From Sumer To Jerusalem The Forbidden Hypothesis:

From Sumer to Jerusalem John Sassoon, 1993 Tradition says that the Jews are part of the Arab family of nations but this is disputed Archaeology has revealed a very early civilisation in the land known as Sumer in southern Mesopotamia southern Iraq This book argues that the Jews are not Semitic at all but the descendants of this culture the earliest civilization in recorded history

Reign of the Anunnaki Jan Erik Sigdell, 2018-09-11 Reveals the ongoing alien manipulation of humanity and how we can break free Explores how the Anunnaki have maintained invisible surveillance over us and how they control our development through religion secret societies and catastrophes Reveals how they feed off our energies and how this ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly Explains how they established religion to control us and how Gnostic Christianity which came from Christ and not the Anunnaki offers a way out of their matrix of control Cuneiform texts found on clay plates in Mesopotamia tell us about an extraterrestrial race called the Anunnaki who came from space to exploit our planet Through genetic manipulation they created modern humans from existing earthly life forms to serve them as slaves They physically left our planet millennia ago but as Jan Erik Sigdell reveals their influence and control over humanity is still pervasive and significant Sigdell explains how the Anunnaki have maintained invisible surveillance over us as well as control over how humanity develops setting limits on our evolution and holding back our development by means of manipulation and catastrophes including the deluge immortalized in the Bible and many other ancient myths He shows how they still manipulate our politics and affairs via secret societies such as the Illuminati and the political elite such as the Bilderberg Group Examining ancient descriptions of the Anunnaki as entities that resemble winged reptiles or amphibians the author also explores their diet and how they feed off blood and the energies given off by lower life forms such as humans when they are expressing extreme negative emotions having sex or dying This energy feeding ability has allowed them to remain here on Earth as multidimensional entities enforcing their control invisibly He explains how the Anunnaki established religions as tools for control setting up the major religions with themselves as gods and playing them against each other to keep humanity's attention away from ongoing Anunnaki manipulation They have also hidden from us the existence of the true highest creator who created the cosmos as well as the Anunnaki themselves The author reveals how the highest creator sent a messenger called Jesus to expose the Anunnaki and show us a way out of their matrix of control through a spirituality based on love empathy and sacred sexuality But the god of the Anunnaki defeated this messenger and replaced him with a false Christ This led to the development of Paulinian Christianity under Anunnaki influence as well as other parallel religions such as Islam and the suppression and elimination of the original Christianity Gnostic Christianity With the discovery of hidden Gnostic texts and teachings at Nag Hammadi in 1945 the way is now paved for our release from the reign of the Anunnaki

Our Godly Sexual Beings Donna Mack with Kristi Miller, 2023-09-08 Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity's great mysteries God's purpose for

designing our Godly sexual beings After thirty years of committed research and study Donna Mack perceived an essential missing link from the age old battle of God vs Satan While other books have attempted to discuss human sexuality none have done so with as many biblical and scholarly backed references as Our Godly Sexual Beings One fascinating revelation in scripture is just how sacred human sexuality exists for God The Bible sings with this truth and Donna dives into this mystery to reveal the greatest love story ever told With the help of over 1 300 references Donna uncovers God s design for sex and Satan s influence that morphed this gift into a lie of lust This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin shame and bondage American Jewish Year Book 1995 ,1995 The Library

owns the volumes of the American Jewish Yearbook from 1899 current **Historical Genesis** Richard James Fischer,2008-01-28 The beginning chapters of Genesis come alive with characters places and events almost totally unknown outside of the Bible itself except when illuminated by the fascinating history of the ancient Near East Did a man we call Adam actually exist Was someone known to us as Noah warned of a cataclysmic flood and instructed to build an ark Could the Tower of Babel incident actually have happened When archaeological artifacts and literature began to surface from ancient Mesopotamia present day Iraq nearly 200 years ago only a handful of archaeologists dared to point out that there appeared to be a close relationship between Genesis and the ruminations of the Sumerians and Akkadians who once lived there Often enduring great personal hardships these archaeological pioneers produced copious translations and marvelous insights Cuneiform texts compiled from almost two centuries of exploration have added significantly to our understanding of the historical underpinnings of the Old Testament The reader will gain a new appreciation for the historical integrity of Genesis 2 11 and marvel at the evidence that the persons places and events depicted though long misunderstood could be real Please visit Richard J Fisher s web site at <http://www.historicalgenesis.com> **WealthWarn** Michael S. Wrestling with God in Context M. P. Joseph,Po Ho Huang,Victor Hsu,2018-12-01 Shoki Coe was among the first to speak of contextualization in theology Coe argued that theology is not a reiteration of past formulas or doctrines but a response to

the self disclosing initiative of the living God in history and human experience Yet he remains little known outside his native Taiwan Wrestling with God in Context introduces Coe s work and social vision and evaluates his contributions to the field of missiology and ecclesiology Eager to offer a creative and critical witness to Christian faith Coe worked tirelessly to liberate theology from its Western captivity and shaped a generation of theological reflection on God culture and history For thousands of students and church members around the world Shoki Coe was the spiritual father that guided their contextual theological pursuit to the living reality of God In order to reflect on his legacy the chapters in this volume including original essays from Stephen Bevans Dwight Hopkins and Enrique Dussel tackle the critical methodological issues related to doing theology reading the Scriptures and being the church **Dawn and Sunset** Michael Baizerman,2012-11-01 Dawn and Sunset Insight into the Mystery of the Early Mesopotamian Civilization is a fascinating and highly readable look at the emergence blossom and decline of the Sumerian civilization Presented as a constellation of pristine urban communities that mushroomed in Southern Mesopotamia throughout the IV and III millennia BCE the study of Sumerian society is an informative and applicable mode of insight into our own times From both a geographical and historical context the study of Sumerian civilization is rife with intriguing questions about language agriculture arts crafts foreign trade government laws social classes and warfare **Hermeneutische Grundstrukturen frühchristlicher Bekenntnisbildung** Gerda Riedl,2015-02-06 Der Prozess der Entstehung und dogmatischen Fixierung christlicher Glaubensbekenntnisse Kurzfassungen zentraler Glaubensinhalte wie im Apostolicum Nicaeno Konstantinopolitanum u a ist fr hestens zu Beginn des 7 Jh abgeschlossen Bisher v a unter ereignisgeschichtlich genetischen Gesichtspunkten Text und Sinnabh ngigkeiten untersucht geht diese Arbeit den hermeneutisch generativen Grundstrukturen des Bekenntnisbildungsprozesses nach Beweggr nde Dabei zeigt sich ein eindeutig heilsgeschichtliches Anliegen fr hchristlicher Bekenntnisbildung die Selbst Erschlie ung Gottes zwischen Sch pfung Erl sung und Erf llung **Book List** Society for Old Testament Study,1992 〇〇〇〇〇〇〇 〇〇,2003

The Garden of Eden Myth Walter Mattfeld,2010-11-01 Scholarly proposals are presented for the pre biblical origin in Mesopotamian myths of the Garden of Eden story Some Liberal PhD scholars 1854 2010 embracing an Anthropological viewpoint have proposed that the Hebrews have recast earlier motifs appearing in Mesopotamian myths Eden s garden is understood to be a recast of the gods city gardens in the Sumerian Edin the floodplain of Lower Mesopotamia It is understood that the Hebrews in the book of Genesis are refuting the Mesopotamian account of why Man was created and his relationship with his Creators the gods and goddesses They deny that Man is a sinner and rebel because he was made in the image of gods and goddesses who were themselves sinners and rebels who made man to be their agricultural slave to grow and harvest their food and feed it to them in temple sacrifices thereby ending the need of the gods to toil for their food in the city gardens of Edin in ancient Sumer The Anunnaki Sumerians Ryan Moorhen, It is possible that the Adamu man lived in

south Iraq without leaving traces that are recognizable today Our present concrete evidence for advanced human occupation in Sumerian begins with the stage at which man was already building complex ziggurats This seems to reflect what happened in Egypt as a matter of record Looking back into earlier times and different regions is necessary to understand how this came about The Anunnaki Adamu manufactured drastic changes to his life shortly after 10000 BC In addition to hunting and gathering food he cultivated crops especially cereals and domesticated animals Both changes were not necessarily initiated by the same group It is still unclear why Adamu and Adapa manufactured such changes The comet hypothesis and ice sheet melting seem to be the most likely explanations While it was once thought that a deteriorating climate drove him there it is now known that the Near East s climate was becoming wetter and warmer during this time Another hypothesis has been proposed more recently The man received this knowledge from the Anunnaki civilization The population immortalized these techniques they represented the Eagle Apkallu deities giving bags or buckets from a mysterious land of Dilmun that no longer exists Nevertheless what is in these bags According to the Anunnaki Apkallu they were between Anunnaki and Sumerian men

Lost in Translation, Presumption, and Interpretation Saad D Abulhab, 2020-06-14 This book investigates the Mesopotamian roots of two key monotheist characters Adam and Noah and their stories through an exhaustive reading of relevant texts from the ancient literature it includes original Arabic transliterations and Arabic and English translations of sections from Akkadian and Sumerian inscriptions and the Hebrew Genesis The common biblical beliefs in an initial single human creation and a subsequent survival of a punishing catastrophic flood were among the key forming pillars of the Near East monotheist religions The other key pillar was arguably the belief in the existence of a one supreme god and creator However neither the two stories of human creation and catastrophic flood nor the belief in one supreme god were originally introduced by these monotheist religions Key inscriptions from ancient Mesopotamia have clearly indicated that various versions of these beliefs were commonplace for thousands of years before Despite the differences in details and at times ambiguities the monotheist faiths seem to have derived their defining themes from one source early Mesopotamian mythology Unfortunately several key inscriptional facts supporting this hypothesis were lost in the current transliterations translations and interpretations of the ancient texts The work presented in this book attempts to highlight these historical facts
