on women from England France Germany Japan and other nations around the world There are entries on queens empresses and other women in positions of leadership as well as entries on topics such as work marriage and family households employment religion and various other aspects of women s lives in the Middle Ages Genealogies of queens and empresses accompany the text in an appendix **The Oxford Companion to Classical Literature** M. C.

Howatson,2013-08-22 The third edition of The Oxford Companion to Classical Literature is the complete and authoritative reference guide to the classical world and its literary heritage It not only presents the reader with all the essential facts about the authors tales and characters from ancient myth and literature but it also places these details in the wider contexts of the history and society of the Greek and Roman worlds With an extensive web of cross references and a useful chronological table and location maps all of which have been brought fully up to date this volume traces the development of literary forms and the classical allusions which have become embedded in our Western culture Extensively revised and updated since the second edition was published in 1989 the Companion acknowledges changes in the focus of scholarship over the last twenty years through the incorporation of a far larger number of thematic entries such as medicine friendship science freedom concept of and sexuality These topical entries provide an excellent starting point to the exploration of their subjects in classical literature after all for many aspects of classical society the literature we have inherited is the primary and sometimes the only source material Additions and changes have been made taking into account the advice of teachers and lecturers in Classics ensuring that current educational needs are catered for In addition to newly covered topics the Companion still plays to its traditional strengths with extensive biographies of classical literary figures from Aeschylus to Zeno entries on a multitude of literary styles from biography and rhetoric to lyric poetry and epic encompassing everything in between and character entries and plot summaries for the major figures and myths in the classical canon It is the ideal guide for students in Classics and for all who are passionate about the vast and varied literary tradition bequeathed to us from the classical world From Byzantium to Sasanian Iran and the Islamic World Richard Ettinghausen,1972 **A Companion to**

J. R. R. Tolkien Stuart D. Lee,2025-10-13 The new edition of the definitive academic companion to Tolkien s life and literature A Companion to J R R Tolkien provides readers with an in depth examination of the author s life and works covering Tolkien s fiction and mythology his academic writing and his continuing impact on contemporary literature and culture Presenting forty one essays by a panel of leading scholars the Companion analyzes prevailing themes found in The Hobbit and The Lord of the Rings posthumous publications such as The Silmarillion and The Fall of Arthur lesser known fiction and poetry literary essays and more This second edition of the Companion remains the most complete and up to date resource of its kind encompassing new Tolkien publications original scholarship The Hobbit film adaptations and the biographical drama Tolkien Five entirely new essays discuss the history of fantasy literature the influence of classical

mythology on Tolkien folklore and fairytales diversity and Tolkien fandom This Companion also Explores Tolkien's impact on art film music gaming and later generations of fantasy fiction writers Discusses themes such as mythmaking medieval languages nature war religion and the defeat of evil Presents a detailed overview of Tolkien's legendarium including Middle earth mythology and invented languages and writing systems Includes a brief chronology of Tolkien's works and life further reading suggestions and end of chapter bibliographies A Companion to J R R Tolkien Second Edition is essential reading for anyone formally studying or teaching Tolkien in academic settings and an invaluable resource for general readers with interest in Tolkien's works or fans of the films wanting to discover more Hadrian Thorsten Oppen, 2008 Hadrian a Roman emperor the builder of Hadrian's Wall in the north of England a restless and ambitious man who was interested in architecture and was passionate about Greece and Greek culture Is this the common image today of the ruler of one of the greatest powers of the ancient world Published to complement a major exhibition at the British Museum this wide ranging book rediscovers Hadrian The sharp contradictions in his personality are examined previous concepts are questioned and myths that surround him are exploded Book Jacket **Women, Fertility, and Maternal Art in Renaissance Florence** Costanza Gislón Dopfel, 2024-12-24 Women Fertility and Maternal Art in Renaissance Florence examines maternity centered art to reveal women's crucial function in saving Florence from a depopulation catastrophe Nativity and Madonna and Child images that graced many households and chapels in Florentine society formed a program of visual indoctrination championing a birth epic that glorified the social duty of reproduction but dismissed its high risk As images emphasizing women's reproductive value multiplied throughout the century the accounts of their deaths in childbirth and the records of their elaborate public funerals present these mothers as new examples of self sacrifice and martyrdom This book re centers the history of the Renaissance around women and their bodies both as subjects of artistic representation and as critical but ignored contributors to Florentine society It proposes a more inclusive vision of an era that is still too often addressed exclusively via the history of its male artists bankers and merchants Women Fertility and Maternal Art in Renaissance Florence appeals to both students and scholars in field of art history social history Renaissance art and gender studies and also the general reader who has an interest in these areas *The Roman Imperial Court in the Principate and Late Antiquity* Caillan Davenport, Meaghan McEvoy, 2024-01-23 This book examines the Roman imperial court as a social and political institution in both the Principate and Late Antiquity By analysing these two periods which are usually treated separately in studies of the Roman court it examines continuities changes and connections in the six hundred years between the reigns of Augustus and Justinian Great Power Diplomacy A. Wess Mitchell, 2025-10-14 A captivating history of diplomacy and an urgent reminder of why we need to revive its lost arts to survive in a dangerous era of great power competition From the beginning of time human societies have found themselves confronted by enemies too numerous or ferocious to defeat solely by force of arms In these dramatic moments wise leaders have turned to diplomacy to rearrange the gameboard in their favor

and stymie seemingly unstoppable foes In Great Power Diplomacy American historian and diplomat A Wess Mitchell recounts the forgotten story of how history's most legendary empires have used diplomacy as a tool of grand strategy to outwit, outmaneuver and outlast militarily superior opponents Through fifteen centuries of history Great Power Diplomacy recreates the perilous junctures, colorful personalities and intricate statecraft that led to some of history's most stunning diplomatic achievements and greatest disasters The protagonists include giants like Richelieu, Metternich, Bismarck and Kissinger but also a lesser known cast of scoundrels, eunuchs, drunkards and fools At every turn fortune favored those great powers with the foresight and dexterity to build winning alliances, splinter enemy coalitions and when necessary make peace with their bitterest foes Diplomacy of this kind has become a lost art in recent years as Western elites embraced the illusion that globalization and the spread of democracy would create a borderless world where nations would live in harmony and war would be abolished from the human story But as Great Power Diplomacy reveals we will need to rediscover the secrets of skillful statecraft as the world enters an unstable new era in which continent-sized great powers compete for territory, resources and prestige By recalling diplomacy's rich past we can equip ourselves for a more dangerous future **Requiem and an Epilogue** Glynne Wickham, 2023-05-09 First published in 2002 This volume forms part of the 5 volume set Early English Stages 1300-1660 This set examines the history of the development of dramatic spectacle and stage convention in England from the beginning of the fourteenth century to 1660 **Area Handbook for Syria** Richard F. Nyrop, 1971 Attempts to provide a comprehensive study of the dominant social, political and economic aspects of Syrian society and to identify the pattern of behaviour characteristic of its members *Chambers's concise gazetteer of the world* Chambers W. and R., Ltd, 1895 Chambers's Concise Gazetteer of the World, Topographical, Statistical, Historical, 1894 *Chambers's Concise Gazetteer of the World* David Patrick, 1907 *Chamber's Concise Gazetteer of the World* David Patrick, William Geddie, 1914 Syria, a Country Study American University (Washington, D.C.). Foreign Area Studies, 1979
